INAUGURATION OF THE FERRY STATUE.—The Cleveland people are to have a grand celebration on the 10th of September. The occasion of it is the inauguration of the Ferry statue, for which that day has been set apart. The announcements state that the committee of arrangements are determined that it shall be the most imposing display ever witnessed in the West. The military of Ohio, and some of the adjoining States will be present. The Masonic fraternity will participate with their ceremonies; the Odd Fellows, Father Matthews' Temperance Society, and other benevolent associations will attend, and Dodsworth's Brass Band will be on from New York. Senator Chandler, the Historian, will deliver the oration, and Dr. Usher Parsons, surgeon of the Lawrence during the battle, will relate some reminiscences of the same. Gov. Dennison and staff, with the principal officers of the Commonwealth of Ohio and Gov. Sprague and staff, with the officers of military and legislature of Rhode Island are expected. A full rigged ship, drawn by the tars of 1812, will be in the procession, and the celebration will terminate with a grand mock battle on Lake Erie. The arrangements for a grand demonstration, are certainly very ample, and the occasion will probably be a well worth seeing one. To accommodate those who desire to be present, the passenger train on the Cleveland road will leave here on Monday at 1 a. m., arriving at Cleveland by 9 a. m., and return at 6 p. m. in the evening, giving passengers the whole day in the city. *Half fare* will be charged, and we presume many of our citizens will go.

ROBBERY.—A few days since the house of Mrs. Baldwin, in Shaksnaville, between Wheeling and Washington, Pa., was entered by pickpockets, who succeeded in removing a trunk (owned by Richard Mounts, an infirm old man who resided with his daughter) from an upper room to the foot of the stairs, when he was heard by the family, who gave the alarm and the villian made good his escape through a window. There is no doubt his object was money, which he supposed the old man kept in his trunk; but in this he was mistaken, there being nothing in his trunk but some small articles of clothing.—A short time after the alarm was given, a man was seen coming through a field in the direction of the house, wending his way westward.

BURGLARY.—The store of Mr. Fred. Beckert, on the corner of Ohio and West streets, Allegheny, was entered by some burglars at an early hour on Friday morning, and some $10 or $15 taken from the till. The rascals effected an entrance through a back window, which they succeeded in raising, after much difficulty, without arousing any of the inmates of the house. No clue has yet been obtained as to who the burglars were.

PRACTICAL JOKE.—The Wellsburgh *Herald*, says that an individual residing in the vicinity of Fairview, Hancock county, Va., who had suffered his oats to stand out longer than his neighbors thought advisable, was surprised recently, to find them stacked early on Sunday morning last in his field—all except a few shocks. The job was done in a workmanlike manner, and no particular harm done; but who did it remains a mystery. A good neighborhood that.

SMOOTHED DOWN.—A German named Louis Lang, made a complaint before Alderman Jones of the fifth Ward yesterday, against Robert McCook, who lives near the corner of Webster and Wayne, (on Grant's Hill,) for keeping a ferocious dog. Watts posted McCook's house, the dog jumped at him, and removed his teeth in his first attempt. Warrant issued.

A MAN named Edward Robinson was arrested on Liberty street yesterday, by two of Alderman Jones' police, as a street beggar. When he was brought to the magistrate's office, he blubbered so horribly that the Alderman fined him $20.06 on details of which he was committed to jail for thirty-eight days.

OUT OF EXERCITUS CAMPS.—A party of young men from Washington have opened an encampment on Little Chartiers Creek, and disport their lithe forms in the fayre to their utmost glory and cleer to every day. Why not prosper for all on Tar Creek and the many other streets in the city? Well, I guess, where, it is said, there exists strong attachment of the oleaginous deposit?

MARYSVILLE YOUNG LADIES' INSTITUTE, PITTSFIELD, Mass.—We would call the particular attention of parents and guardians to the advertisement of this old and highly celebrated school. It is a thorough establishment in every respect, and affords every facility for a complete intellectual, moral, and physical education. See advertisement in another column.

THE German Gazetteer of Lawrenceville and vicinity are about erecting a new church. The site for the building has already been purchased at a cost of $1,400, and means are now being used to raise sufficient to put up the edifice.

THE population of Erie now set to be 11,119, being a thousand more than had been anticipated. In 1850, the town had only 6,860 inhabitants, so that in ten years it has very nearly doubled, the last having 6,307.

SMOKE HOUSE.—There were 12 commitments to the Penitentiary. Of these 8 were for drunkenness, 2 for disorderly conduct, 1 for larceny, and 1 for counterfeiting.

A MAN named Wm. Hughes, was arrested by Officer Watts, on the charge of stealing a horse and buggy from Mr. Wm. Hamilton, of Allegheny. He was committed to jail to await a hearing.

THE ZOUAVES.—The new company of Zouaves now being formed in this city, held a meeting last night in the armory of the Duquesne Greys, on Fourth street, for the purpose of electing permanent civil officers. The following gentlemen were elected: President, R. Miller, Jr.; Secretary, E. D. Hazeltine, Jr.; Treasurer, W. E. De Barrenne; Board of Auditors, C. C. Balsley, G. W. Tanner and H. S. Campbell. There were about forty-four members in attendance last night, though there are double that number in the company. The organization promises to become one of the institutions of the city. The election for military officers comes off in the presence of the Brigade Inspector, Maj. Hays, some time in the early part of next week.

