GANDEN SERDS. - We received a very band-some package of garden seeds from Orange Judd, Esq. No. 189 Water street, New York, proprie-tor of the "American Agriculturist." These seeds are funished to the subscribers of the Agritor of the American Agriculture. These seeds are funished to the subscripters of the Agri-culturist annually, and are so valuable that if purobased at our seed atores, they would almost smount to the yearly subscription to that paper. Is meeds, however, nothing of this kind to bolster it up. The design of Mr. Judd is to encourage and feater an interest in everything that pertains to agriculture and horitoulture, and he regards the distribuilds of these seeds as an important condjutor of the paper in effecting this result. The paper is one class to which it belongs, and we commend it to the satisfield in four read-king Phillips corn, improved Long Trange esr-rel, Stowell's weet corn, long red Mangold Warrizel Hominy corn, Bredish turnings, &c." variaties of farm, garden and flower jeeds to se-lectfrom, so that all tastes may be accommodated.
