CHANGE OF ELECTION PLACES.—As will be seen by the Sheriff's Proclamation, in to-day's paper, the following changes of places for holding elections in this county have been made since the last election:

Fourth ward, Allegheny—First precinct, at the office of Alderman Derby; second precinct, at the tavern of Jacob Pack.

South Pittsburgh—At the house of Jacob Sansbury.

East Deer Township—At the School House at Bailey's Run.

Richland Township—At Bakerstown.

Grand Demonstration at Greensburg.

The Republican meeting at Greensburg on Tuesday was a glorious gathering. Although but few went from here, it was as large as the great meeting of 1856, and the enthusiasm was at fever heat. The meeting in the day-time was held in a beautiful grove, and the scene presented there was one that will long be remembered by those who witnessed it. Mr. GROW delivered an animated address, and gave great satisfaction to his hearers. Here, as at all disappointments in the west, Mr. Grow has made a most decided impression, and become a great favorite with all who have heard him. He was followed by Hon. THOS. WILLIAMS, of this city, who made a most excellent and eloquent speech, which did him infinite credit.

Col. CURTIN left Uniontown at 11 o'clock on Tuesday morning, arriving at Brinton's station about half-past four. Here a special train had been provided for him, which took him to Greensburg at about six. News having reached Greensburg that he was coming, an immense crowd was gathered to receive him, and he was greeted with the most enthusiastic welcome he has met anywhere in Pennsylvania. Cheer after cheer rent the air, and at every corner as he passed through the streets in an open carriage, the cheering was alike warm and enthusiastic.

In the evening the ground assembled in front of the Court House, covering the large stone stairway of that beautiful edifice and the whole street in front, presenting, in the light of the torches of the Wide Awakes, an enchanting scene. Col. Curtin spoke for a few minutes, being unable from hoarseness to speak long, and was followed by FRANCIS JORDAN, Esq., and Hon. John Covode. The Republicans of Westmoreland will rally to a man on Curtin. They are alive and active, united and firm, and Foster will have a much less majority than he anticipates.

ASSAULT AND BATTERY.—A German named John Herbsraeder made an information before Ald. Scott, yesterday, against George Bass and Peter Goodenburg, whom he alleges committed an assault upon his person without any cause or provocation. He says that while driving on the Plank Road, in the vicinity of Spring Garden, the defendants pulled him out of his wagon, struck him in the face, and then stoned him away from his wagon. The parties were arrested and held to bail for a further hearing, which was to take place last evening.

Another.—Joseph Jackson, a resident of the Fifth Ward, made a similar charge before Ald. Jones against J. O. S. Golden, who keeps a clothing store on Liberty street. It appears from the statement made by Jackson that while he was passing the establishment of Golden, he was accosted by the defendant, who caught him by the collar, jerked him in the store and asked him to purchase some clothing. Jackson protested against being handled so roughly, and stated that he did not wish to buy. At this, Golden became very indignant, and—Jackson says—struck him in the face. A warrant was issued and Golden arrested. After a hearing he was held to bail for his appearance at court.

REPUBLICAN MEETING.—A very large and enthusiastic meeting was held at Brady's Bend, Armstrong county, on Monday night. The Republicans of that section are wide awke, and the party is making large gains there.

A meeting was held on Monday night at Canmerville, which was very largely attended and the best feeling prevailed. Mr. McKnight and others spoke.

On Tuesday night a very fine meeting was held at Hope Church, Whitlin township, which was addressed by Messrs. Howard and Sutherland. A meeting was also held the same evening at Mansfield, but we did not hear who spoke.

BRING OUT THE VOTERS.—Blanche, of Allegheny, which was played to a good house last evening, will be repeated to-night. The new scenery and accessories are much praised, and the play itself, which was well sustained throughout, is pronounced a success.

