That Laugh at Montgomery.

If it be true that whom the gods wish to destroy they first make mad, the cabinet at Montgomery would seem to be marked for destruction. In all the ages there have been those who giggled and grimaced while the avenging bolt hung poised above them; men who shuffled through the carmagnole about the place of graves. It seems to have been reserved for the rulers of the southern confederacy to repent, on a coarse, brutal scale, this phenomenon of the ages. The reading of the President's proclamation, we are informed, was received by that body with shouts of laughter. Men have laughed before now upon the gallows, and sung ribald staves with the rope about their necks, till the drop fell and the song ceased in a sickening gurgle, and bister rings clouded the lewd bravado of their eyes. But as a rule only devils laugh when the retributions of their own crime and folly impends, not above them alone, but above the innocent as well. What is there in the passionless call to arms of a hundred thousand loyal men, in defense of the government against traitors, to produce laughter? Is there anything amusing in the rods phlebotomy of the sword, bayonet? Anything comical in the spectacle of a mighty people sadly and sternly apprising as one man, in defense of its honor and its right, its government and its laws. What could that ribald conclave, assembled at Montgomery, have found to laugh at in President Lincoln's proclamation? It is not esteemed, in these latitudes, a contribution to humorous literature. We see in it nothing more mirth inciting than the prophecy which it implies of a hundred leagues of battle; of servile insurrection; of charred and embered households, and of traitors tainting the air in which they swing. A laugh is well; but there are occasions to which it is not quite appropriate. We conceive that of the reading of Mr. Lincoln's proclamation before the southern cabinet to have been one.—[N. Y. World.

What Does the Herald Deny?

The "Herald" characterizes the reports which appeared in the journals of Tuesday, in regard to the striking demonstration of popular disfavor with which it was visited on the day previous, as false, mean, and malicious. So far as THE TRIBUNE is concerned, we have only to say that every word which we stated is literally true. We abstained from mentioning in our issue of Monday that the "Herald" expected an attack on Sunday night, and that a police force was kept in reserve in the down-town stations; ready to protect it if necessary, lest by so doing the threatened attack might be precipitated. But on Monday the popular manifestation was so broad and unmistakable that we could not, as chroniclers of the times, ignore it. Its effect upon the "Herald" was made strikingly manifest in its tone next day, and yesterday it went so far as to say: "In regard to the display of the American flag, no one asked us to do so. It was unnecessary to take that trouble. The glorious flag of the Union is our flag, and long may it wave." It was perhaps unfortunate for the Herald that when the people gathered and demanded the raising of the American flag, it was obliged to send out and purchase a supply, having a day or two before, in anticipation of a very different feeling among the people, provided itself with a set of Secession colors.—*N. Y. Tribune.*

ST. LOUIS.—Our advices from St. Louis are to the effect that there, as here, the excitement occasioned by recent events at the South is intense; though there, as not here, there is a division of sentiment as to the duty of citizens—some siding with the traitors to the Government, among whom are the editors of the "Republican" and "State Journal," but the mass of the people adhering to the Government and the Union.

It has been deemed expedient by the U. S. authorities to strengthen the protections of the U. S. Arsenal in that city, upon which the Secession sympathisers might possibly make an attack. Jackson, the Governeror of the State, is an open Secessionist.

ANOTHER CURE BY DR. SCHENCK.—I called on Dr. Schenck some time ago in one of his visits to Pittsburgh, at the office of Dr. Keyser, No. 140 Wood st. He was examining patients with lung disease. Some of my lungs and throat were found to be badly diseased. Oftentimes when I coughed I expectorated blood. I had night sweats and a most distressing debilitated feeling. Dr. Schenck prescribed for me his "PULMONIC SYRUP," "SEAWEED TONIC" and "MANDRAKE PILLS," and after taking these one month I have so far recovered that I do not spit any more blood this 1851, and can do much hard work. Miscellaneous.

A Card to the Public.

THE amount of bodily and mental misery arising from a neglect of small complaints is incalculable, and it is therefore of the utmost importance that a strict attention to the least and most trifling bodily ailments should be had; for diseases of the body invariably affect the mind. DR. MOFFAT'S VEGETABLE LIFE MEDICINES, in every instance where they have been thoroughly used, have TRIUMPHED OVER DISEASE in almost all its diversified forms. The salutary effects of the Life Medicines have, in fact, been so universally experienced, that they have become fully established as the most easy, safe and perfect mode of treatment ever offered to the public

THESE MEDICINES

Have now been before the public for a period of 30 YEARS and during that time have maintained a HIGH CHARACTER in almost EVERY PART OF THE GLOBE for the extraordinary curative properties which they possess.

IN MANY THOUSANDS

of certified instances, they have WHEN RESCUED SUFFERERS from the very VERGE OF AN UNTIMELY GRAVE, after all the deceptive nostrums of the day have invariably FAILED. So great, indeed, has their efficacy invariably and infallibly proved, that it has appeared scarcely less than miraculous to those who were acquainted with the beautifully philosophical principles upon which they are compounded, and upon which they consequently act. It was to their manifest and searching action in purifying the springs and channels of life, and enduing them with renewed tone and vigor, that they were indebted for their name.

