of Birmingham. This is an action of assumplet to recover a sum of money paid to the Tax Collector under protest, as-alleged by the plaint. Was a tenant occupying one of a number of houses belonging to the heirs of Clifton Wharton, and was approached by the tax collector with a warrant to collect a large portion or all the taxes due on his landlord's property. He paid the whole amount of the tax warrant and sought to recover it back by this action, but was unable to prove that he protested against the oppressive demand, and there were the commenced in the New York Leave which the commenced in the New York Leave with the commenced in the New York Leave with the commenced in the New York Leave which the commenced in the New York Leave with the commenced in the New York Leave with the commenced in the New York Leave which the New York Leave when the New York Leave which the New York Leave when the N

NEW TELEGRAPH.—The Pennsylvania Rail.

road Company recently made a proposition to build a tolegraph line from Blalraville Intersection to Indiana, provided the citizens of the formulation to Indiana, provided the citizens of the formulation of the Company; and further, that the Railroad Company shall be entitled to the use of the line for transmitting all necessary communications relating to the road. We nuclearly communications of the proposition will be accepted.

TAKES TO THE HOSPITAL—A man named Jas.
Turbin, formerly an innurance agent, in this city, was yesterday taken to the Hospital. He came into Alderman Lewis office, about eight of clook in the morning, and took a great, where he remained until noon. The Alderman was about sending him to jail, for drunkenness, when he discovered that the man was suffering from a paralytic stroke. Mr. Lewis inquired and assortained who the man was, and sent for his brother, who had him taken to the above institution.

We were informed, yesterday, that A Forsyth & Co., the head contractors of the East Liberty to Co., the head contractors of the East Liberty (On motion of Mr. Iverson, Senate took up the pri-

On motion of Mr. Houston the bill was tabled by 92 against 74.

Mr. Grow reported bills to provide temporary governments for Arizonia, Dacotah and Chippawa, which were alsa tabled.

A debate follidwad on the question of the right of the South to carry their claves to the territories.

Mr. Thayer was against organizing a government where there was not 30 white meu. The people have the right and power to govern themselves, and therefore, should be left alone.

Mr. tionch explained bit views as to lagislation for the territories.

On motion of Mr. Thayer the Chippawa Territorial bill was tabled.

And the second control of the second control

Dyspepsia! Dyspepsia!! Dyspepsia!!! What is it? How Curid?
Despuesta is our National Disease weak DESPEPSIA is our National Disease—weak stomach, ésable disestion, datress after eatling contine habit, billous condition. How many suffer with it and its attentant symptoms of low spirits, bad tasts, coated tongue, obstupited dead and satask of headach. The flow fave know how to cure till decorally, because the bowels are constipated, resort to had to exthactics, or laxatives. But such a condition was never cured by calabattics, whose only office is to weaken the digestion and impair the integrity of the other partiallative spream. office is to weaken the digestion and impair the integrity of the other armillative system.

But HUHPHREYS HOHSOPATHIO PILLS—a simple medicated sugar pill—here cared handreds of the worse and most obtained cases. This is done simply by improving the tone and restoring the integrity of the digestive organs, from with result good appetite, regular habits, a clear beast subdeposed spirits. Such a medicion is again, and only requires to be known to be appreciated.
