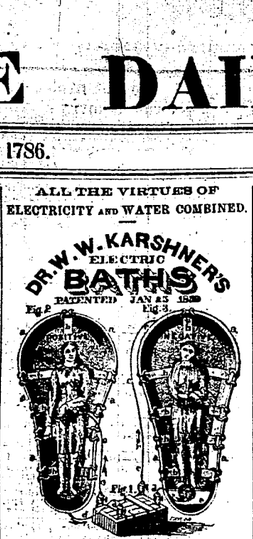
ALL THE VIRTUES OF

ELECTRICITY AND WATER COMBINED.

DR. W. W. KARSHNER'S ELECTRIC BATHS

PATENTED JAN 23 1859



THE above cut is a representation of DR. KARSHNER'S POSITIVE AND NEGATIVE ELECTRO-THERAPEUTIC BATHS, for which he has obtained letters patent from the Patent Office of the United States. These Baths have been in successful operation for the last two years, in many of our principal towns and cities, during which time hundreds of patients have tested their astonishing powers with *signal success.* Dr. K. challenges the entire medical world to produce any *one system or combined set of* systems, that will cure as many diseases, and in so short a time, as his Electric Baths cleans, when rightly administered. The scientific minds of all professions are cordially invited to call, examine and test for themselves

The duration of each Bath, the temperature of the water, and the strength of the electric current, are varied according to the disease, the condition of the patient at the time, and the effects desired. The water is about blood heat, and the electricity so graduated as to produce nothing but pleasurable sensations.

There is no class of Diseases, either Acute or Chronic, to which they are not adapted—which do not yield at once to their all pervading and health-restoring influences. The aged and decrepid have been led, voluntarily, to testify that they felt many years younger, and slept better than they had done for years. Others have been cured of painful diseases in a few Baths.

Nor do their healthful effects seem to be confined solely to the physical man; they have an equally happy influence upon the mental faculties, making them a most efficient means in the treatment of Insanity and all abnormal mental conditions.

Among the diseases successfully treated by Dr. K.'s Baths are: Incipient Consumption, Scrofula, Paralysis, Epilepsy, (Fits,) Insanity, Delirium Tremens, St. Vitus' Dance, Curvature of the Spine, Rheumatism, Mercurial Disease, Weakness in the Back and Joints, Nervousness, Nervous Headache, Asthma, Bronchitis, Catarrh, Weak Eyes, Partial Deafness, Dyspepsia, Gravel and other Urinary and Genital Diseases, Falling of the Womb, Leucorrhea, and other Female Derangements, Fever, Fever and Ague, etc. etc.

Dr. K. has had a long and successful operation at

THE BEST IN THE WORLD.—"The Steinway Piano which I purchased of you in March, 1856, has now been so long in use that I feel no hesitation in saying that it has proved to be all you represented, and given us the most unalloyed satisfaction. For volume, sweetness and brilliancy of tone, I cannot say that I have ever heard its superior, and I believe that it will become the most popular instrument of the day. A great number of pianos have been sold, and I have never yet witnessed the greatest admiration of its merits. As it has been introduced into the West, recently, if this testimonial will add to the number of your patrons, state you are agents for the sale of these instruments, you are at liberty to make use of it at your pleasure. TWO FABLES.—These are fabulous times, as the following fables prove. Who shall say that all the Æsops are dead?

A FABLE.—Three armed travellers were passing along in the desert, at some distance from each other, and apparently having no communication together. One from his head gear seemed a Parsee, the second was evidently a Jew, while the third showed all the marks of a European. Suddenly a monstrous serpent was seen, not very far off, advancing furiously towards them. All were horrified; and the Parsee and Jew, glancing at the costume of one another and of the third traveller, seemed about making off in different directions. "Come, come," cried the European—"this will never do. If you fly thus, he will overtake us one after another, and when he has destroyed us all will return and devour us at his leisure. Let us unite our forces, forgetting differences now at least of no consequence, in the common danger. I will fire at him, as he comes within good gun-shot; you can then fall upon him with sword and spear; I too will help with the butt of my musket, and he will fall an easy prey." By this concerted action the three saved their lives.—*Boston Courier.*

