bakes his Presidential fist in the face of Con-gress, defes their power to investigate his acts and with virtuous indignation remarks in his isto so-called "protest": "tamid all the molitical terms the protect of the corruption fund in this State, "tamid all the molitical terms the solution for the corruption fund in this State, diff had continued for the weeks almost with-"Amid all the political storms through which

"Amid sil the political storms through which have passed, the present is the first attempt which has ever been made to my knowledge, to assail my personal or official integrity, and the sin integrity and the sin integrit

win not desert me now when I have become 'old malice and gray beaded.' I can dealer the become 'old I can declare before God and vigor of intellect and hody, to bis rigid tempermy country that no human being, with an except tion scarcely worthy of notice, has, at any period of my, life, dared to approach mo with accorrupt ponent of no-likerry Democracy " weak, and my more than the second state ponent of no-likerry Democracy " weak, and my more than the second state weak, and my more than the second state state state state state state my control that no second state s ponent of pro-slavery Democracy. All this reads very prettily ; and if the public could only forget the past, such a manifestation of upparent housely might have some effect in

collifying public sentiment. But, unfortunately for Mr. Buchanan, the record is against him. joy the fruit of his long labors. If he is disposed "not to put too fine a point upon it," what would be call the following but passed an act requiring all bridge companies on "a corrupt and dishonorable proposition" !

"PailADELPUTA, Sopl 13, 1858.
 "DEAL STR: I venture to suggest to you the importance of awarding the contracts for the machiner of the shoop new building at the Navy-Yard at this information and it can be done without prejudice to the stabilishment in the 1t Duritet while semi fin. Bad health) are full of energy, straining strars to keep their form dark to daylight. As the Governor has 10 on the upper side of each pier every night, so the provisions of the Allegheny below Warreb and all on the Mo-fing the contracts for the machiner, and the side of each pier every night, so the provisions of the Allegheny below Warreb and all on the Mo-fing the contracts for the machiner, and the side of each pier every night, so the provisions of the and the side of the bill, it is now a law; and as it may so for damages, we call the sidention of the stret in the 1t Duritet while semi in and health) are full of energy, straining strems to keep their forte during this dependence in that district who and in the informet.
 I know, from forme experience, the value of the linkers of the Democratic party to increase it. The billy is the set of the side of the billy set of the provisions of the set of the set of the billy set of the set of the

re-dection on tormal experience, the result influence, and feel permanded that it is the inforest of influence, and feel permanded that it is the inforest of the Democratic party to increase it. The lat District will, I hope, be earried in any event; but with the abop at work, full-handed, two weeks prior to the ideetion, the result would, I think, be placed beyond all doubt. With much respect, Ture Passmoare. W. C. PATTERSON." The author of the indignant paragraph first abore quoted, when he was approached by this if or or the indignant paragraph first of rebuking the man who "dard" to approach him with it, sent it back to the Secretary of the Navy, with the following indorsement: "Sarrexner 15, 1858. "Sarrexner 15, 1858.