The politicians will be afforded an opportunity of showing their strength to-morrow night. Tickets for the various Presidential nominees will be had at the door. Each lady and gentleman in passing through will select a ticket and deposit it in a ballot box. The vote will be scrupulously counted, and the result duly announced.

MOULDERS' MEETING.—The moulders held a meeting at the Republican Head Quarters last evening, for the purpose of making arrangements to turn out on the 27th. The meeting was well attended and the utmost harmony prevailed. Committees were selected from all the foundaries in the two cities and surrounding boroughs, and judging from the ardour manifested, they are determined not to be behind their fellow workmen on that occasion.

THE BARRATRY CASE.—The defendant in this prosecution was held for a hearing, which he will get this morning before the Mayor. If any developments are made by the evidence, the public will be advised of them. We yesterday saw a new act in the pamphlet laws of 1860 in reference to common barratry, by which it appears that the old act has been repassed in almost the same terms, a penalty, however, being added of a year's imprisonment and a fine of $100, or either or both.

ARRESTED.—In July last, an information was lodged against John Merriman and Jacob Merriman, charging them with committing an aggravating assault upon an inoffensive man living in Ohio township, where the Merrimen's reside. The latter, the son, is charged as principal and the former abettors. All efforts to arrest the son were unsuccessful until yesterday, when information was given to the Mayor by means of which his person was secured. He will probably be held for trial at the term of Quarter Sessions.

FOOT RACE.—A foot race took place on the Monongahela bridge on Tuesday evening, between Geo. Humes and Robert Johnston, for ten dollars a side. There was a large crowd present, the general impression being that the contest would be a close one; but it turned out anything else. Humes was beaten easily, but took the matter in the best of humor, and directed the stakes to be handed over the moment the race was run.

BASE BALL MATCH.—The third match between the single and married men of the Alleghany Base Ball Club, was played on the West Common on Tuesday, in the presence of a large concourse of spectators. The game was hotly contested, and resulted in favor of the married men by 2 runs only, thus winning two out of three matches played between them.

CALL ACCEPTED.—At a late meeting of the Westmoreland Presbytery of the United Presbyterian Church, a call from Sewickley and West Newton to Rev. W. L. M'Connell, was presented and accepted. The appointment for the installation is at West Newton, December 25th.

ALLEGHENIANS TURN OUT!—Meetings of the Republicans of the different wards in Allegheny City, we will be seen by a notice in our advertising columns, are called by the Executive Committee.

BANK CASE.—In the case of the City vs. the Banks, in the suits for the collection of Business TAX, Judge Hampton yesterday gave judgment for the city in the case stated before him.

PENN WARD ALLEGHENY.—Attention is called to a notice in our advertising columns of a Republican meeting this evening in the above ward.

OUR BOOK TABLE.

Harper.—We have received from Hunt & Miner the October number of this monthly. Its contents are the Quaker Widow, by Bayard Taylor; To Red River and Beyond; The Home and Grave of Byron; The Amoor and the Steppes; A Journey to the Land of the Moon; The Pearl Ring; Precognition; A Dinner at the Mayor's; Two Against One; King's Mountain; The Four Georgians—George III., by Thackeray, with many other articles which we have not room to mention. The magazine contains its usual quota of interesting reading.

Cosmopolitan Art Journal.—This periodical we have also received from Hunt & Miner. It is copiously illustrated, as usual; and the table of contents is quite attractive. We may indicate "Dora Swift and his Arrows, The Maiden of the Shield; Three Sketches of Virginia, Washington Irving on York Tokens," &c.

MESSRS. EDITORS GAZETTE.—I see calls for meetings of Republicans in various branches of business to turn out in the coming demonstration here on the 26th and 27th, (which, judging from present appearances, will eclipse any thing in its way seen in '56) I have not heard of any movement being made by our River men, who, it will be remembered, took such an active part in the last Convention held here, and formed one of the best features in it. Can they not let us hear from them at this time? All that is wanting is for some of them to blow the whistle (*the steam is up*) and I guarantee there will be no explosion.

