sovernmenis have been their own rulers. Under many itemptations, to reverge, riot and excess, with many things to distract and it crouble then they set up provisional governments, models of simplicity and efficiency, and have governed the main control to the second theory is a source of the little sour

desire: Thus the map of Europs is re-arranged, without asking the consent of the Holy Alliance or recognizing its right to meddle in the matter at all. Now that Italy has a substantive national ex-istence, with the certainty that Venice will soon be added to it, may we not, hope that Naples will follow, and Lialy be free, not simply from the Alies the Adriatic, but to the south for the purpose of security all the the Alies the Adriatic, but to the south for the purpose of security all the the Alies the Adriatic, but to the south for the purpose of security all the the Alies the Adriatic best to the south for the purpose of security all the the Alies the Adriatic best to the south for the purpose of security all the the Alies the Adriatic best to the south for the purpose of security all the the Alies the Adriatic best to the south for the purpose of security all the the Alies the Adriatic best to the south for the purpose of security all the the Alies the Adriatic best to the south for the purpose of security all the the Alies the Adriatic best to the south for the purpose of security all the the Alies the Adriatic best to the south for the purpose of security all the the Alies the Adriatic best to the south for the purpose of security all the the Alies the Adriatic best to the south for the purpose of security all the the south for the purpose of security all the south for the purpose of sec the Alps to the Adriatic, but to the southern ex-iremity of Sicily? When Northern and Central Traily become firmly consolidated, Southern Italy cannot be held back from joining it. Already the tokens of the expulsion of the Bourbours from Naples are visible. Discontent reigns through-cit the Two Sicilles; the King is acting the part of a bloot and a despot, and is even more orul and intraciable than bis father. The days of his house are numbered; the people are waiting only for the hour when, their patience exhausted and the token is fast appreaching; and with it will the there is fast appreaching; and with it will the there is fast appreaching; and with it will and Naples are underest in the south of the second the there is fast appreaching; and with it will the there is fast appreaching; and with it will and value is fast appreaching; and with it will and value is fast appreaching; and with it will and value is fast appreaching; and with it will and value is fast appreaching; and with it will and value is fast appreaching; and with it will and value is fast appreaching; and with it will and value is fast appreaching; and with it will and value is fast appreaching; and with it will and value is fast appreaching; and with it will and value is fast appreaching; and with it will and value is fast appreaching; and with it will and value is fast appreaching; and with it will and value is fast appreaching in a substriant and a sub appreaching in a substriant appreaching in a substriant appreaching in a substriant appreaching is and with it will appread the substriant appreaching is and with it will appread the substriant appreaching is and with it will appread the substriant appreaching is and with it will appread the substriant appreaching is and with it will appread the substriant appreaching is and with it will appreciable is appreaching in a substriant appreciable is a sup the Ales to the Adriatic, but to the southern ex- in the south for the purpose of securing all the

That hour is fast appreaching; and with it will tome the full dawn of the day of Italy's redemp-tion. THE INVESTIGATING COMMITTEE. - We have no adds: Mr. Hunter, of Barnet, describes his con-tion. come the full dawn of the day of Italy's redemp-
