Quack Nostrums.

THE NEW YORK DAY BOOK says: "The majority of Hair Washes, Hair Dyes, Hair Tonics, Hair Oils, and the numerous other preparations which are now in form the public under such extravagant, hyperbolical and fantastic titles as we see heralded to show window cards, and newspaper headlines, are but the catchpenny appeals to all humbugs of the first water; their real composition, if they possess any, is that they do no harm. HOPE'S HAIR OIL, LARD OIL, SWEET OIL, scented and uncolored, rank low, though beautiful wrappers and white flint glass bottles, the cheapest of looking and most attractive envelopes, may sometimes invigilate terms, and cause them to be bought; but common intelligence tells us that it is not the character of Professor Wood's Hair Restorative—that it expresses pre-eminently and as a matter of fact. Any Professor Wood's Hair Restorative, and as you value your scalp, save your very brains, supply nothing else for it may be that, you will get some purer substance than perfumed lard oil, and your confidence in Professor Wood's Restorative for the Hair is fixed as a matter of fact.

It Will, by Nature's own Process, Restore Gray Hair to the Original Color, Will make Hair Grow on Bald Heads, Will restore the Natural Secretions, Will remove at once all Dandruff, Will remove all Dandruff, Will cure all eruptions, Will make the Hair soft and silken, Will make the old appear young, Will preserve the Color of the Hair to Old Age, Will always Please, and Is the best and only Hair Dressing in use.

And in one of the best Toilet Articles for the Hair now in use.