I would suggest here that a meeting of our Steam Boat Men be called for Saturday evening at Republican Head Quarters, to adopt some form of action.

AN OLD STEAM BOAT MAN.

A PRIZE FIGHT STOPPED.—Thomas Buckley, otherwise called the "Limerick Boy," and a professional fighter named Jonas Fox, having arranged for a prize fight to come off in this vicinity, were arrested and taken before Mayor Wilson yesterday, and held in bonds of $500 each, to keep the peace.

THE Butchers held a meeting at the Republican Head Quarters last evening to make further arrangements about turning out on the 27th. After the transaction of some business, which was of no importance to the public, they adjourned to meet at the Sestin House at an early day.

MAN KILLED.—A melancholy casualty happened yesterday morning on the farm of Mr. Andrew Ekey, a couple of miles south west of this city, adjoining the England farm. A number of persons were engaged in threshing out grain, when the cylinder of the machine burst, and one of the spikes or cogs passed through the head of a young man named George Maple, killing him instantly.—*Steub. Herald*

SHINGLES.—The shingle market is very dull just now, and prices have a declining tendency. This decline is attributed by a number to the supply being more than equal to the demand, but the real cause may be found in the fact that the demand is not so great as in former years, shingle roofs not being thought of when "Morgison's celebrated Asphalt Roofing Felt" can be obtained. The agent for this excellent material can be found at his office, Laughlin's building, Canal bank, near the city Water Works.

REPUBLICAN Song Books. Nos. 1 and 2; price 10c; Burleigh's Republican Song Books; price 10c; Young Men's Republican Vocalist; price 8c; Wide Awake Vocalist; price 10c; Lives of Lincoln and Hamlin, 12 mo. cloth, $1; paper, 25c;

Greeley & Cleaveland's Political Text Book, $1; Debates of Lincoln and Douglas; cloth 50 cents; stitched 25 cents.

All kinds of portraits of Lincoln and Hamlin; Medals, various kinds, with portraits of Lincoln and Hamlin.

All campaign documents can be had at Hunt & Miner's, 71 and 73 Fifth street.

☞ We call the attention of our readers to an article advertised in another column, called BLOOD CORDIAL. It is an entirely new discovery, and does not conflict with any of the numerous patent medicines of the day. It is *Food for the Blood* already prepared for absorption; pleasant to the taste and natural in action, and consequently safe in all cases. Let all those, then, who are suffering from poverty, impurity or debility of blood, and whose systems are clogged with some chronic disease or ailment, take of the Blood Food and be restored to health. We notice that our Druggists have received a supply of this valuable CORDIAL, which every medical man should have.

☞ SPECIAL NOTICES.—Those wishing to purchase Lots in the new and beautiful Cemetery of ALLEGHENY, will please call at the office of the Company, on Fifth street, near the Water Works, and will be promptly attended to.

GUM BELTING.

THE subscriber requests the attention of buyers of this article for the following reasons:

1st. The GUM BELTING has strength adapted to its purposes; it has a perfectly smooth and even surface, and will always run straight with a close bearing on the pulleys.

2d. It will stand heat of 300 degrees Fahrenheit, without being affected, and the severest cold will not diminish its pliability.

3d. It can constantly be used in damp places, or be exposed to the weather without injury.

THE LATEST NEWS.

BY TELEGRAPH.

RECEIVED AT THE DAILY GAZETTE OFFICE.

Further by the Europa.

HALIFAX, Sept. 19.—The following additional advices are furnished by the arrival of the steamer Europa.

There are four hundred insurgents engaged in the insurrection at Pozaro.

SARDINIA.—Three corps d'armee are about to be placed on a war footing. The Southern Railway is preparing for the extraordinary transport of troops.

AUSTRIA.—The Emperor received Counts Szechen and Appongy, who explained the rights of Hungary, and the Emperor pronounced himself favorable to the Hungarian programme.