DISORDERLY CONDUCT.—John Kountzler and a man named Galvin, were arrested by the police last night and locked up in the tombs for disorderly conduct. They went into Walnut Hall, a restaurant on Fifth street, to buy a watermelon. As soon as they saw one which pleased them, they started off with it without paying for it. The proprietor threatening to sue them, they came back and, after knocking him and his wife down, (who was standing by,) commenced smashing a lot of melons and finally broke several panes of glass in the windows. Mr. Hopkins will lodge an information against them this morning for assault and battery.—They were both drunk at the time.

THE LATEST NEWS.

BY TELEGRAPH.

RECEIVED AT THE DAILY GAZETTE OFFICE.

WASHINGTON, Aug. 17.—A letter received here from El Paso, dated July 29th, says that the Church party has taken possession of the capitol of Chihuahua, and the Governor, who belongs to the Liberal party, with all his Cabinet, retired here yesterday, where he intends to make his last stand. M. Cordero and many of the wealthy citizens of that State, compelled him, at all running from the General of the Church party.

The steamship Richmond, now fitting out, will probably be the flag ship of the Home Squadron.

No complete returns from any census districts have yet been received. In cases where Marshals have asked for further time, additional aid has been granted.

The President left here this afternoon for several weeks sojourn at Bedford Springs.

The garrison of Fort Kearney having been greatly reduced by strong detachments sent to the Pawnee Reserve to quell the Indian disturbance, it is immediately to be strengthened by all the available infantry recruits now at Jefferson barracks.

According to the news from Texas published in the New Orleans papers of Tuesday last, the excitement appears to be on the increase. A young man has been hung for giving stricknine to the slaves to put into the wells. Another man, a preacher, was similarly treated for being a Hye Abolitionist. Two others were hung for inducing the slaved to an insurrection. These events were in different parts of the State. Frequent incendiary and poisoning attempts are reported. Although the town of Henderson was nearly consumed by fire, the people put no faith in the reported conspiracy and neglected to appoint a patrol.

WASHINGTON, Aug. 17.—Governor Stevens, chairman of the Breckinridge Executive Committee, received a letter from Mr. Breckinridge, of such a character as to remove him in giving an emphatic contradiction to all rumors of his desire to be relieved from his position as a candidate for the Presidency. The committee have just begun sending out an address to the Democracy and to the people of the United States, mainly in reply to that of the Douglas Executive Committee.

The President contemplates leaving Washington to-day for Bedford.

WASHINGTON, Aug. 17.—A special dispatch from Staunton to the Alexandria Gazette says that during the afternoon session of the Douglas Convention several propositions were made for a compromise with the Breckinridge Convention, but they were rejected by overwhelming majorities. The Convention adjourned till to-day, without action. Duncan McRae spoke to a large crowd in Staunton last night.

CHILLICOTHE, Ohio, Aug. 17.—The Bell and Everett State Convention met yesterday and nominated a full electoral ticket, and candidates for Attorney-General and a member of the Board of Public Works. No nomination was made for Supreme Judge. Resolutions condemning the conduct of the Republican party of Ohio in their efforts to nullify the laws through the agency of the Supreme Court; that their repudiation of Judge Swan for sustaining the Fugitive Slave Law, and their renomination of Judge Brinkerhoff, merits the rebuke of a law abiding people, and that every conservative Union man should go vote as to secure the defeat of Judge Brinkerhoff. Speeches were made by Col. Vantrump, Hon. L. D. Campbell and Gen. Leslie Combs.

MAUCH CHUNK, Aug. 16.—Col. Andrew G. Curtin addressed one of the largest political meetings ever held in Carbon county, last evening. It was held in the public square here, and the Court House being insufficient to contain the vast crowd. A grand display was made by the Mauch Chunk Invincibles, who were out in uniform, and there were also large delegations from every portion of the county. The Summit Hill delegation was immense. Col. Curtin held the attention of the concourse for upwards of one hour, and was followed by Messrs. Penniman, of Wayne county, and Gregory, of Lehigh. The meeting for Lincoln and Curtin up here among the mountains is enthusiastic.

SYRACUSE, Aug. 17.—The New York State Douglas Convention adjourned *sine die* last night, after selecting a fusion Douglas and Bell electoral ticket. Speeches were accepted declaring that nothing will prove so disastrous to the peace and integrity of the Union as the election of Abraham Lincoln, the sectional candidate of the Republicans, and recommending to conservative citizens to secure his defeat by withholding from him the thirty-five electoral votes of New York, and to give their support to the electoral ticket presented by this Convention.

