THE NEW YORK DAY BOOK says:
"The majority of Hair Washes, Hair Dyes, Hair Tonics, Hair Oils, and the numberless preparations, which are now before the public under such extravagant, hyperbolical and fantastic titles as we see paraded in our handbills, show cards, and newspaper headings, as hair preparations, profess all manner of things, and swear their real merit, when they possess any, is, that they do no harm. HOWARD'S LARD, WHALE OIL, LARD OIL, SWEET OIL, pointed and colorless, will make up, when the bottle is shaken, and applied to the flat glass bottles, the costliest character of, to-day, and to-morrow costly, are baptized with some triquilatic term, and handed out by wonder-loving men of dollar notoriety. Such is not the character of Professor Wood's Hair Restorative. That gentleman comes before the world without any high falutin' Xilophicalorism, or any other confounding, and startling catchpenny terms; he simply advertises a *Hair Restorative*—he finds it prepared, and proves it to be a Restorative it acts. Buy Professor Wood's Hair Restorative, and as you value your scalp, eye, your very brains, apply nothing else for it may be that you will not have the opportunity to season them perfumed lard oil on your cranium. Remember, Wood's Restorative for the Hair is the best article extant."

It Will, by Nature's Own Process, Restore Gray Hair to the Original Color, Whether Age or Disease has Turned Hair Gray, Sandy or Red.
It will restore the Beautiful Brown or Rich Black, in a few days, as certain as nature will change it.
It will restore Life, Strength and Vigor to the Hair.
It will cure all eruptions—Dandruff, Salt Rheum, Scurf and Baldness.
It will make Hair grow upon bald heads.
It will make Hair stop falling out, and prevent it from falling off after a few days' use.
It will preserve the Color of Hair to old age.
It will always keep the Hair soft, pliable and glossy.
And more of the best Toilet Article for the Hair now in use.

PITTSBURGH:
FRIDAY MORNING, DEC. 14.

SAD NEWS FROM SYRIA.—The Boston *Traveller* of Saturday has further particulars of the sufferings of the Syrian Christians. The President of the Anglo American Relief Committee has issued a second appeal to the American and British public. It closes as follows:

"The prospect is simply appalling. Already our lists of daily recipients have risen to 27,000, and yet they grow, despite our utmost efforts to relieve them. Merely to supply food to those 27,000 on the lowest scale that will sustain life, for three months to come, (until harvest begins,) will cost £20,000. But food is not all that must be provided. Many thousands will be required to furnish shelter, clothes, bedding, medicines, physicians, hospitals, and all the machinery necessary for these operations even when conducted on the most economical scale possible.

"The Committee see, with serious solicitude, that the existing operations of all kinds require an outlay of not less than fifteen hundred pounds a week. Should they be continued at this rate for the coming six months, the largest sum of £39,000 will be needed. But we dare not conceal our apprehensions that during the severities of winter the rate of expenditure ought to be and must be considerably higher. Will the public ask why? Take two cases as illustrations of the nature and extent of our operations. A member of our committee visited last week two villages on Lebanon with the purpose of reducing the number of poor on our daily lists. In one he found that the number of souls before the war was 512; killed in the war, 5; died since from want and exposure, 42. One-sixth of the remainder were sick.

In the other village the original number was 330; killed in the war, 1; died since, 48; one-fourth of the remainder sick. The houses were all burnt, the people sleeping on the ground. He found only seven beds amongst them all. Such was their condition in this present season of the year. What can they and thousands like them do when our pitiless storms come but perish, or flee down to Beirut for help? Will the friends of humanity throughout the world sustain the Committee in this great and prolonged effort to save from destruction these poor people? Help must come promptly, steadily and largely, or our distribution must cease in mid-winter, and then the destruction of the Christian communities of this land, commenced by Moslem fanaticism, Druze ferocity, and the treachery of Turkish Pashas, will be completed by cold and nakedness, disease and famine."