Signor Cusada, the Spanish Minister to Sardinia, after a conference with Count Reychberg, at Vienna, has returned to Turin.

It is believed that the King of Naples will go to Austria instead of Spain.

Preparations are being made at the Imperial castle at Holzendorf, near Baden, for the reception of their Neapolitan Majesties.

On the departure of the Europa it was reported in reliable quarters that the British Government received a dispatch on the 8th, announcing that Garibaldi entered Naples in triumph on the 7th inst.

WASHINGTON, Sept. 19.—The Mobile papers of Sunday have been received. They contain a report of the damage done by the terrible storm of Saturday. A number of steamers and vessels were damaged. The sidewalks half way between Water and Royal streets, in Mobile, were covered with water, and several walls of buildings and warehouses fell from the effects of inundation. About forty thousand sacks of salt were destroyed. It is feared that a vast amount of damage was done to the vessels on the coast by the storm. The loss is estimated at $500,000.

The fire at Goodman's warehouse destroyed 3000 bales of cotton. Pomeroy & Marshals' lime warehouse was also destroyed. The fire burned with impunity, being inaccessible to the firemen.

PHILADELPHIA, Sept. 19.—A proposition was made to E. J. Haldeman, in behalf of the Douglas party, and H. M. Fuller in behalf of the Bell party, to W. H. Welsh of the Breckinridge party, that a joint electoral ticket be formed on the following basis:—Twelve men from the Reading ticket now on both the Douglas and Breckinridge tickets; ten Bell-Everett men, five additional from Reading ticket; said electors to be agreed upon by two of the three contracting parties. This proposition was declined by the Breckinridges. The Bell-Everett and Douglas State Committees will meet at Harrisburg on the 27th inst.

HARTFORD, Sept. 19.—In the U. S. Circuit Court, in the case of the Bank of Commerce vs. Adams' Express Co., the jury returned a verdict to-day for the defendants. The action was brought to recover the sum of $2,670 which was sent through the Express on the discount of forged notes. The Court held that an Express Company is not the insurer or guarantee of the genuineness of paper sent through it, and has the right to deliver the avails of a note to the party from whom it was received, even though the bank supposes it is sending the avails to some dis ehe.

CINCINNATI, Sept. 19.—Over twenty thousand people attended the National Fair, yesterday. The trial of exhibition in the ring was better than any previous day. The competition was spirited. The first premium of five hundred dollars for the best thoroughbred Stallion was taken by Bonnie Scotland, owned by Reber & King, of Lancaster, Ohio. The first premium for the best breeding stallion was taken by Stockbridge Chief, owned by Jos Cooper, Hamilton county, Ohio. There were 13 entries. The Fair closes to-morrow.

LANCASTER, Sept. 19.—The grand State Mass Meeting of the Republican party is now in progress. The meeting was organized by the election of Hon. Thaddeus Stevens President, assisted by a host of Vice Presidents and Secretaries. The committees were represented by large delegations of Wide Awakes and other clubs. About 30,000 people are present.

FORT SMITH, Sept. 19.—A fight took place here last evening between a party of Cherokees. The encounter was bloody. Knifes and pistols were used with murderous energy on both sides. Four men were killed and two others mortally wounded. The affair grew out of a family feud, which nothing but blood could reconcile.

NEW YORK, Sept. 19.—A man named Ricketts, who recently arrived from England, was robbed of a draft of £10,000.

The steamer Europa sailed at 3 o'clock this afternoon for Boston.

NEW YORK, Sept. 19.—The Douglas party in Texas have nominated a joint electoral ticket.

POTTSVILLE, Sept. 19.—In order to accommodate those wishing to participate in the mass meeting to be held at Pottsville on Saturday next, excursion tickets will be issued by the Philadelphia and Reading Railroad Co. at reduced rates, from all points, good for Saturday, Sunday and Monday.

