ELECTROPATHY.
PROFESSOR A. S. GREGORY and J. GOUDIER, M. D., have associated themselves together in the practice of their profession, the healing Electropathy and Hydropathy with a
MEDICAL DEPARTMENT.
They have their establishment supplied with a new set of ELECTRIC BATHS, which are superior to any now in use. The water used is of an intermediate, and the electric currents are graduated so that the patient, in receiving the benefits of these remedial agents, experience no unpleasant sensation. This system of treatment is among the safest, most effectual and least objectionable in existence, soothes nervous irritation, and restores a healthy balance to all disordered functions. This medicine for the poor will be compounded and put up at their office under the immediate care of Dr. GOUDIER, who has had twenty years experience in treating diseases.
The following synonyms of the diseases that yield to their treatment:
Palsy or Paralysis, Incipient Consumption, Rheumatism, both Acute and Chronic, Neuralgia, Headache, Torpid Liver, Bronchitis, Catarrh, Asthma, Weakness and Derangement of the Spine, Scrofula, Impotency, Gravel, Diabetes, Dropsy, Diseases caused by Paralysis, Ringing in the Ears, Amaurosis, Gout, Hemorrhoids or Piles, Female Weakness and Irregularities, General Debility, Derangements of the Nervous System, &c., &c., and all Diseases of the Bowels, Fever and Ague, and Asthma, (generally) Cured without the Knife.
In addition to their office treatment, they carry on attending to a GENERAL PRACTICE. All calls in the city and vicinity visited promptly attend. a. Letters containing money for postage will be attended to immediately, and if more is required, FIVE DOLLARS must be sent, for which they will send a letter to any part of the United States.

Quack Nostrums.

THE NEW YORK DAY BOOK says:
"The majority of Hair Washes, Hair Dyes, Hair Tonics, Hair Oils, and the numberless preparations which are now before the public under such alluring and tempting labels and fantastic titles as we are parading in show windows north, and newspaper headlines, as hair preparations are all humbugs of the first water; their real merit, when they possess any, is that they do no harm. BOG'S LARD, WILLIAMS' OIL, LARD OIL, SWEET OIL, scented and colored, make up, when in beautiful wrappers and white flint glass bottles, the costliest character of tonics and when they are costly, are imported with some high-falutin name, and caught at by verdant young and old of both sexes. Such is not the character of Professor Wood's Hair Restorative. The gentleman comes before the world without any "high falutin" Xilophistorian, or any other astounding and startling catch-penny terms. He simply proclaims a *Hair Restoration*—what it expresses previously—and as a Restorative it acts. Buy Professor Wood's Hair Restorative, and as you value your scalp, eye, ear very brains, apply nothing else, for it may be that you will get some worse substance than perfumed lard oil on your cranium. Roberts' Restorative for the Hair is the best article extant."

It Will, by Nature's own Process,
Restore Gray Hairs to the Original Color,
Will make Hair Grow on Bald Heads,
Will restore the Natural Secretions,
Will remove at once all Itching,
Will remove all Dandruff,
Will cure all sores on the face or even Scald Head,
Will make the Hair Soft and Glossy,
Will make the old appear young again,
Will preserve the Color of Hair to old age,
Will always Fasten it and stop its Falling,
And is one of the best Toilet Articles for the Hair now in use.
