A Visit to Fort Sumter.

A correspondent of the "Commercial Advertiser" has sent the following account of his visit to Fort Sumter to that journal:

CHARLESTON, April 17, 1861.

I arrived at Charleston on the evening of the 15th, and the next morning, after having procured a "permit" to visit Fort Sumter, from Gen. Beauregard, I immediately set out for that purpose.

On approaching the Fort, I descovered that its exterior was only slightly marred by the cannonading of the Carolinians; but when I entered, there was indeed ample evidence that the hand of destruction had swept ruthlessly over it.

War has flaunted its bloody hand into the heavenly face of peace, and the work of blasting the prosperity of years has commenced. Fort Sumter stands to-day with the flag of the Confederate States floating over its walls —the unfailing witness of the first blow.

The whole interior of the fort, with one or two exceptions, is a mass of ruins. One side, where the officers and a portion of men lived, presents the aspect of a block of houses after a fire has burned up everything but the walls. In the interior the brick work is completely riddled with shot and broken by shells.

The heaviest guns, one a ten-inch Columbiad—much talked of and feared before the action—was dismounted—kneeling entirely over by the shots from Sullivan's Island and Fort Moultrie.

Had Major Anderson's men persisted in the attempt to man the guns on the parapet, every one would have been shot down. Visiting the fort you can see where the balls struck, going directly through solid brick work and scattering timber and everything else. The wheels of some of the gun carriages are shot clean off.

The most interesting and touching object in the fort, however, is the newly made grave of the soldier killed by accident. While in the fort one of the officers—Lieut. Alfred Rhett; I think it was—pointed out the place where the poor fellow was killed, and also the more sickening sight of the spot where one of his arms was thrown by the explosion, and then fell off the parapet into the water below.

The New Virginia—"A Negro Astride the Statue of Washington!"

A telegram of yesterday from Richmond told us that "the Secessionists celebrated the passage of the Act of Secession by the Convention, by placing a negro astride the statue of Washington in the Capitol," as a type of the new order of things. A more appropriate emblem could not have been devised. "A negro astride the statue of WASHINGTON" exactly expresses modern Virginia, where the breeding of slaves for sale engrosses the greater part of the capital, and is the chief source of revenue of the people. WASHINGTON, who, with all the political Fathers, bore testimony against the brutalities of the institution, has had his memory insulted and his effigy subjected to the most disgusting indignities. Think of "a negro astride the statue of the venerate WASHINGTON!" This exceeds the malice of those who cast the ashes of WICKLIFFE into the Severn. The alleged custom of the Japanese, of trampling under their feet the cross, which symbolises our religion, not half so shocking. In this they are true to their execrable and Pagan traditions. But the rite at Richmond shows the depth of infamy to which in two short generations the countrymen of WASHINGTON, his own flesh and blood almost, have fallen. "A negro astride the statue of WASHINGTON!" Let this be engraved on her escutcheon, for it is the epitome of her new life. —[N. Y. Times.

A QUAKER'S OPINION OF THE WAR.—A Quaker merchant in Philadelphia said to one of his clerks:

"Well, friend ——, is thee willing to enlist?"

"I have thought of it," replied the clerk, 'but hesitated, because I feared to lose my situation."

"If thee will enlist," replied the Quaker, "not only shall thee have thy situation, but thy salary shall go on while thee is absent. But if thee will not serve thy country, thee cannot stay in this store."

THE Boston Banks have authorized the Treasurer of the State, under the authority of Gov. Andrews, to draw upon them to the amount of ten per cent. of their capitals as a loan to meet the requirements of the present emergency. The sum thus proffered amounts to over three and a half millions of dollars!!

ANOTHER CURE BY DR. SCHENCK.—I called on Dr. Schenck some time ago to one of his visits to Pittsburgh, at the office of Dr. Keyser, No. 140 Wood st. He was examining patients with lung disease. One of my lungs and liver, he said, were found to be badly diseased. Oftentimes when I coughed I expectorated blood and matter in large quantities. I had night sweats and a great cough, and was greatly debilitated. Dr. Schenck prescribed for me his "PULMONIC SYRUP," "SEAWEED TONIC" and "MANDRAKE PILLS," and after taking them one month I have so far recovered that I do not spit any more blood or matter, and the cough has nearly left me. I live in Columbiana county, Ohio, where I am well known. You may publish this if you wish.

