There is no longer a necessity for limping chairs, splintered spoons, headless dolls, and broken crockery. It is just the article for home, shop, and office refreshment work, as popular with ladies of refinement and taste.

This admirable preparation is used cold, being chemically held in solution, and possessing all the valuable qualities of the best cabinet-makers' Glue. It may be used in the place of ordinary mucilage, being vastly more efficient.

I HAVE THIS DAY ASSOCIATED WITH me, Mr. JOHN DELOW, in the Undertaking business, which will be conducted under the name and style of LEMON & DELLOW.

We call special attention to Fisk's new style patent Metallic Burial Cases, for the sale of which we are sole agents in this city, and of which we have on hand a large assortment. Guaranteeing to render satisfaction, they solicit a continuance of the patronage heretofore so liberally extended to the old firm.

D^R MOTT'S CHALYBEATE RESTORATIVE PILLS OF IRON.

AN APERIENT AND STOMACHIC Preparation of IRON purified of Oxygen and Carbon by combination in Hydrogen. Sanctioned by the highest Medical Authorities, both in Europe and the United States, and proved in their practice.

The experience of thousands daily proves that no preparation of iron can be compared with it. Impurities of the blood, depression of vital energy, pale and sickens the sickly complexions indicate its necessity in almost every conceivable case. Inmixous in all maladies in which it has been tried, it has proved absolutely curative in each of the following complaints, viz:

Debility, Nervous Affections, Emaciation, Dyspepsia, Constipation, Diarrhœa, Dysentery, Incipient Consumption, Scrofula Tuberculosis, Self-Abuse, Amenorrhœa, Chronic Headache, Rheumatism, Intermittent Fevers, Pimples on the Face, &c.

In cases of General Debility, whether the result of acute disease or of the confinement and seclusion of sedentary and unclear energy from chronic complaints, one trial of the Pills for five hours proves conclusive to an extent which no description can put written statements would render credible—Invalids so long bedridden as to have become forgetful of their own helplessness, have suddenly reappeared in the busy world as if just return from protracted travel in a distant land. Some very signal instances of this kind are still fresh in the memory of the citizens of Philadelphia. Numerous sanguineous exhaustion, critical changes, and that complication of nervous and dyspeptic sensation so sad and expensive for which the physician has no name.

In Nervous Affections of all kinds and for reasons familiar to medical men, the operation of this preparation of Iron must necessarily be salutary, for, unlike the old original it vigorously tonic without being exciting and overstimulating and gently, yet surely, restores to the most delicate cases of constitution, without ever being a gastric irritant, or affecting a disposition to constipation.

It is this latter property, among others, which makes it an remarkably effectual and permanent a remedy for Piles, upon which it also operates in cases of children and specific action, by depurating the blood, thereby which forms them.

In dyspepsia innumerable as are its causes, a single box of Dr. Mott's Iron Pills has often suffered for the most habitual cases, including the stoutest Costiveness.

In wreck-ated invalids, even when all seemed to Preventive, confirmed, emaciating, and apparently malignant, the effects have been equally decisive and astonishing.

In the local pains, loss of flesh and strength & debilitating cough, and remittent hectic, which generally indicate its signal Consumption, this remedy has allayed the alarm of friends and physicians, to their very gratifying and fabricating testimony.

In Scrofulous Tuberculous, this medicated iron has had far more than the good effect of the most cautiously balanced preparations of iodine, without any of their evil habits.

The attention of families cannot be too confidently invited to this remedy and restorative, in the cases peculiarly affecting them.

In Rheumatism, both chronic and inflammatory—in the latter however, more decidedly—it has been invariably well reported both as alleviating pain and reducing the swellings and stiffness of the joints and muscles.

In Incipient Fevers it is successfully be a great remedy and energetic preventive, and its progress in the new settlements of the West, will probably be one of high interest and usefulness.

No remedy has ever been discovered in the whole history of medicine, which exerts such powerful, happy and fairly invariative effects. Good appetite, complete digestion, rapid acquisition of strength, with an unusual disposition for active and cheerful exercise, immediately follow its use.

Put up in neat flat metal boxes containing 60 pills; price 50 cents per box; for sale by Druggists and Dealers. Sent to any one to any address on receipt of price. All letters or orders should be addressed to
