THURSDAY MORNING, APRIL 18.

God Bless Our Native Land.

God bless our native land!
Firm may she ever stand,
Through storm and night!
When the wild tempests rave,
Ruler of wind and wave!
Do thou our country save,
By thy great might.

For her our prayers shall rise,
To God above the skies:
On Him we wait.
Lord, hear our nation's cry,
Be Thou forever nigh;
May freedom never die;
God save the State!

The People and the Issue.

The reverberations from Charleston harbor have brought about what months of logic would have been impotent to effect—the rapid condensation of public sentiment in the Free States. The North is now a unit. Party lines have shriveled, as landmarks disappear before the outpouring of volcanic lava. The crucial test of this is New York City—the spot most tainted by the Southern poison. Not the thick insulation which the commercial spirit puts between the conscience and duty—not the obliquity engendered by long years of the most perverse political education—have been able to withstand the electric fire of loyal indignation evoked by the assassin-stroke aimed at the heart of the Republic. There are now no such ardent supporters of the Government as those who have been life-long Democrats. It is a fact full of omen, and one which persons imperfectly acquainted with the impulses that lie at the bottom of the popular heart could never have anticipated, that the very roughs of the City are aroused, and bring their passionate devotion to the cause of their country. One intense, inspiring sentiment of patriotism has fused all other passions in its fury heat. Let the Administration now know that twenty millions of loyal freemen approve its act, and imperiously demand the vindication of the integrity and majesty of the Republic.—[N. Y. Times.

The Amenities of Secession.

The Richmond "Examiner" speaks of Mr. Lincoln as "a low and obscure Illinois Baboon." Gen. Scott "is a vulture," and has "inscribed his name high in the roll of infamy." The Hon. A. H. H. Stuart of Virginia, Secretary of the Interior to President Fillmore, is "a genuine flunkey," who wants to "split his sides at the obscene jokes of the Baboon. He would glory in his kissing all the apes of the White House, and in filling his pockets with the broken victuals." Andrew Johnson, and "Holt, Winter, Davis, Etheridge, Clemens, and John Minor Botts all merit "expulsion, disgrace, or hanging, according to their several degrees of crime." Gov. Letcher, Mr. Summers, Mr. Carlisle, Mr. Rives, Mr. Conrad, Mr. Baldwin, Mr. Harris, and every other member of the Virginia Convention, who is unwilling to hurry the State into ruin, are objects of similar compliments from the Secession organ. The same journal exults in the opening of civil war. "Never was an issue of arms more necessary to the character of a gentleman whose character and courage had been both questioned and doubted by the community, than it is to this Southern and slaveholding nation." Again, we are told that "the civil war now beginning is not without a glorious hope and a magnificent promise. In it these Southern States will develop the grandest qualities of Christian men."

—Comment is unnecessary.

One of the Rich Ignorant.—A resident of Buffalo recently ordered a cabinet maker, in New York, to make him a magnificent book case, and to have it filled with volumes bound in style to match it. He added, in a postscript, that he was not particular as to what books were selected, but would like "Mr. Waverley's Novels, as he had heard them highly spoken of!"

Gov. Morrow, of Indiana, has sent out 800 flint-lock muskets from Washington to Indianapolis. That won't do, Governor. Flint-locks belong to a past age. You are an old fogy. Why, one of our quick-handed riflemen could rip you over between the striking of your flint upon the hammer and the going off of your old fire-arm.—[Louisville Journal.

The Charleston "Courier" says:

"If Montgomery imitates Washington too soon, the seat of Government may be removed."

What is the trouble now?

☞ Another Cure by Dr. Schenck.—I called on Dr. Schenck some time ago in one of his visits to Pittsburgh, at the office of Dr. Keyser, No. 140 Wood st. He was examining patients with lung disease. One of my lungs and the tubercular tubes were found to be badly diseased. Oftentimes when I coughed I expectorated blood and matter in large quantities. I had night sweats and was greatly debilitated. Dr. Schenck prescribed for me his "Pulmonic Syrup," "Seaweed Tonic" and "Mandrake Pills," and after taking them one month he informed me he considered that I do not spit any more blood or matter, and the cough has nearly left me. I live in Lowhill township, Darby township, Ohio, where I am well known. You may publish this if you wish.