Pittsburgh, August 27, 1860. MARTIN KOCH.

N. B. Since the above was written, Mr. Koch has entirely recovered, and continues well, having regained his usual health.

I, WILLIAM W. ALEXANDER, residing on Ann street, Allegheny city, do hereby certify that I have been a sufferer from severe cough and pain in the breast for about eight years. During the whole of this time I have had a very great debility and depression of spirits. I tried every nostrum I could hear of, but nothing took hold of my disease. I heard of Doctor Schenck's "PULMONIC SYRUP," his "SEAWEED TONIC" and "MANDRAKE PILLS," and had no confidence in it. In April, 1859, I took a seven cent, accompanied with a violent cough, difficulty of respiration, and night sweats, which I supposed no living power could remove from me for two months.

Several of my friends who called to see me, spoke in very high praise of what they knew what it had done. My prostrated condition also enraged me considerably, and I made up my mind to use the remedy for cleansing or medicine, but would take the chances, live or die, as I had been so long sick that I felt completely discouraged. However, after taking the first bottle I felt a change in the right direction, and I felt inclined to give Dr. Schenck's medicine a fair trial, and now, nearly two years afterwards, I am in good health, by using his medicine in accordance with the directions. I unhesitatingly state that it has made a perfect cure of me. I am a well man, and I attribute my good health and restoration entirely to Dr. Schenck's valuable medicine. I enjoy better health to day, Feb. 4th, 1861, than I have for the last dozen years. If persons doubt this statement, call on me in my residence, Ann street, Allegheny city.

Miscellaneous.

A Card to the Public.

THE amount of bodily and mental misery arising from a neglect of a small complaint is incalculable, and it is therefore of the utmost importance that a strict attention to the least and most trifling bodily ailments should be had; for diseases of the body invariably affect the mind. DR. MOFFAT'S VEGETABLE LIFE MEDICINES, in every instance where they have been thoroughly tried, have TRIUMPHED OVER DISEASE in almost all its diversified forms. The salutary effects of the Life Medicines have, in fact, been so universally experienced, that they have become fully established as the most easy, safe and perfect mode of treatment ever offered to the public.

THESE MEDICINES

Have now been before the public for a period of 30 YEARS and during that time have maintained a HIGH CHARACTER in almost EVERY PART OF THE GLOBE for the extraordinary curative properties which they possess.

IN MANY THOUSANDS

of certified instances, they have even RESCUED SUFFERERS from the very VERGE OF AN UNTIMELY GRAVE, after all the deceptive nostrums of the day have invariably failed. So great, indeed, has their efficacy invariably and infallibly proved, that it has appeared scarcely less than miraculous to those who were acquainted with the beautifully philosophical principles upon which they are compounded, and upon which they consequently act. It was to their manifest and sensible action in purifying the springs and channels of life, and sending them with renewed tone and vigor, that they were indebted for their name.

MOFFAT'S LIFE PILLS!!!

Are composed of VEGETABLE INGREDIENTS EXCLUSIVELY, as can be ascertained by CHEMICAL TEST. Their prominent qualities are those of an active and searching, though perfectly mild and agreeable dete gent aperient; of a gentle saponific, promoting the insensible perspiration; of a pleasant diuretic, invigorating the kidneys and bladder; and of a delightful tonic cardine, exciting appetite by the demands of active digestion, and cheering the mind with that grateful sense of renovated health which is one of the most felicitous feelings of our nature.

THE PHŒNIX BITTERS!!!

So demonstrated from their astonishing power of creating new life and strength, as it were from the very ashes of the most diseased constitutions—are more strongly tonic and more immediately invigorating than the Pillic containing the same choice vegetable extracts as the latter, in a different medication. Although really less cathartic than the LIFE PILLS, they nevertheless begin to cleanse the alimentary canal much sooner, generally slightly operating within three or four hours, and producing a decided sense of relief to the Head and Stomach, and exhilarating the Mind, even in less time than this.

MOFFAT'S LIFE PILLS!!!

In Affections of the Head, Sick Headache or Nervous Headache, these Pills will be found to possess the most salutary efficacy.

MOFFAT'S PHŒNIX BITTERS!!!

