OFFICIAL PAPER OF THE CITY
WEDNESDAY MORNING, MAY 1, 1901

CITY AFFAIRS

Metropolitan Commission for the Census, by G. H. Blair, Chairman, at 10:30 a. m.
UNITED FRANCHISE FOR THE COUNTRY
Morning at 10:30 a. m. at the lecture room of the First Presbyterian Church in this city, to play for the country and our brave soldiers who have died in every day of the war.

Parsoness Heston, daughter of Rev. A. M. Heston, who is attending the school in New York, to enter upon the duties of a chaplain. We have already informed our readers that the eminent minister and Rev. A. J. Marks, has been selected as chaplain of the different denominations of Protestants in the vicinity, and their ministrations will mostly be confined to our own.

After a spirited debate, in which it was suggested that the companies represented should abstain from the matter, it was agreed to postpone further action until the next meeting, which will be held on Monday morning at nine o'clock, at the Common Council Chamber. It is believed that the bill will be passed at that time.

The formation of an independent camp has been discussed by the members of the National Camp of the United States, and it is believed that the movement would involve an expenditure of at least \$50,000. The bill is already in the hands of the committee, and it is believed that it will be passed at an early date.