Martin Koch.

Pittsburgh, August 27, 1860.

N. B. Since the above was written, Mr. Koch has entirely recovered, and continues well, having regained his usual health.

☞ I, William W. Alexander, residing on Ann street, Allegheny city, do hereby certify that I have been a sufferer from severe cough and pain in the breast for about eight years. During the whole of this time I have had general debility and depression of spirits. I tried every nostrum I could hear of, but nothing took hold of my disease. I heard of Doctor Schenck's "Pulmonic Syrup" but had no one personally that it had cured. I had no confidence in it. In April, 1859, I took a severe cold, accompanied with a violent cough, difficulty of breathing and night sweats, which set in profusely. I was confined to my room for two months.

Several of my friends who called to see me, spoke in very high praise of Dr. Schenck's medicines, and I made up my mind to waste no more money for useless medicines, but to send for a few bottles of the Pulmonic Syrup. I immediately did so, and found relief after taking the first bottle. I felt completely discouraged, however, after reading several of the "Pittsburgh Dispatch" and determined to give Dr. Schenck's medicine a fair trial, and now, *nearly two years afterwards*, I am in good health. I have taken about a dozen bottles each of Dr. Schenck's medicines. I acknowledge that it has made a perfect cure of me. I am a well man, and I attribute my perfect cure of me. I am a well man, and I attribute my perfect health entirely to Schenck's medicine. I enjoy better health to-day, Feb. 4th, 1861, than I have done for twenty years past. It pleases me to know the value of Dr. Schenck's inestimable remedies, they would see it their duty to call on him in his visits to this place. I am willing any person to call on me. Any person wishing to know the facts relative to my case can call at my place of residence, Ann street, Allegheny city.

Miscellaneous.

A Card to the Public.

The amount of bodily and mental misery arising from a neglect of small complaints is incalculable, and it is therefore of the utmost importance that a strict attention to the least and most trifling bodily ailments should be had; for diseases of the body invariably affect the mind. DR. MORRISON'S VEGETABLE LIFE MEDICINES, in every instance where they have been thoroughly used, have TRIUMPHED OVER DISEASE, in almost all its diversified forms. The salutary effects of the Life Medicines have, in fact, been so universally experienced, that they have become fully established as the most easy, safe and perfect mode of treatment ever offered to the public.

THESE MEDICINES

Have now been before the public for a period of 20 years and during that time have maintained a HIGH CHARACTER in almost EVERY PART OF THE GLOBE, for the extraordinary curative properties which they possess.

IN MANY THOUSANDS

of certified instances, they have EVEN RESCUED SUFFERERS from the very VERGE OF AN UNTIMELY GRAVE, after all the deceptive nostrums of the day have invariably FAILED. So great, indeed, has their efficacy invariably, and infallibly proved, that it has appeared scarcely less than miraculous to those who were acquainted with the beautifully philosophical principles upon which they are compounded, and upon which they consequently act. It was to their manifest and sensible action in purifying the springs and channels of life, and enduing them with renewed tone and vigor, that they were indebted for their name.

MOFFAT'S LIFE PILLS!!!

Are composed of VEGETABLE INGREDIENTS EXCLUSIVELY, as can be ascertained by CHEMICAL TESTS. Their prominent qualities are those of an active and searching, though perfectly mild and agreeable dete gent aperient; of a pleasant diuretic, invigorating the kidneys and bladder; and of a delightful tonic cardiac, exciting appetite by the demands of active digestion, and cheering the mind with that grateful sense of renovated health which is one of the most felicitous feelings of our nature.

THE PHŒNIX BITTERS!!!

So denominated from their astonishing power of creating new life and strength, as it were from the very ashes of the most dilapidated constitution—are more strongly tonic and more immediately invigorating than the Pills combining the same choice vegetable extracts as the latter, in a different medication. Although really less cathartic than the Life Pills, they nevertheless begin to cleanse the alimentary canal much sooner; generally slightly operating within three or four hours, and producing a decided sense of relief to the Head and Stomach, and exhilarating the Mind, even in less time than this.

MOFFAT'S LIFE PILLS!!!

In Affections of the Head, Sick Headache or Nervous Headache, these Pills will be found to possess the most salutary efficacy.

MOFFAT'S PHŒNIX BITTERS!!!

