THURSDAY MORNING, MAY 2

Gov. Hicks's Message.

The message of Gov. Hicks to the Legislature of Maryland though not in the tone of the North, is an anti-secession document, and, so far, is very well. The impossibility of Maryland standing neutral in this contest will very soon be apparent even to Gov. Hicks, and if the efforts he is now making shall save the state from secession, the progress of events must soon make her a staunch Union state. If Lincoln will put down and punish her mobs we shall have some hope of her yet. There are already strong indications of a reaction in that state, and if Gov. Hicks has partially chimed in with the passions of the hour, in the hope of thereby retaining influence to control them, it is easy to understand the courtesy which the administration has shown to him personally, while firmly denying his requests. In the present temper of the public mind in Maryland, perhaps nothing better could be done by Gov. Hicks than to amuse the people with attempts to build an impossible half-way house between loyalty and treason.

Although his message is not what we could wish it—a clear, bold, ringing denunciation of treason and appeal for the Union—it must, nevertheless, be accepted as an anti-secession document. It may possibly do good if the administration, now that Washington is safe, will teach Baltimore the wholesome lesson which that mob-stricken city so sorely needs. Let it, as soon as may be, have an opportunity to choose between a signal chastisement unconditional submission to law, and the chances are that it will make a wise election. But if our parental government spares the rod there is danger that it will spoil the child.—N. Y. World.

No More Parleying.

We trust our federal authorities will not have another word of negotiation, of any character whatever, with any state or city that is either rebellious or hesitating—nor give ear for one moment to any mediator with its *arrangements* for sparing the effusion of blood. The only phraseology used by the government should be an unconditional demand; the only phraseology listend to should be that of unconditional submission. Government is the executor of law; and law does not negotiate, it prescribes—it does not compromise, it punishes. The officer of the law does not go into a conference with the burglar and the murderer; neither with the man who himself threatens burglary and murder in case they and he are not alone. Nor should it be different with traitors, and the friends of traitors. If the border states will not perform their whole duty to the government, they are to be reckoned with those states that have openly repudiated the government. All alike are its enemies, and all alike should be dealt with as such. To parley with any of them is to sacrifice the *authority* of law, without which law is nothing.

The government now must go straight on in the vindication of its authority. It has a latent strength which the world has little understood, and which has been almost a secret to itself. That might is now to be called forth, and treason already quails before its doom. It already is beginning to feel the lessen that, in this republic, obedience is duty; that authority is justice; and that government is JUSTICE ARMED.—N. Y. World.

Major Anderson on Kentucky.

The New York correspondent of the Boston "Transcript" has the following interesting item:

"We have seen Major Anderson repeatedly, and have been greatly impressed by his fine, military bearing, his unassuming dignity, and his countenance saddened by his country's sufferings, and fit own so patiently endured for her sake. He dines to-day with our friend Mrs. B. She has just been here, and in the course of conversation, told us that she asked Major Anderson yesterday, what he would do in case Kentucky should go out of the Union? His prompt and solemn reply was.—"BUT KENTUCKY WILL NEVER GO OUT OF THE UNION."

IMPORTANT from the South—Beauregard said to be marching on Washington with 35,000 men.—Two gentlemen whose, good standing and truthfulness are vouched for by parties in this city, arrived from the South yesterday, and took quarters at the Burnet House. They state that they left Charleston, S. C., on Wednesday, and that troops were marching briskly from all directions. General Beauregard was moving towards Richmond at the head of 35,000 men, and expected to be joined at that place with from 5,000 to 15,000 Virginia troops, after which he was to attack Washington. Yesterday was the day set apart for the seizure of the National Capital. We have no comments to make.—[Cin. Gazette.

GOOD NEWS FROM KENTUCKY.—We learn that Mr. Crittenden, spoke at Lancaster, Kentucky, a few days since, to a very large and enthusiastic crowd. The Union feeling is strong and growing. We have also favorable news from Garrard, Lincoln, and Casey counties, as well as Rockcastle, Laurel, Whitley, Knox, Clay, Estill, and Owsley. Mr. Crittenden's speech at Stanford also, was a powerful and excellent effort. The Hon. Joshua F. Bell, used up A. G. Talbot, of course, at Liberty, in Casey county. The ball is rolling on rapidly. —[Louisville Democrat.

IF Gov. Magoffin, or any officer, civil or military, in Kentucky, considers himself absolved from the obligations of his oath to support the Constitution of the United States, let him state distinctly at what exact time he thinks he was absolved, and who or what it was that absolved him. This matter ought to be understood.—[Louisville Journal.

AMONG the volunteers in the Thirteenth Regiment is a son of Rev. Henry Ward Beecher.

Pittsburgh, April 23, 1861-3td. & MUST. POLLOCK.

ALLEGHENY COUNTY, SS.—In the District Court. Of April Term, 1861, No. 1.

