It is stated that if Miramon does not guarantee fell protection to the American flag and the property of our citizons, Capt. Jarvis will land 500 marines, armed with Minnie ridas.

The Liberals and American citizons were urging four citizons are sufficient to capture Miramon's expedition.

The Havana Diaro says that Miramon has from 6000 to 5000 men, well supported with artillery.

Norrote, Va., March 19.—The bark Swan, from Cicofuegos for Battimore, with molasses, is ashore to Cape Henry, and the vessel and cargo will probably be a total loss. Eight of the men have been landed, but five are still on board, and at the mercy of the waves.

La Crosse, Wis., March 19.—A five occurred in 5th Panl, Min., which destroyed 34 buildings on Jamastow and Robert streets. The loss is estimation of the constant of the proposition of the waves.