Have been happily used for the cure of FEVER AND AGUE, with INVARIABLE SUCCESS!

BILIOUS COMPLAINTS, AND A MODE OF CURE!!!

☞ A well-regulated and proportionate quantity of bile upon the stomach is always requisite for the promotion of sound health—it stimulates digestion and keeps the bowels at their proper action. When there is a deficiency of bile, the body is constantly costive. On the other hand, an overabundance of it produces many painful diseases, and often promotes very severe attacks of dysentery and its cognate, which sometimes end in death.

Dr. Moffat's Life Medicines!!!

Should be taken in the EARLY STAGES of Bilious complaints and if persevered in strictly according to directions, will POSITIVELY EFFECT A CURE!

PILES! PILES! PILES!

As a remedy for this most distressing and obstinate malady, the VEGETABLE LIFE MEDICINES deserve a distinct and emphatic recommendation. It is well-known to hundreds in this city that the former proprietor of these Medicines was himself afflicted with this complaint for upwards of *thirty-five years*; and that he tried in vain every remedy prescribed within the whole compass of the *Materia Medica*. His however at length tried the Medicine which is now offered to the public, and he was cured in a very short time, after his recovery had been pronounced as totally improbable, but absolutely impossible, by any human means.

MOFFAT'S

Life Pills and Phœnix Bitters!!!

Cure DYSPEPSIA, by thoroughly cleansing the first and second stomachs, and creating a flow of pure, healthy bile, instead of the stale and acrid kind. FLATULENCY, Loss of Appetite, Heartburn, Headache, Restlessness, Fits, Vapors, Anxiety, Languor, and Melancholy, which are the general symptoms of Dyspepsia, will vanish, as a natural consequence of its cure.

THE

LIFE MEDICINES!

For Bilious and Liver Complaints, with their many well-known attendants, *Bilious and Sick Headache, Pain and Oppression after Meals, Giddiness, Dizziness, Sleeplessness, Loss of Appetite*, are acknowledged to be vastly superior to anything ever before offered to the public.

MERCURIAL DISEASES.

Persons whose constitutions have become impaired by the injudicious use of MERCURY, will find these medicines a perfect cure, as they never fail to eradicate from the system all the effects of Mercury, infinitely sooner than the most powerful preparations of Sarsaparilla.

SCROFULA!

The most horrible cases of *Scrofula*, in which the Face, Bones and Limbs of the victim had been preyed upon by the insatiable disease, are proved by undeniable authority of the sufferers themselves, to have been completely cured by these purely Vegetable Medicines, after all others had been found more than useless.

Acute or Inflammatory Rheumatism!

ANTHROSIA CHROSICA, OR CHRONIC RHEUMATISM !!

These diseases, which are among the most painful, and, by ignorant treatment, the most irremediable to which suffering humanity is liable, are CURED, *speedily and permanently* cured, by a proper course of the LIFE PILLS and PHŒNIX BITTERS.

MOFFAT'S PILLS AND BITTERS!!!

Not it is unnecessary to enumerate the many cases in which these purely vegetable medicines have been successful; but let us inquire, Why are they so universal in their happy effects?

Because they PURIFY THE BLOOD, and thus remove all cause of disease in the system.

Because they act powerfully upon the secretions of the body and remove all impurities at once.

Because they do not reduce the system, but invigorate it—raise reputable revivals from pleasure or business during their operation.

TRY MY MEDICINES !!!

Try but a Single Dose of the

LIFE PILLS !!

TRY THEM! OR BE SATISFIED !!
BE CURED!!!

RICHARDSON'S

IRISH LINENS,

DAMASKS, DIAPERS, &C.

CONSUMERS OF RICHARDSON'S LINENS, and those desirous of obtaining the GENUINE GOODS, should see that the cases they purchase are sealed with the full name of the firm,

J. N. RICHARDSON, SONS & OWDEN,

as a guarantee of the genuineness of the Goods; the reputation is rendered essentially necessary, as large quantities of inferior and defective linens are imported, which are stamped and sealed with the name of RICHARDSON, by Irish Houses, who, regardless of the injury thus inflicted alike on the American consumer and the honest trader, will not readily abandon a business so profitable, while purchasers can be imposed on with Goods of a worthless character.
