CROSS SUITS.—An information for larceny was made before Alderman Lewis, of the Third ward yesterday, against a man named Charles Daly, during the investigation of which the following came out: A German (a disciple of St. Crispin,) named August Myers, a resident of High Street, got into a difficulty with the above defendant, who was a journeyman of his, on Tuesday morning which terminated in his turning Daly out of the shop and refusing to give him his "kit," which he afterward examined, and found contained a rasp and a pair of stockings. Daly immediately went to Ald. Taylor's office, in the Fifth ward, and sued Myers for trover and conversion, and succeeded in recovering his baggage. Yesterday, Myers went to Alderman Lewis, and made the above information against Daly for the larceny of the rasp and the stockings, which he alleged Daly had stolen from him. The Alderman dismissed the case upon hearing it, becoming satisfied that it was merely a malicious one trumped up by Myers in revenge for the success the other had in recovering his baggage from him (Myers,) and concluded by sentencing the prosecutor to pay the costs.

RIOT IN THE DIAMOND.—On Tuesday night the "Diamond" was the scene of a most disgraceful riot, in which a man named Joseph Hester was so badly injured from the effects of a blow from a heavy billy or a pair of knucklers, that he will be confined to his room for some days to come. The history of the affair as near as we could learn are briefly these: The injured man keeps a tavern called "Hener's Exchange," in the "Diamond." Tuesday night a man named A. Lewis went in there and got into a difficulty with an old German named J. G. Sablis, who had just come in. A fight ensued in a few moments, which resulted in Hester's getting both parties out of the house on to the street. Here the fight was renewed. Hearing Hener call "murder," "murder," a number of men, including A. England, D. Fawcett and J. Davis, ran to the spot and quickly got Sablis up in the fight, and when the police made their appearance two of them, who were endeavoring to separate the combatants, were arrested and taken to the Station House, where, after telling their story, they were released. The balance of the crowd quickly dispersed. The parties who so brutally assaulted Hester have not yet been captured, though the police are now after them and will probably get them to-day.

ANOTHER BURGLAR IN LIMBO.—One of the night police arrested a man named Robert Patterson, Tuesday night, on a charge of burglary, preferred against him by John Lerscher. The prosecutor keeps a tavern in Virgin alley, near Liberty street, in the Third Ward, which he alleges was entered and robbed by the defendant of $6,17 in good money, besides two $5 bills on a broken bank. When Patterson was arrested, he was taken to the station house and searched. A watch and part of the missing money was found in his pockets. The money was afterwards identified by Lerscher as being part of that he had lost. After a brief examination yesterday morning, Mayor Wilson remanded the prisoner to jail to answer the charge at the next term of the Court of Quarter Sessions.

HEARING.—The three burglars, James Mansell, alias "Cross," James Kline alias "Close," and Rufus Conner, captured by two of Alderman Roger's police we noticed in Monday's *Gazette*, had a hearing yesterday, which resulted in their being committed for trial, in default of $300 bail each. Mansell and Kline for the robbery of McCullough's store on Fifth Street; Conner for the robbery of Elliot's Shirt store, and Kline for the robbery of Silvey's clothing store, on Wood Street. Sarah Connor, the mother of Rufus Connor, was committed for trial on a charge of receiving stolen goods.

FOREIGN ITEMS.—There were 23 commitments to jail yesterday. Of these, 5 were for burglary; 3 for assault and battery; 3 for drunkenness; 3 for vagrancy, and 3 for disorderly conduct.

Ald. Rogers yesterday gave a man, or rather a brute in human shape, named David Cowen, 20 days in jail for brutally beating his aged mother and father.

The same magistrate held John Livingstone, who lives on Wylie street, in $300 bail on a charge of surety of the peace, preferred against him by a neighbor.

THE following officers were elected for the ensuing year of the Pittsburgh Building and Loan Association:

President—W. Wilton.

Secretary—J. G. Backofen.

Treasurer—John Woods.

Directors—Geo. Kretz, Henry Vogele, E. H. Myers, Mich. Low, C. M. Seibert, Henry Hill.

IT is reported that the Prince of Wales will visit our city on his return from Cincinnati, and remain there over night. It is also stated that he will remain a night at Harrisburgh, and that the car in which he is to ride is now being prepared for him.

MORTON McMICHAEL, yesterday, fined the Irishmen named Patrick Rogan $2 for forestalling the market, in buying a basket of apples with the intending of selling them again.

FIRES, BANNERS, DOCUMENTS, &c.—Our Republican Clubs, in the city and out, can supply themselves with all needful flags, banners, posters, &c., for the campaign, by calling on Mr. L. Sala at the Republican Club rooms on Wood st. He has a good supply on hand, gotten up in first rate style and will furnish them at reasonable prices. Give him a call before completing your arrangements.

