LATEST FROM EUROPE.

Arrival of the Steamer Medusa.
New York, April 18.—The steamer Medusa, from Liverpool on the 14th inst., arrived at this port on the 18th inst. It was reported that a division of the English fleet had gone to the Bahama Islands, where the main fleet was expected to arrive. The steamer also brought news that the French fleet was anchored in the Bay of Biscay, and that the British fleet was in the Bay of Biscay. The steamer also brought news that the British fleet was in the Bay of Biscay, and that the French fleet was anchored in the Bay of Biscay.

Whether all these States can be relied upon to keep step to the music of the Union, is a question which is being asked in every household. It is a question which is being asked in every household.