ANOTHER FABLE.—As the Goddess of Liberty was journeying over a desert she was waylaid by three ruffians. One from his head gear seemed a Parsee, the second was evidently a wandering Jew, while the third appeared like an exiled squatter sovereign. It was the intention of these men to overcome and bind her, and then to sell her into slavery and divide the spoils. But after they had partially succeeded in their vile purposes they quarrelled among themselves, and while they were in hot dispute as to the respective share each was to receive, they were boldly attacked by an honest American laborer who chanced to pass that way with his axe on his shoulder, and seeing the Goddess of Liberty bound and bleeding, rushed upon and slew the ruffians and released her from her bonds. As a reward for his valor she made him President over her Republic of the United States of America, and all the land was filled with praises of his justice and honesty.—*Boston Atlas.*

REPUBLICAN CONGRESSIONAL NOMINATIONS IN OHIO.—The Republicans in nineteen out of the twenty-one Congressional districts of Ohio have nominated candidates for Congress. The sixth and eighteenth have yet to make their nominations. In the 18th, however, it is understood that Mr. Edgerton, the present talented and true representative will be re-nominated—the opposing candidates having withdrawn. The convention in that district will not be held until the 5th of September. The following are the nominations already made:

1. Oliver M. Spencer, Cincinnati;
2. John A. Gurley, Cincinnati;
3. Samuel Craighead, Dayton,
4. James H. Hart, Piqua, Miama Co.;
5. James M. Ashley, Toledo; Lucas Co.;
6. ——
7. Thomas Corwin, Lebanon;
8. Samuel Shellabarger, Springfield;
9. John Carey, Wyandotte Co;
10. Carey A. Trimble, Chillicothe;
11. V. B. Horton, Pomeroy, Seigs Co;
12. Samuel Galloway, Columbus;
13. John Sherman, Mansfield;
14. Harrison G. Blake, Medina;
15. Wm Helmick, Tuscarawas Co;
16. Wm. P. Cutler, Constitution, Wash., Co.;
17. Thos. C. Theaker, Bridgeport, Belmont Co;

20. John Hutchins, Trumbull Co.;
21. John A. Bingham, Cadiz, Harrison Co;

DISEASES OF DOUGLAS.—We find the following catalogue of the diseases which have interfered with the public duties of Mr. Douglas in one of our exchanges:

Where was Douglas when the Homestead Bill passed the Senate?

He had the gout.

Where was Douglas, when tribute of respect were paid to Broderick?

He had the pleurisy.

Where was Douglas, when the Davis resolutions passed the Senate?

He had the dysentery.

Where was Douglas, when the bill for the admission of Kansas came up in the Senate?

He had the bowel complaint

GOOD ADVICE.—A writer who has the use of the editorial columns of the Boston *Post*, is moved to give his Democratic brethern some novel but very good advice, as follows:

It is useless to talk about the impossibility of Lincoln being elected, and to laugh at the idea as absurd. Victory never yet was gained by underrating the strength of the enemy. It is useless to predict that such and such a State will inevitably go for a certain candidate; to make bets of large sums of money on the result of the election; to slander and blackguard all those who do not believe exactly as we do. All this has no weight with sensible men. It convinces no one. It is not what we want.

THE ARKANSAS ELECTION.—Col. Hindman of Arkansas is re-elected, notwithstanding his own concession, in a dispatch to Washington, that he had been beaten by Cypert. Later returns have settled the question. Mr. Gantt, also a Breckinridge Democrat, is elected in the other district of Arkansas.

The majority for Henry W. Rector, for Governor, over Johnson, (brother of the Senator,) is 3,000. Both the candidates are Breckinridge men, but Johnson had the regular nomination. There is no doubt that the Electoral vote of Arkansas will be given to Breckinridge and Lane.

MAINE.—The Republican nominations for Members of Congress are now complete. They are as follows:

First District.....John N. Goodwin.
Second District.....Charles W. Walton.
Third District.....S. C. Fessenden.
Fourth District.....Anson P. Morrill.
Fifth District.....John H. Rice.
Sixth District.....Frederick A. Pike.

It is said that when Mr. Douglas was at Rutland, Vt., and just as he was entering the hotel, a large Irish woman, rushed up and grabbed him in her arms, and kissed him.

We doubt the story, but it may be that the Milesian matron having heard of Stephen's long and unsuccessful search after his mother, thought it the duty of some motherly female to show him some affection.—*Boston Bee.*

DOUGLAS HUNTING HIS MOTHER IN NEW JERSEY. Mr. Douglas "spoke his piece" at Newark, New Jersey, on Wednesday the 22d. Nobody, however, had seen his mother in those parts, and Stephen was about to extend his rambles in search of his mother into Virginia, hoping that as she is the mother of Presidents he might find his there.