DEATH OF AN EDITOR.—A Rock Island letter announces the death of Emanuel Pershing, Esq., formerly associate editor of the Johnstown *Echo*, and lately one of the proprietors of the *Rock Islander*—a journal of considerable influence and ability. The deceased was a young man in the prime of life, and brother of the Rev. I. C. Pershing, Principal of the Pittsburgh Female College.

AN old man named Patrick Carey was caught by the police yesterday throwing a load of ashes on the corner of Fourth and Grant streets, and taken to the Mayor's office where he was committed to jail in default of a fine of $2 and costs imposed on him for violating the city ordinance.

THE CENSUS.—The census returns for the Third and Fifth wards are in. The former, which in 1850 had 8,867 inhabitants, has now 9,185, and in the latter an increase of 500 is exhibited. The total population of the two cities and adjoining boroughs will, it is thought, reach about 118,000.

BALLOON ASCENSION.—Prof. Wilson will ascend with his new air-ship, the "Great Western," from the Iron City Park, on Saturday, the 28th instant. Several persons can have the pleasure of accompanying Prof. W. in his aerial voyage by paying $25.

WATCH FOUND.—An open faced silver watch, patent lever, and marked "1245," was found in the possession of a notoriously hard case (who was arrested several days since by the police,) and is supposed to have been stolen. It is now at the Mayor's office awaiting an owner.

BUILDING TAX.—The building tax, assessed for the current year, by the Third Ward School Board is but 1¾ mills, or ¾ a mill less than that of last year. It will realize, however, nearly $3,000.

THIRD WARD TAXES.—The county tax paid by the Third ward this year was $19,418 29; the State tax, $2,541; the mills tax, $389; the poor tax, $3,884 18; the High School tax, $3,-779 72, and ward school tax $2,976 20

A MAN named John Dessall was arrested yesterday by the Mayor's police to answer a charge of keeping a ferocious dog, preferred against him by Geo. R. Hatfield. Dessall gave bail for his appearance at Court.

☞ TO ADVERTISERS.—The Pittsburgh DAILY GAZETTE has a large circulation among the business men in this and the surrounding cities—among those who BUY and who SELL—and among the intelligent and liberal producers. It may be found in nearly all the counting rooms, store houses, leading houses, hotels, factories and commission houses in the two cities, where it is read and referred to by those in search of facilities for parcel. As a medium for advertising, therefore, it offers inducements which are not to be found in any paper in Western Pennsylvania can offer, to all who desire to reach this large class of our citizens. THE WEEKLY GAZETTE at the time has a much larger circulation in Western Pennsylvania, Ohio and Virginia among substantial farmers and merchants than any other secular paper in this section of the State.

Notice to Builders and Contractors.

THE LATEST NEWS.

BY TELEGRAPH.

RECEIVED AT THE DAILY GAZETTE OFFICE.

ST. JOHNS, N. F., July 25.—Yesterday addresses were presented to the Prince, to which he replied as follows:—"I sincerely thank you for the addresses presented to me, and for the hearty welcome received from all on my landing on the shores of this, the earliest colonial possession of the British Crown. I trust you will not think me regardless of your zealous loyalty if I acknowledge these addresses collectively. It will afford me the greatest satisfaction to report to the Queen the devotion to her crown and her son so unmistakably evinced by the reception of her son, eloquently expressed in the addresses from various bodies in this town and Harbor-Grace. I am charged by the Queen to convey to you the assurance of the deep concern she has ever felt in this interesting possession of her dominions. I shall carry back a lively recollection of this day's proceedings, and of your kindness to myself personally, but above all, of these hearty demonstrations of patriotism which prove your deep rooted attachment to the great and free country of which we all glory to be called her sons." The Prince pleases the populace immensely by his handsome countenance and mild, gentlemanly bearing. He drives out to-day. There will be a dinner party at the Government House this evening, and a ball at ten o'clock to-night. The display of fire works last night was a poor affair. To-day is a beautiful, clear day for the regatta.

TRENTON, N. J., July 25.—The Ball and Everett Convention assembled here to-day. John Perrine, of Middlesex, was made temporary chairman, and C. D. Deshler and James Stratton, Secretaries. A committee of five from each Congressional district on permanent organization was appointed, and three from each district to report resolutions and a recommendation in regard to the propriety of nominating an electoral ticket. All the districts are represented. Some counties are not represented. The Convention adjourned till 2½ o'clock. They will nominate a ticket either to-day or at some subsequent convention. The Hon. Jacob Brown will address the Convention this evening.