MOFFAT'S LIFE PILLS!!!

Are composed of VEGETABLE INGREDIENTS EXCLUSIVELY, as can be ascertained by CHEMICAL TESTS. Their prominent qualities are those of an active and searching, though perfectly mild and agreeable detergent aperient; of a gentle saponific, promoting the insensible perspiration; of a pleasant diuretic, invigorating the kidneys and bladder; and of a delightful tonic cardiac, exciting appetite by the demands of active digestion, and cheering the mind with that grateful sense of recovered health which is one of the most felicitous feelings of our nature.

THE PHŒNIX BITTERS!!!

So demonstrated from their astonishing power of creating new life and strength, as it were from the very ashes of the most dilapidated constitutions—are more strongly tonic and more immediately invigorating than the Pills concentrating the same choice vegetable extracts as the latter, in a different medication. Although really less cathartic than the LIFE PILLS, they nevertheless begin to cleanse the alimentary canal much sooner, generally slightly operating within three or four hours, and producing a decided sense of relief to the Head and Stomach, and exhilarating the Mind, even in less time than this.

MOFFAT'S LIFE PILLS!!!

In Affections of the Head, Sick Headache or Nervous Headache, these Pills will be found to possess the most salutary efficacy.

"MOFFAT'S PHŒNIX BITTERS!!!

Have been happily used for the cure of FEVER AND AGUE, WITH INVARIABLE SUCCESS!

BILIOUS COMPLAINTS AND A BOOK UP CURE!!!

A well-regulated and proportionate quantity of bile upon the stomach is always requisite for the promotion of sound health—it stimulates digestion and keeps the bowels in a healthy state of constitution. When there is a deficiency of bile, the body is constantly costive. On the other hand, an overabundance of bile causes frightful nausea in the stomach, and often promotes very severe attacks of disease, which sometimes end in death.

Dr. Moffat's Life Medicines!!!

Should be taken in the EARLY STAGES of Bilious complaints and if persevered in strictly according to directions, will

POSITIVELY EFFECT A CURE!

PILES! PILES!. PILES!

As a remedy for this most distressing and obstinate malady, the VEGETABLE LIFE MEDICINES deserve a distinct and specific recommendation. It is well known to hundreds in this city that the former proprietor of these valuable Medicines was himself afflicted with this complaint for upwards of this city for years; and that he tried in vain every remedy prescribed within the whole compass of the *Materia Medica*. He however at length tried the Medicines which are now offered to the public, and he was cured in a very short time, after his recovery had been pronounced as nearly improbable, but absolutely impossible, by any human means.

MOFFAT'S

Life Pills and Phœnix Bitters!!!

Cure DYSPEPSIA, by thoroughly cleansing the first and second stomachs, and creating a flow of pure, healthy bile, instead of the stale and acrid kind; FLATULENCY Low or Loss of APPETITE, HEADACHE, GIDDINESS, ILL TEMPER, ANXIETY, LANGUOR, and MELANCHOLY, which are the general symptoms of Dyspepsia, will vanish, as a natural consequence of its cure.

THE

LIFE MEDICINES!

For BILIOUS and LIVER COMPLAINTS, with their many well-known attendants, *Bilious and Sick Headache, Pain and Oppression after Meals, Giddiness, Dizziness, Sick Stomach, Sick Headache, Heart burn, Loss of Appetite*, are acknowledged to be vastly superior to anything ever before offered to the public.

MERCURIAL DISEASES.

Persons whose constitutions have become impaired by the pernicious use of MERCURY, will find these medicines a perfect cure, as they never fail to eradicate from the system all the effects of Mercury, in a much sooner than the most powerful preparations of Sarsaparilla.

SCROFULA!

The most horrible cases of *Scrofula*, in which the Face, Body and Limbs of the victim had been preyed upon by the lamentable disease, are proved by credible testimony of the sufferers themselves, to have been completely cured by these purely Vegetable Medicines, after all others had been found more than useless.

Acute or Inflammatory Rheumatism!

CHRONICA, OR CHRONIC RHEUMATISM!!!

These diseases, which are among the most painful, and, by ignorant treatment, the most inveterate to which suffering humanity is liable, are cured, speedily and permanently, by a proper course of the LIFE PILLS and PHŒNIX BITTERS.

MOFFAT'S PILLS AND BITTERS!!!

But it is unnecessary to enumerate the many cases in which these purely vegetable medicines have been successful; but let us inquire, Why are they so universal in their happy effects?

Because they PURIFY THE BLOOD, and thus remove all cause of ill-use in the system.

Because they act powerfully upon the secretions of the body, and remove all impurities at once.

Because they regulate the action of the system, but invigorate it—thus requiring no restraint from pleasure or business during their operation.

THEY MEN MEDICINES!!!

Try but a Single Dose of the

LIFE PILLS!!

THEY THERE! BE SATISFIED!! BE CURED!!!