HOOSICK FALLS, N. Y., Aug. 17.—The five great sewing machine suits of Potter and Wheeler and Grover and Baker against George B. Sloat, John B. Haviland, James G. Wilson and others, which last summer were argued before Justices Nelson and Smalley, by Messrs. Gifford & Slaughton, have been decided against the defendants on all the points fully sustaining Allen B. Wilson's feed wheel patents. Perpetual injunctions have been ordered.

LANCASTER, Aug. 17.—The County Convention of the People's party adjourned last night, after a harmonious session of two days, having nominated a full ticket, with the Hon. Thaddeus Stevens, by acclamation, for Congress. Upon the second ballot, John A. Hustand and W. Hamilton were nominated for the State Senate.

STAUNTON, Va., Aug. 17.—The Douglas Convention adopted a resolution inviting Douglas to Virginia. A proposition was received from the Breckinridge Convention for the appointment of committee of conference. There seemed to be no disposition to entertain it.

JEFFERSON CITY, Aug. 17.—While the convicts were at work on the Capitol grounds yesterday, three of their number concealed themselves and quietly and unobservedly escaped. We have not learned whether any have been re-taken.

NEW ORLEANS, Aug. 17.—The Breckinridge and Lane ratification meeting held here was one of the largest of the season. Ex-Governor McKae of Miss. and others spoke. The people were disappointed by the non-arrival of Yancey.

BALTIMORE, Aug. 17.—The Maryland Douglas Convention selected a full Douglas electoral ticket. The Douglas Virginia Convention assembled at Staunton and elected a full electoral ticket.

CHARLOTTESVILLE, Aug. 17.—A resolution was adopted by the Breckinridge Convention endorsing the Charleston platform, excepting the portion relating to the Pacific Rail Road and Cuba.

CHICAGO, Aug. 17.—The Bell and Everett State Convention met at Decatur yesterday and nominated a full State and electoral ticket. No platform resolutions were adopted.

SHINGLES.—The shingle market is very dull just now, and prices have a declining tendency. This decline is attributed by a prominent dealer to the supply being more than equal to the demand; but the real cause may be found in the fact that the demand is not so great as in former years, shingle roofs not being thought of, when "Gregory's celebrated Asphalt Roofing Felt" can be obtained. The agent for this excellent material can be found at his office, Laughlin's building, Canal bank, near the city Water Works.

☞ We call the attention of our readers to an article advertised in another column, called BLOOD FOOD. It is an entirely new discovery, and must not be confounded with any of the numerous patent medicines of the day. It is *Food for the Blood* already prepared for absorption pleasant to the taste, natural in action, and what one gains, he retains. Let all those, then, who are suffering from poverty, impurity or *bad* state of the blood, and consequently with some chronic disease or ailment, take of this Blood Food and be restored to health. We notice that our Druggists have received a supply of this article, and also of the world renowned DR. MATON'S INFANTILE CORDIAL, which every mother should have. It contains no narcotic or opiate of any kind whatever, and is therefore invaluable for all infantile complaints. It will relieve all pain, and act on the gums in process of teething, and at the same time regulate the bowels. Took all mothers and nurses, who have endured anxious days and sleepless nights, procure a supply, and be at once relieved.

Prepared only by DR. GEO. H. KEYSER, Agent, 140 Wood st., Pittsburgh, Pa. sel7tf&wSw7

HOMEWARD BOUND COMMERCIAL.

THE Marquette (Lake Superior) Journal thus notices the mining prospects of the present season in that vicinity:

The season's ore drop bids fair to be quite abundant this year. Notwithstanding there was a little delay in the opening of the spring business, the shipments of ore thus far have considerably more than doubled on those of last year at the corresponding period, being 87,000 this year to 40,000 last, an amount of 9000 tons already over the entire shipments of last year, which was 78,000 tons. And the season so yet has scarcely half passed away. With the continuance of good luck, we should not be surprised if the shipments of the season should amount up to 175,000.

RIVER NEWS.

The river continues nearly steady, and last evening there was about four feet water in the channel. The steamers Cincinnati, and S. G. Baker from Wheeling were the only arrivals, while the Mary Sam for Cincinnati, and Liberty Hools for Marietta, constitute the departures. The weather yesterday was rather warm, but not suplement.

CINCINNATI, 10 o'clock, Saturday morning.—River 4 feet 2 inches and falling slowly. Weather clear and warm.

The Pennsylvania Herlocrats, from Marietta, and A. H. Sevrier, from Memphis, were the only arrivals outside of the local packets. The Hudson for Pittsburgh, Louisville and Memphis, for St. Louis, were the only departures. ——The Emma and Atlantic for Parkersburgh, Ben. Lewis, Rose, Douglass from Memphis, and Fred Tron, from Wheeling, were the only arrivals. The Memphis, Upper Mississippi steamer War Eagle has been partially laid up for repairs, and will be ready for use in a few days. As will be remembered, in the early part of the season she left her upper deck and deck room off by a tornado; and when at leaving the wharf at Memphis, the boilers were found to be shore, and was obliged to rehip her cargo and return down the river for repairs. The Bingo opened its sailing the City of Memphis off the bar at Greenville, on the 14th, and reports the River Ware aground at Smithtown when she passed up.