The following are the district electors:—1st. Abram M. Nash, of Camden; 2d. Moses Milne, of Burlington; 3d. Oliat, of Warren; 4th. Daniel Scudder, of Sussex; 5th. Theodore Runyan. The following were appointed the State Executive Committee:—Rodman M. Price, Theodore S. Allison, Adolph Schall, Garret S. Cannon, Thos. N. McCarter and M. T. Stratton. The Committee was requested to issue an address to the people of New Jersey, to which is to be added a list of delegates. The Committee then reported the resolutions.

TRENTON, N. J., July 25.—Both Conventions are now in session. The one called by the call of the State Central Committee, at the State House, and the Douglas straight-outs, at the Temperance Hall. Gov. Foote is Chairman of the State Convention. All the counties in the State are represented. A resolution was adopted at a preliminary meeting this morning, that they had to nominate an electoral ticket, pledged to the nominations of the Democratic party, Douglas and Johnson. Speeches were made by Governor Price, General Runyon, Burleigh's Campaign Songster, Debates between Lincoln and Douglas. The Republican Pocket Pistol. Caucuses of 1860, by Halstead. *Tribune* Campaign Tracts. All of the above can be had in large or small quantities, at Hunt & Miner's.

At the Breckinridge and Lane Convention, at the State House, Samuel Fowler, of Sussex, was chosen temporary Chairman, amid loud cheering. Every county in the State is represented.

ST. LOUIS, July 25.—An extra of the Bonham Texas Era office, dated the 17th inst., was received here to-night.

The overland mail contains a letter from Charles R. Pryor, editor of the Dallas Herald, stating that a fire occurred in that place on the 8th inst., which led to the discovery of a diabolical scheme to devastate the whole of Northern Texas. A number of unscrupulous abolition preachers, Blunt and McKinney, have been expelled from the country last year, were the instigators of the plot. The plan was to lay the whole country waste by fire, destroying all arms, ammunition, etc., to get the country in a state of utter lawlessness, and then on election day in August make a general insurrection, aided by emissaries from the North and parties friendly to the same in Texas.

Their sphere of operations was districted and subdistricted, each division being under the supervision of white men who controlled the negroes as subordinates. Several white men and negroes have been arrested at Dallas. The following first are reported to have occurred the same day in Dallas, and were attributed to the same cause. A large mercantile house at Black Jack Grove; loss $20,000; three business houses at Denton; loss $100,000; a store house at Pilot Point; loss $10,000; a store house at Ladonia, loss $20,000; eight stores at Bellevue; loss not known; Milford, in Ellis county, totally destroyed, and several other fires. Great excitement existed throughout the country, and prompt and effective measures are being taken to protect life and property.

Further by the Canada.

NEW YORK, July 25.—The Asia arrived at Queenstown on the evening of the 17th.

PALERMO, 13th.—The new ministry has been formed, Amare, the historian; and Evants are among the number.

NAPLES, 10th.—The population is unquiet. A partial outbreak had occurred among the troops in the citadel. Twelve were wounded. Ships and troops were going to Messina.

ROME, 13th.—No further disturbances had occurred in the Umbrian marches.

QUEENSTOWN, 10.—Sanguinary combats have taken place near Messina between the Neapolitan and the advance guard of the Sicilian army.

Garibaldi had received further aid to the amount of one million livres, and 57 cannons.

BUFFALO, July 24.—The grand concert this evening by all the musical societies attending the Sangerfest of the North American Sangerbund was a success. Over six hundred performers assisted, including an orchestra of one hundred instruments, all under the direction of Carl Adams, of the Buffalo Liedertafel. The immense passenger depot of the New York Central Railroad was densely packed, and thousands were unable to effect an entrance. It is estimated that 8000 people were admitted on tickets, and during the performances the temporary screen on the eastern side of the building was torn down, thus admitting, to the benefit of the concert, some three or four thousand more. All passed off without casualty.

BUFFALO, July 25.—To-day was set apart for a prize concert. The prize, a massive silver goblet, was presented by five societies, and won by the Arion, of New York City. It was presented at the grand banquet to-night. Columbus, Ohio, was selected as the place for holding the next Sangerfest.

NEW YORK, July 25.—The Tribune's Washington correspondent announces the defalcation of Major R. Sutherland, Quarter Master of the Marine corps, for $30,000.

A store keeper named Lewis murdered his wife on Saturday, at Bounbroux, N. J., and then committed suicide. Cause, jealousy.

U. S. Deputy Marshal Stephen Marshal Rynders, who is under indictment for complicity at the escape of a slaver, was yesterday committed to the tombs for lack of bail.

A fire occurred in Bergen, N. J., on Monday morning, destroying the store house of Van Reipen & Co., and the dwelling house of Mr. Van Reipen. Loss $15,000; insured for $10,000.
