**Morning Edition E

WEDNESDAY MORNING, JAN., 16, 1861. out of it unscathed. BANK Bustantions -- We were among those

he public is, How long shall the Suspension A bill has been introduced into the Legislature receiving and paying out the notes of non specia paying banks, until the second Monday of Febry, 1862-a little over a year hence, and remitting the panalties already incurred. We are faith!" sound in their care.

resume as soon as they can: but it would seem wise to put off the day fixed by the legislature

for meanifecturers. A forced resumption, now, would compel them to press this paper for payment, instead of renewing it, and such forced payment would necessarily drive every manuacturer into a cessation of manufacturing operations maili the pressure was over. The workingmen, therefore, are directly interested in preserving the status quo; for although work is

than no work at all, These are troublous times, and it is impossiits dark recesses. The rules of ordinary judg. say that it was the ablest speech heard in these ment fail, here. Legislation as to the future, halls for many, many years. This complimate therefore, especially in matters so delicate as those especially in matters and delicate as bestowed upon it by all who heard it, Democrats those especially in matters and commerce, as well as Republicans, and we had much reason must pay some regard to the disturbed aspect to feal proud of Allegheny and her representati of the times and shape itself to suit, as far as possible. If a forced resumption by our own banks would add to the distress of the community, as it inevitably would, in our opinion, it Nicholis saked and obtained leave to record the ould be the madness of folly to attempt it.

We are aware that we are not taking the most

difficulty to the way of making small change. If the legislature would but pass a law author ising the Banks to receive currency in paymen of debts, at a limited rate of discount, but not to pay it out, all remaining difficulty would be obvisted. The rate of discount should be just enough to pay the expense of sending the ourremoy home for redemption in coin or exchange, pany was located in his distric', and he knew no and the community would thus be relieved in thing of it, he moved to postpone for the present the meaks of payment and obtain, in the end, which was agreed to, and the Senate adjourned. an improved currency.

DISURIORISTS IN PRESSTEVANIA.—The Dem coratio party of this State is unmistakably drift- rectors of Beallcaville, Washington county, ing to the Disunion side of the great question

now agitating the country. likely to be. Disuplonists: but that the party. under the lead of the present managers, is, aspection to the steamship Star of the by step, ranging itself against the friends of the West, in relation to this recent unsuccessful at by step, ranging itself against the friends of the Union, and marshalling its array in sympathy men and munitions,—we are compelled to regard the complete of with the Secessionists.
