ANOTHER CURE BY DR. SCHENCK.—I called on Dr. Schenck some time ago in spite of his visible reluctance, at the office of Dr. Keyser, No. 140 Wood st. He saw me examining my eyeballs with lung disease. One of my eyes was entirely bloodshot, and the veins were found to be badly diseased and the transparent cornea was found to be badly diseased. Obstructions were found to exist in the minute blood vessels. Obstructions which I had eight months and a half ago. I had night sweats and a terrible cough, and was greatly debilitated. Dr. Schenck prescribed for me his "Pulmonic Syrup," "Seaweed Tonic" and "Mandrake Pills." After taking them one month I have so far recovered that I do not spit any more with blood, my cough has entirely left me. I weigh 170 lbs. I consider myself a well man. I am in Cincinnati, Ohio, where I am well known. You may publish this if you wish.

MARTIN KOCH.

Pittsburgh, April 27, 1860.

NOTE.—From the above statement, Mr. Koch has entirely recovered, and continues well, having regained the usual health.

I, WILLIAM W. ALEXANDER, residing on Ann street, Allegheny city, do hereby certify that I have been a sufferer from severe cough and pain in the breast for several years. During the whole of this time I have had general debility and depression of spirits. I tried every nostrum I could hear of, but nothing took hold of my disease. I heard of Dr. Schenck's Seaweed Tonic, Pulmonic Syrup and Mandrake Pills, and was personally persuaded to try them. I did so, and with confidence, for it, in April, 1859, I took a several months course, and found immediate relief from the difficulty of respiration, connected with a free expectoration, which so penetrated me that I was confined to my room for two months.

Several of my friends who called in see me, spoke in very discouraging terms of my case, and said they would not take the chances, live or die, as I had been so long afflicted. I myself, discouraged, no confidence in medicine, but still determined to give Dr. Schenck's medicines a fair trial, and I continued to do so for several months, when I was completely restored to health, by the use of Dr. Schenck's medicines
