THE NEW-YORK DAY BOOK says: "The majority of Hair Washes, Hair Dyes, Hair Tonics, Hair Oils, and the numberless preparations which are now before the public under such attractive guises, hyperbolical and fantastical titles as are paraded in show windows cards, and newspaper headlines, as hair preparations, are all humbugs of the first water; their real merit, when they possess any, is the last they do all harm. BURT'S LAIR WHALE OIL, LARD OIL, SWEET OIL, scented and colored, made up, when in beautiful wrapper and white flint glass bottles, the costliest character of humbug; and when this costly, are baptized with some ringtailed term, and bought at by weak young and old of both sexes. Such is not the character of Professor Wood's Hair Restorative. This gentleman comes before the world without any "high falutin" Xilopolistorium, or any other astounding and startling catchpenny terms; he simply advertises a *Hair Restorative*—what it supposes practically—and as a Restorative it acts. Buy Professor Wood's Hair Restorative, and as you value your scalp, eye, your very brains, apply nothing else; for it may be that you will get some worse substance than perfumed lard oil on your cranium. Remember, Wood's Restorative for the Hair is the best article extant."

It Will, by Nature's own Process, Restore Gray Hair to the Original Color, Will make Hair Grow on Bald Heads, Will restore the Natural Secretions, Will remove at once all itching, Will remove all Dandruff, Will cure all eruptions—even Scald Head, Will make the Hair Soft and Glossy, Will make the old appear young and gay, Will preserve the Color of Hair to old age, Will always Fasten it and stop its Falling. And is one of the best Toilet Articles for the Hair now in use.

DO YOU WANT WHISKERS? DO YOU WANT WHISKERS? DO YOU WANT A MUSTACHE? DO YOU WANT A MUSTACHE? BELLINGHAM'S CELEBRATED STIMULATING ONGUENT, For the Whiskers and Hair.

The subscribers take pleasure in announcing to the Citizens of the United States, that they have obtained the Agency for, and are now enabled to offer to the American public, the above justly celebrated and world renowned article.

THE STIMULATING ONGUENT is prepared by Dr. C. F. BELLINGHAM, an eminent physician of London, and is warranted to bring out a thick set of

WHISKERS OR A MUSTACHE in from three to six weeks. This article is the only one of the kind used by the French, and in London and Paris it is in universal use.

It is a beautiful, economical, soothing, yet stimulating compound, acting as if by magic upon the roots, causing a beautiful growth of luxuriant hair. If applied to the scalp, it will cure BALDNESS, and cause to spring up in place of the bald spots a fine growth of new hair. Applied according to directions, it will force red or sandy hair dark, and restore gray hair to its original color, leaving it soft, smooth and glossy. The "ONGUENT" is an indispensable article in every gentleman's toilet, and after one trial's use they would not for any consideration be without it.

The subscribers are the only Agents for the article in the United States, to whom all orders must be addressed.

Price One Dollar a box.—For sale by all Druggists and Dealers; or a box of the "ONGUENT" (warranted to have the desired effect) will be sent to any who desire it, by mail (direct,) securely packed, on receipt of price and postage, $1.10. Apply to or address

Pittsburgh Gazette.

PUBLISHED DAILY AND WEEKLY BY S. RIDDLE & CO., FIFTH STREET, ABOVE SMITHFIELD.

PITTSBURGH: WEDNESDAY MORNING, APRIL 3.

FROM WASHINGTON.

WASHINGTON, March 31st, 1861.

Orders have been made out by the Treasury department and forwarded to the principal cities on the Mississippi and Ohio rivers, instructing the surveyors at those ports to appraise all foreign imported goods which may arrive there without the duty having been previously collected on them. Under the present regulations the goods will remain in the custom-houses. These orders are said in some quarters to have the effect of making those places ports of entry without any special law of Congress.

A Western Senator had an interview with the President yesterday, and made a strong appeal in behalf of the people of his State in favor of collecting the revenue in all the seceded States.

The Postmaster of Allegheny complains bitterly of his left hand not allowing him the opportunity of traversing the country and seeing them all.

Jefferson Davis has ordered Lieut. Smith, one of the secessionists now here, to report himself with no money expectations and unwilling it thus Governor Pickens had of attacking Fort Sumter, which is invested by nearly 5,000 troops, and held by 70 men.—*N. Y. Tribune.*

The Forts at Tortugas and Key West having already been reinforced with troops from Texas, and with the supplies of the Commissioners and other secessionists now here, the administration policy seems to be to follow this work up by throwing troops into Fort Pickens at Pensacola, without delay, which will be done at whatever cost.—*N. Y. Herald.*

It is undoubtedly true that a decided pressure is brought to bear upon the Administration for the retention of Fort Sumter at all hazards. The resolution offered by Mr. Trumbull before the adjournment of the Senate, reflects the feeling of the great majority of the members from the Northwest. These and others have produced some effect, and the idea of reinforcement is now entertained in quarters which have hitherto regarded it as equally impracticable and unworthy of consideration.

The Cabinet have had several sittings upon the subject, and it is known that an energetic policy is strongly urged. The President reserves to himself the ultimate decision of this question, about which the Cabinet were, with one exception, unanimous two weeks ago. Different views have been recently presented, and not without leaving an impression favorable to the feasibility of introducing men and supplies.

Several leading naval officers express the belief that the batteries which guard the entrances to Charleston harbor might be run under steam without more than ordinary risk. They agree, however, that unless such an experiment could be successfully executed at night, the boats or tugs which might be used for this purpose would be exposed to the fire of Fort Moultrie, in its attempt to find, with respect, settle his claims to every consideration. At the same time, he resides in the district entitled to the office. mh27:te

DO YOU WANT WHISKERS? DO YOU WANT WHISKERS? DO YOU WANT A MUSTACHE? DO YOU WANT A MUSTACHE? BELLINGHAM'S CELEBRATED STIMULATING ONGUENT, For the Whiskers and Hair.

The subscribers take pleasure in announcing to the Citizens of the United States, that they have obtained the Agency for, and are now enabled to offer to the American public, the above justly celebrated and world renowned article.

THE STIMULATING ONGUENT is prepared by Dr. C. F. BELLINGHAM, an eminent physician of London, and is warranted to bring out a thick set of

WHISKERS OR A MUSTACHE in from three to six weeks. This article is the only one of the kind used by the French, and in London and Paris it is in universal use.

It is a beautiful, economical, soothing, yet stimulating compound, acting as if by magic upon the roots, causing a beautiful growth of luxuriant hair. If applied to the scalp, it will cure BALDNESS, and cause to spring up in place of the bald spots a fine growth of new hair. Applied according to directions, it will force red or sandy hair dark, and restore gray hair to its original color, leaving it soft, smooth and glossy. The "ONGUENT" is an indispensable article in every gentleman's toilet, and after one trial's use they would not for any consideration be without it.

The subscribers are the only Agents for the article in the United States, to whom all orders must be addressed.

Price One Dollar a box.—For sale by all Druggists and Dealers; or a box of the "ONGUENT" (warranted to have the desired effect) will be sent to any who desire it, by mail (direct,) securely packed, on receipt of price and postage, $1.10. Apply to or address