Have been happily used for the cure of FEVER AND AGUE, with INVARIABLE SUCCESS!

BILIOUS COMPLAINTS, AND A MODE OF CURE!!!

A well-regulated and proportionate quantity of bile upon the stomach is always requisite for the promotion of sound health—it stimulates digestion and keeps the intestinal canal free from all obstructions. But when the efficacy of bile, the body is constantly costive. On the other hand, an overabundance of bile causes frequent nausea in the stomach, and often produces very severe attacks of disease, which sometimes end in death

Dr. Moffat's Life Medicines!!!

Should be taken in the EARLY STAGES of Bilious complaints and if perseverred in strictly according to directions, will PREVENT NEARLY EVERY CASE!

PILES! PILES! PILES!

As a remedy for this most distressing and obstinate malady, the VEGETABLE LIFE MEDICINES possess a distinct and emphatic recommendation. It is well-known to hundreds in this city that the former proprietor of these valuable Medicines was himself afflicted with this complaint for upwards of thirty-five years; and that he tried in vain every remedy prescribed within the whole compass of the Materia Medica. He however at length tried the Medicine which is now offered to the public, and he was cured in a very short time, after his recovery had been pronounced a total impossibility, but absolutely impossible, by any human means.

MOFFAT'S

Life Pills and Phœnix Bitters!!!

CURE DYSPEPSIA, by thoroughly cleansing the first and second stomachs, and creating a flow of pure, healthy life, instead of the stale and acrid kind: FLATULENCY Loss of APPETITE, HEARTBURN, HEADACHE SICKNESSES, ILL TEMPER, ANXIETY, LASSITUDE, and MELANCHOLY, which are the general symptoms of Dyspepsia, will vanish, as a natural consequence of its cure.

THE

LIFE MEDICINES!

For BILIOUS and LIVER COMPLAINTS, with their many well-known attendants. *Bilious and Sick Headache, Pain and Oppression after Meals, Giddiness, Dizziness, Heartburn, Loss of Appetite*, are acknowledged to be vastly superior to anything ever before offered to the public.

MERCURIAL DISEASES.

Persons whose constitutions have become imbued by the injudicious use of BLUE MASS, will find these Medicines a perfect cure, as they never fail to eradicate from the system all the effects of Mercury, infinitely sooner than the most powerful preparations of Sarsaparilla.

SCROFULA!

The most horrible cases of *Scrofula*, in which the Face, Neck and Limbs of the victim had been prayed upon by the fastidious disease, are proved by undeniable authority of the sufferers themselves, to have been completely cured by these purely Vegetable Medicines, after all others had been found more than useless.

Acute or Inflammatory Rheumatism!

ANTHROSIA CHRONICA, OR CHRONIC RHEUMATISM!!!

These diseases, which are among the most painful, and, by ignorant treatment, the most inveterate to which suffering humanity is liable, are CURED, speedily and permanently cured, by a proper course of the LIFE PILLS and PHŒNIX BITTERS.

MOFFAT'S PILLS AND BITTERS!!!

But it is unnecessary to enumerate the many cases in which these purely vegetable medicines have been successful, but let it suffice, Why are they so universal in their happy effects!

Because they PURIFY THE BLOOD, and thus remove all cases of disease in the system.

Because they act powerfully upon the secretions of the body and remove all impurities at once.

Because they do not reduce the system, but invigorate it —so requiring no restraint from pleasure or business during their operation.

TRY MY MEDICINES!!!

Try but a Single Dose of the

LIFE PILLS !!

TRY THEM! BE SATISFIED!! BE CURED!!!

RICHARDSON'S

IRISH LINENS,
DAMASKS, DIAPERS, &C.

CONSUMERS OF RICHARDSON'S LINENS, and those desirous of obtaining the GENUINE GOODS, should see that the articles they purchase are sealed with the full name of the firm,

J. N. RICHARDSON, SONS & OWDEN,

as a guarantee of the goodness and durability of the Goods. The caution is rendered essentially necessary, as large quantities of inferior and defective Linens are imported every season after season and sealed with the name of RICHARDSON, by Irish Houses, who, regardless of the injury they inflicted upon the American consumer of both Polishes, native of the genuine Goods, will not readily abandon a business so profitable, while purchasers can be imposed on with Goods of a worthless character.