In the matter of the Report, Survey, &c, of the Commissioners to establish High and Low Water Lines in the Allegheny, Monongahela and Ohio Rivers, in the vicinity of Pittsburgh:

And now, to wit, March 30, 1861, it appearing to the Court that the Commissioners appointed by this Court under the provisions of the Act entitled "An Act to establish High and low Water Lines in the Allegheny, Monongahela and Ohio Rivers, in the vicinity of Pittsburgh, in Allegheny county, approved the 15th day of April, 1858, have completed their survey and ascertained the limits and located the lines of low and high water mark along the said rivers, and have caused to be made two plans and plans of the same with the necessary descriptions and explanations in a perfect understanding thereof, and that they have returned three of the same, under their respective signatures, and that of the surveyor, to this Court, as provided by said Act. It is thereupon ordered that the Prothonotary of the Court receive and file said plans, maps or plans in his office, for public inspection and examination; and that he give notice in the Legal Journal and in at least three daily newspapers published in the City of Pittsburgh, That, on SATURDAY, the 4th day of May next, the Court will hear any objections which may be made thereto by any person or parties who may consider themselves aggrieved by the adoption of the same as provided by said Act.

ANOTHER CURE BY DR. SCHENCK.—I called on Dr. Schenck some time ago in one of his visits to Pittsburgh at the office of Dr. Keyser, No. 140 Wood st. He was examining patients with lung diseases. One of my lungs and the bronchial tubes were found to be badly diseased. Oftentimes when I coughed I expectorated blood and matter in large quantities. I had night sweats and a great cough, and was greatly debilitated. Dr. Schenck prescribed for me his "PULMONIC SYRUP," "SEAWEED TONIC" and "MANDRAKE PILLS" and after taking them one month I have no fear of consumption. I did not spit any more blood or matter, and the cough has nearly left me. I live in Columbiana county, Unity township, Ohio, where I am well known. You may publish this if you wish.

MARTIN KOCH.

Pittsburgh, August 27, 1860.

N. B. Since the above was written, Mr. Koch has entirely recovered, and continues well, having regained his usual health.

I, WILLIAM W. ALEXANDER, residing on Ann street, Allegheny city, do hereby certify that I have been a sufferer from severe cough and pain in the breast for about eight years. During the whole of this time I have had general debility and depression of spirits. I tried many things I could hear of, but nothing took hold of my disease. I heard of Doctor Schenck's "PULMONIC SYRUP," the best knowing no one personally that it had done, but hearing so much said in its favor, on the 13 April, 1859, I took a severe cold, accompanied with a violent cough, difficulty of respiration, and night sweats, which prostrated me that I was confined to bed for two months.

Several of my friends who called to see me, spoke in very highly terms of Dr. Schenck's what it had done. My prostrated condition discouraged me considerably, and I made up my mind to waste no more money for doctors or medicine, but to die as easy as I could. One day, as I had been so long sick that I felt completely discouraged. However, after hearing several advertisements of Dr. Schenck's medicines, I concluded to get a few bottles of Dr. Schenck's medicine a fair trial, and now, nearly two years afterwards, I am in good health, by taking five bottles of his medicine, and I cheerfully state that it has made a perfect cure of me. I am a well man, and I attribute my good health and signs of constitution entirely to Dr. Schenck's medicine. I enjoy better health to day, Feb. 4th, 1861, than for three years past. If persons knew the good that I have done for every person I recommend, they would not hesitate to call on him in his visits to this place, and benefit to call on him in his visits to this place, and benefit themselves. I am Mr. Fisher's, Machinist, in this city, or at my residence, Ann street, Allegheny city.

Miscellaneous.

A Card to the Public.

THE amount of bodily and mental misery arising from a neglect of small complaints is incalculable, and it is therefore of the utmost importance that a strict attention to the least and most trifling bodily ailments should be had; for diseases of the body invariably affect the mind. DR. MOFFAT'S VEGETABLE LIFE MEDICINES, in every instance where they have been th roughly used, have TRIUMPHED OVER DISEASE in almost all its diversified forms. The salutary effects of the Life Medicines have, in fact, been so universally experienced, that they have become fully established as the most easy, safe and perfect mode of treatment ever offered to the public.

THESE MEDICINES

Have now been before the public for a period of 30 YEARS and during that time have maintained a HIGH CHARACTER in almost EVERY PART OF THE GLOBE for the extraordinary curative properties which they possess.

IN MANY THOUSANDS

of certified instances, they have even RESCUED SUFFERERS from the very VERGE OF AN UNTIMELY GRAVE, after all the deceptive nostrums of the day have invariably FAILED. So great, indeed, has their efficacy invariably and infallibly proved, that it has appeared scarcely less than miraculous to those who were acquainted with the beautifully philosophical principles upon which they are compounded, and upon which they consequently act. It was to their manifest and sensible action in purifying the springs and channels of life, and enduing them with renewed tone and vigor, that they were indebted for their name.

MOFFAT'S LIFE PILLS!!!

Are composed of VEGETABLE INGREDIENTS EXCLUSIVELY, as can be ascertained by CHEMICAL TESTS. Their prominent qualities are those of an active and searching, though perfectly mild and agreeable detergent aperient of a gentle operation, promoting the insensible perspiration; of a pleasant diuretic, invigorating the kidneys and bladder; and of a delightful tonic cardiac, exciting appetite by the demands of active digestion, and cheering the mind with that grateful sense of renovated health which is one of the most infectious feelings of our nature.