A. W. ATKINS, for several years Democratic Town Clerk, and A. D. Rork, Democratic Supervisor of Hastings, Barry county, have declared for Lincoln and Hamlin, as have also the following old Democrats of Ionia county:—J. S. Gage, H. Weeks, Joseph Tower, E. Patterson, John Murray, Wm Kelley, John Healy, and E. A. Russel.—*Detroit Tribune.*

JAMES FENIMORE HAMBLETON says of Secretary Cobb, in the *Confederacy*, that, "Prometheus-like, he stands chained to the rock of public inordinality, and with a fungus liver gorged to hepatization by federal aromatics, the Southern intiure of an outraged people revels at his discomfiture, and will feed with insatiable gusto upon his gloated carcass.

OHIO.—The Cleveland *Democrat* contradicts the report of the Toledo *Times*, that ex-senator Allen and Judge Thurman, of that state, have taken the stump for Douglas. It states that Judge Thurman not only is not out for Douglas but that he refused the nomination for attorney-general, tendered him by the July Douglas state convention.

BAGGS OUT.—It is stated that Hon J. Depeyster Ogden refuses to be a candidate for elector for President unless with a distinct understanding that he shall vote for John Bell and Edward Everett. If the Douglas men will support him on that lay, well and good; if not, he will insist on being counted out.—*N. Y. Com. Adv.*

R. B. STEVENSON, of Fulton county, Ill., an ex-member of the Ohio Legislature, and both in Ohio and Illinois a leading Democrat, has announced himself for Lincoln. He was until within a few weeks law partner of L. W. Ross, Democratic candidate for Lieutenant Governor of Illinois.

THE fact has been overlooked that one of the speakers at the great Republican meeting at Springfield, Ill., Gen. John Wilson Commissioner of the General Land Office under Mr. Fillmore, made a rousing speech for Lincoln and his principles.

THE Rochester Express speaks of the organization of an American Democratic-Believereti-Douglas Club in that city. What a mixture! A Chinese stew is nothing in comparison.

ONE of South Carolina, is in favor of a dissolution of the Union. "Oh" always was a dissolutive interjection.

POLITICS IN THE PULPIT.—The Chicago *Press and Tribune* publishes the following letter:

URBANA, Ill., Aug. 13, 1860.

The Catholic congregation of this place is now destitute of a regularly settled pastor, but the vacancy is supplied by occasional visits from a priest living at Kankakee. Yesterday this priest visited the congregation and informed them in his sermon that Mr. Douglas was a Catholic, and that they, the voters, must all support him as such. Catholics, who, no longer ago than Saturday, were undetermined as to their vote, this morning declare themselves for Douglas, and assign as a reason the assurances of their priest that Douglas is with them in the Popish faith.

Respectfully, J. O. C.

On Saturday evening last, the citizens of Auburn extemporized a serenade in honor of Senator Cameron, who was the guest of Senator Seward. Mr. C. alluded to the doubts which he had heard expressed regarding Pennsylvania. He desired to say that no possible combination of circumstances could wrest the vote of the Keystone State from Lincoln and Hamlin. That State had suffered more than any other in the Union from Democratic misrule. Her immense resources were undeveloped, her manufactories discouraged and kept down by sham Democracy. Under no contingency, therfore, could her people be induced to continue, for the next four years, an administration that ignored so completely the interests and welfare of Pennsylvania.

THERE is likely to be a general repudiation of the Hunt and Brooks auction sale at Syracuse. The Americans of Buffalo have set the ball in motion. It would require but very little effort to get the names of a thousand Americans to a Protest in this county. Nine tenths of those who have ever acted with that party themselves insulted by the impudent assumption of the self-constituted auctioneers that they could be sold like cattle in the shambles. In a town in this neighborhood, every man who ever acted with the American party is now out for Lincoln. Lincoln's *majority* in that town *will be double the Republican vote in '56.—Alb. Eve. Jour.*

In the borough of Knoxville, Tioga, county, Pa., there are sixty-five voters. Sixty-four of them are Lincoln men, and the lone Democrat is a Breckinridge man. Douglas is "skunked" in that borough. In the borough of Elkland, same county, there are eighty-six voters. Eighty-one of that number are for Lincoln, and the other five are split between Breckinridge and Douglas.

THE Cercle Crescent has a letter from a "Republican" in Madison, Ga., in which he says the principles of the Republican party are deepening and widening in old Mason, and he is satisfied that, with the proper effort they could poll for Lincoln and Hamlin some two or three hundred votes.

A WESTERN letter writer says that Carl Shurz will probably be the successor of Mr. Durfee in the U. S. Senate from Wisconsin.