"LAND OF THE BRAVE, AND HOME OF THE FREE."—This is undoubtedly a great and glorious country. If any one doubts it, let them read the following paragraphs from a Texas 'Democratic' paper:

"At Waco, on the 15th, great gratification was expressed at the news from the Southern States. An effigy of Lincoln was carried through the town on a rail, cheerfully borne by twenty-one grocers, and followed by a crowd, hissing and shouting anathemas; a scaffold was raised on the public square, the effigy hung, and then burned.

"*Then men were hung in Coryell county on the 7th for voting for Lincoln and Hamlin.*—*Galveston News*

INSANITY OF A GREAT RUSSIAN OFFICIAL.—A Paris correspondent of the Boston *Traveller* sends the following important announcement:

Prince Orloff, he who saved the life of the Emperor Nicholas at the time of the great insurrection; and the signer of the treaty of peace at Paris, after the Crimean war, has gone crazy, and is kept in a straight jacket in his own palace. The radical change wrought in Russia by the present Emperor is said to have a part in superinducing this derangement. Revolutions, even peaceful revolutions, always have victims.

EDICT AGAINST LYNCHING.—The frequent lynchings in Savannah, Ga., have at last attracted the attention of the mayor and common council of that place, who denounce such proceedings as lawless and subversive of good order and security. A reward of one hundred dollars is offered for the apprehension and conviction of parties implicated in such outrages. The Savannah *Republican* approves of the proclamation, and says that the oldest, wisest and best citizens of Savannah condemn the course of the vigilance committees.

OPPOSITION TO THE ENEMY BY A FLANK MOVEMENT.—The Washington correspondent of the Cincinnati *Commercial* says a new scheme is talked of by which a flank movement will astonish the Southern Confederacy.

A prominent Republican member astonished Southern gentlemen by intimating that when the South moves in the march of dissolution, the Republicans, after Lincoln is inaugurated, will acquire Mexico by treaty and flank the Southern confederacy by free States.

It is stated, as a singular fact, that, for the first time in twenty years, wolves are now showing themselves in the Aroostook region, Me. Previous to 1840, they were very abundant there. It is a singular fact, also, says the Albany *Journal*, that, for the first time "within the memory of man," the Prairie Fowl is showing itself at several points in Michigan. A great many bracs have been killed the present season within 20 miles of Detroit.

THE New Orleans *True Delta* charges that the 69-called Vigilance Committee of that city, who make it an especial duty to hunt down wandering Abolitionists from the North, is bogus; and that it consists of an irresponsible mob, who take advantage of the excitement of the times to levy black mail on respectable citizens. The *Delta* intimates that unless "roughs" can thrash themselves a genuine, *bona fide*, Vigilance Committee will be formed, which will deal about as harshly with these black mailers as with the Abolitionists.

In a letter from Perugia, of the 25th, it is stated, that the General Commissioner of Piedmont, in this place, is about to promulgate the Sardinian law on Convents. That law commands the suppression of all such establishments as are of no utility, and only retains those in which public instruction is given, or in which the sick are tended.

A VIENNA letter of the 11th says:—"So heavy is the fall of snow and so great the drift, that we have been cut off from all communication with the outer world during eight and forty hours, but this morning the three outstanding English mails came in.

THE Nashville *Banner* is authorized to state that the rumors in circulation as to the offer of a place to John Bell in Mr. Lincoln's Cabinet are without the slightest foundation. No intimation of such intention has been communicated to Mr. Bell, either by Mr. Lincoln himself or through any of his friends.

IT is a singular coincidence that by the official canvass of the votes in New Hampshire, the Bell and Everett electors receive precisely the same number of votes that Fillmore did in 1856—411.

A PARSON in Watertown, Conn., has been fined for letting Canada thistles go to seed on his own land. The sentence seems a just one, as the thistle is one of the greatest annoyances of the farmer.
