DO YOU WANT WHISKERS? DO YOU WANT WHISKERS? DO YOU WANT A MUSTACHE? DO YOU WANT A MUSTACHE? BELLINGHAM'S CELEBRATED STIMULATING ONGUENT, For the Whiskers and Hair.

The subscribers take pleasure in announcing to the Citizens of the United States, that they have obtained the Agency for, and are now enabled to offer to the American Public, the above justly celebrated and world renowned article.

THE STIMULATING ONGUENT is prepared by Dr. C. F. BELLINGHAM, an eminent physician of London, and is warranted to bring out a thick set of

WHISKERS OR A MUSTACHE in five times in six weeks. This article is the only one of the kind used by the French, and to London and Paris it is in universal use.

It is a beautiful, economical, soothing, yet stimulating compound, acting as if by magic upon the roots, causing a luxuriant growth of luxuriant hair. If applied to the scalp, it will cure BALDNESS, and cause to spring up in place of the thin scale a fine growth of new hair. Applied according to directions, it will force out or tear away Ashy Gark, and restore gray hair to its original color, leaving it soft, smooth and glossy. The "Onguent" is an indispensable article in every gentleman's toilet, and after one week's use they would not for any consideration be without it.

The subscribers are the only Agents for the article in the United States, to whom all orders must be addressed.

Price One Dollar a box—for sale by all Druggists and Dealers; or a box of the "Onguent" (warranted to have the desired effect) will be sent to any who desire it, by mail (free), securely packed, on receipt of price and postage, $1 25. APPLY to or address,

HORACE L. HOYMAN & CO., 24 William street, New York. Sold by JOS. FLEMING, corner of Market street and the Diamond. Pittsburgh. ap29-1ly

HIGHLY INTERESTING NEWS.

Programme of Secession in Maryland.

The programme of the Secessionists is, for the Legislature to legislate the State out of the Union on Saturday next, by the passage of a simple ordinance of secession, to be submitted to the direct vote of the people, fair and square without any dodging. The question is, *Our ox Now ? the Ox's* to confirm the ordinance, and the *Nox's* to reject it. Anticipating their majority to be at least 40,000 in the State, the secessionists may well afford to be honest. I see no earthly hopes of escape from this result.

V. P. Stephens in Richmond.

Vice President Stephens spoke to an immense audience at Richmond on Monday night. He delivered a tremendous speech, full of Southern patriotism, and ending thus: "The few of necessity and of right compelled us to act as we did." He had reason to believe that the Creator smiled on it. The Federal flag was taken down without the loss of a single life. He believed that Providence would be with us and bless us to the end. We had appealed to the God of Battles for the justness of our cause. Madness and folly ruled in Washington. Had it not been so, several of the States would have been in the old Union for a year to come. Maryland would join us, and it may be even long the principles that Washington fought for might again be administered in the city that bore his name. Every Son of the South, from the Potomac to the Rio Grande, should rally to the support of Maryland. If Lincoln quiet Washington as ignominiously as he entered it, God's will will have been accomplished. The agreement was now exhausted. Be prepared to stand to your arms. Defend your wives and your firesides."

He alluded to the momentous consequences of the issue involved. "Rather than be conquered," he said, "let every second man rally to drive back the invader. The conflict may be terrible, but the victory will be ours, Virginians," said he, "upon you fight for the preservation of your sacred rights, the land of Patrick Henry, to keep from desecration the tomb of Washington, the graves of Madison, Jefferson, and all you hold most dear."

Maryland, the Highways to the Capital, Must be Kept Open.

There is now no doubt that the Northern gateway to the Federal Capital is opened, and will be kept open. Information is received that Governor Hicks, at the head of the State troops of Maryland, assisted the Massachusetts, New York, and other regiments, in opening the way to the capital from Annapolis. The late action of Gov. Hicks recommends him to the confidence, and the *Now's* to reject him. Anticipating their majority to be at least 40,000 in the State, the secessionists may well afford to be honest. I see no earthly hopes of escape from this result.

"V. P." Stephens in Richmond.