THE PHŒNIX BITTERS!!!

So dominated from their astonishing power of creating new life and strength, as it were from the very ashes of the most dilapidated constitutions—are more strongly tonic and more immediately invigorating than the Pills containing the same choice vegetable extracts as the latter, in a different medication. Although really less cathartic than the LIFE PILLS, they nevertheless begin to operate the alimentary canal much sooner, generally slightly operating within three or four hours, and producing a decided sense of relief to the Head and Stomach, and exhilerating the mind, even in less than that.

MOFFAT'S LIFE PILLS!!!

In Affections of the Head, Sick Headache or Nervous Headache, these Pills will be found to possess the most salutary efficacy.

MOFFAT'S PHŒNIX BITTERS!!!

Have been happily used for the cure of FEVER AND AGUE, with INVARIABLE SUCCESS!

BILIOUS COMPLAINTS, AND A MODE OF CURE!!!

IF a well-regulated and proportionate quantity of bile upon the stomach is always requisite for the promotion of sound health—it stimulates digestion and keeps the intestinal canal free from all obstructions. When there is a deficiency of it, the food is constantly coiling in the stomach, an overabundance of bile causes frequent nausea in the stomach, and often promotes very severe attacks of disease, which sometimes end in death

Dr. Moffat's Life Medicines!!!

Should be taken in the EARLY STAGES of Bilious complaints and if persevered in strictly according to directions, will POSITIVELY EFFECT A CURE!

PILES! PILES! PILES!

As a remedy for this most distressing and obstinate malady, the VEGETABLE LIFE MEDICINES deserve a distinct and emphatic recommendation. It is well known to hundreds in this city that the former proprietor of these valuable Medicines was himself afflicted with this complaint for upwards of *thirty-five years*; and that he tried in vain every remedy prescribed within the whole compass of the *Materia Medica*. He not only long tried the Medicines which are now offered to the public, and he was cured in a very short time, after his recovery had been pronounced as totally improbable, but absolutely impossible, by any human means.

MOFFAT'S

Life Pills and Phœnix Bitters!!!

CURE DYSPEPSIA, by thoroughly cleansing the first and second stomachs, and creating a flow of pure, healthy bile, instead of the stale and acrid kind. FLATULENCY, LOSS OF APPETITE, HEARTBURN, HEADACHE, RESTLESSNESS, ILL TEMPER, ANXIETY, LANGUOR, and MELANCHOLY, which are the general symptoms of Dyspepsia, will vanish, as a natural consequence of its cure.

THE

LIFE MEDICINES!

FOR BILIOUS and LIVER COMPLAINTS, with their many well-known attendants, *Bilious and Sick Headache, Pain and Oppression after Meals, Giddiness, Dizziness, Heartburn, Loss of Appetite*, are acknowledged to be vastly superior to anything ever before offered to the public.

MERCURIAL DISEASES.

Persons whose constitutions have become impaired by the injudicious use of MERCURY, will find these medicines a perfect cure, as they never fail to eradicate from the system all the effects of Mercury, infinitely sooner than the most powerful preparations of Sarsaparilla.

SCROFULA!

The most horrible cases of *Scrofula*, in which the Face, Bones and Limbs of the victim had been preyed upon by the insatiable disease, are proved by undeniable authority of the sufferers themselves, to have been completely cured by these purely Vegetable Medicines, after all others had been found more than useless.

Acute or Inflammatory Rheumatism!

ANTHROSIA CHRONICA, OR CHRONIC RHEUMATISM!!

Three diseases, which are among the most painful, and, by ignorant treatment, the most intractable to which suffering humanity is liable, are CURED, *speedily and permanently cured*, by a proper course of the LIFE PILLS and PHŒNIX BITTERS.

MOFFAT'S PILLS AND BITTERS!!!

But it is unnecessary to enumerate the many cases in which these simply vegetable medicines have been successful; but let us inquire, Why are they so UNIVERSALLY to their happy effects?

Because they PURIFY THE BLOOD, and thus removes all cause of disease in the system.

Because they act immediately upon the secretions of the body, and remove all impurities at once.

Because they do not reduce the system, but invigorate it by giving a healthful restraint from pleasure or laziness during their operation.

TRY MY MEDICINES!!!

Try but a Single Dose of the

LIFE PILLS!!

TRY THEM! BE SATISFIED!!

BE CURED!!!

RICHARDSON'S

IRISH LINENS,

DAMASKS, DIAPERS, &C.

CONSUMERS OF RICHARDSON'S LINENS, and those desirous of obtaining the GENUINE GOODS, should see that the articles they purchase are sealed with the full name of the firm.

J. N. RICHARDSON, SONS & OWDEN,

as a guarantee of the goodness and durability of the Goods.

The caution is rendered essentially necessary, as large quantities of inferior and defective Linens are prepared, season after season and sealed with the name of RICHARDSON'S, by Irish Houses, who, regardless of the injury inflicted alike on the American consumer and the manufacturers of the genuine Goods, will not readily abandon a business so profitable, while purchasers can be imposed on with Goods of a worthless character.