MOBILE, Sept. 19.—The recent storm has flooded a third part of the city, causing a loss of about a million dollars. Among the disasters to the shipping was the wreck of the ship R. H. Dixey, in Mobile Bay. Sixteen lives were lost, including Capt. Dixey.

SARNIA, Sept. 19.—The propeller Wabash Valley, bound to Chicago, collided with a propeller whose name was unknown, on Sunday, near Thunder Bay Islands. She was run ashore to prevent her from sinking.

BOSTON, Sept. 19.—G. F. Bailey, of Fitchburg, was nominated for Congress by the Republican Convention of the Ninth district, to-day in place of Hon. Eli Thayer.

Educational.

☞ THE FALL TERM OF H. WILLIAMS' Classical and Commercial School, No. 72 St. Clair street, will commence on MONDAY, Sept. 24, 1860.

TERMS—$11 per scholar per quarter of 11 weeks, in advance.

TESTIMONY OF FORMER PATRONS.

I take great pleasure in saying that Mr. H. Williams is an excellent teacher, intelligent, discreet and faithful. It is a profession to which he is wholly devoted, and to which he applies much energy and an ardent enthusiasm, but a remarkable conscientiousness, in which, I can safely concur with my own knowledge, parents and patrons may fully confide.

WM. TAGG SEMBERY, April 20th, 1850.

I cheerfully concur in the above statement and recommendation.

His method of teaching and managing his pupils is not surpassed by any that I have known at any time.

D. KLINGE.

Teaching is a profession for which he is peculiarly fitted.

B. M. SPARES.

Within the range of my acquaintance, he has no superior.

JOSEPH P. GAZZAM.

He is one of the best teachers under whom I have ever had my sons.

JOHN B. WARDEN.

TESTIMONY OF FORMER PUPILS.

I often feel that I was more benefited by Mr. Williams' daily than by any I ever received.

Philadelphia, July 7, 1860. HUGH W. TEMPLE.

Untiring industry, earnestness and scholarly ability, were characteristics which never made him successful in imparting instruction and popular while with his pupils and their parents.

W. G. JOHNSTON.

I can most cordially subscribe to the foregoing as being true to its letter.

He has, in my opinion, no superior in the profession. He has the happy faculty of exciting a friendly emulation among his pupils, which tends so much to their progress.

JAMES M'BRIDE.

More is due to him than I can ever repay.

ALEX. COWLEY.

TESTIMONY OF FELLOW TEACHERS.

He is the counselor of the teachers, the one to whom all of us look for advice and instruction. JOHN J. WOLCOTT.

I concur most cordially with the above.

LEONARD H. EATON.

I cheerfully concur in the opinion expressed above.

D. DASHIELL.

I take pleasure in giving it as my opinion that the foregoing recommendation is fully merited. A. BURNY.

I know of no teacher who deserves higher testimony in his favor. H. N. AVERY.

I fully concur in the above recommendations

D. DASHIELL.

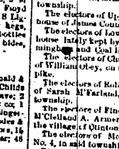
Soyer's Sultana Sauce,

FOR HOT AND COLD DISHES OF ALL KINDS.



This most delicious and appetising Sauce, invented by the renowned "SOYER," of the London Reform Club, is, since its decease, manufactured by the well-known house of CROSSE & BLACKWELL, London, from the original recipe. It is the favorite Sauce in England, and on the Continent, with a high and growing reputation among American Epicures, and is much approved of as a stimulant to the appetite and aid to digestion.

OPINIONS OF THE LONDON PRESS.

"We recommend our correspondent to try Mons. SOYER'S new Sauce, entitled the 'Sultana's Sauce.' It is made after the Turkish recipe; its flavor is excellent, and it affords considerable aid in case of SLOW AND WEAK DIGESTION."—*The Lancet.*

"Savory, Piquant and Spicy, worthy the genius of Soyer," —*Observer.*

"A most valuable adjunct to Fish, Flesh and Fowl, and should have a place on every table."—*Atlas.*
