PITTSBURGH MARKETS.

PITTSBURGEN SALEATS. OFFICE OF THE FITTSBURGEN GARNETE.] MONNAY, Jan. 8, 1857.] Th produce markets were extreadingly dull and inactive to-day, wall a may be attributed the outreme cold weather, which always has a tendency to retard out-door operation. There was nothing done searcely, aside from the regular petty daily transactions, and we have no round lot sales to report. GRAIN-Wheat is in demand and with a light supply and limited arrivals, prices arr pretty well sastalized. Outs-sale of 1 car, on truck, at 55 also, small sales from store at 56 18 (crn is-sailing in a small ways to to 73 Is and 20, 52 (100) in good to choice brands of the type of good Spring Wheat brands of the first statistic of car common Full at 6100. If ye is wonted at 50 to 55 but little offering. FLOUR-15 dull and acgleted, but norm-ingly unchanged. Small sales from store at 66 Winter Wheat. Byo floor is built and normarket pretty well so to 55 but little offering. FLOUR-15 dull and a spliced, but norm-ingly in a small sales from store at 45,50 for good Spring Wheat brands of 7 mil-by, and 810,552 (105) for good to choice brands of Winter Wheat. Byo floor is built and northerly mominal at \$67,677, per bol, and backwheat and the statistic of prices are sol-ble Mess. Pork at 920. Dressed Hogs are sol-Beread way are 102. Spli

Ministry of the second seco

COXCLUDING REVARES.

CONCLUDING_BENJARES. The writer has endeawared in former reports to urare the claims of the Young Mens', Library and Mechanics'. Institute upon the community methods in the Association of their own persever-ing morts in its behalf. The subject cannot be pressed too frequently or foo carically. The effect of such an institution is to in-erras the intelligence of the people-among whom it is placed to, improve their morals to chas them away from the handles or vice, and report in dangerous and degraviting associa-tions.

tions. It makes men of busiliess, also men of infor-mation and cellure's leaffortis to profession-al men and editators such facilities for study and research as nitizator resources rarely sup-joy. If gives the mochanic and laborer the means of making their labor and skill more intelligent and meetul, and in doing all this, it advinces the cause of religion and the honor and prosperify of the community and of the nation.

nution. Idlen crasmay be said to be more productive of wit than will-for is idleness originates most wice. With books and a pleasant place in which to enjoy them more need be idle. It is not a reply to this, to say that many have no taste for reading-for when there were no hooks here were no readers, and no taste for cra may be said to be more production

The jury retire ate upon a verticel, and cause to a but the court having adjourned it rendered until this morning. omination of City Officers-Republicat The Republican members of City Councils assembled last evening, in caucus, for the purassembled hast evening, is calcues, for the pur-pose of noninating city officers, to be dected for the ensung year. A resolution of "secre-sy", was adopted, but "somehow or other" the noninatibns have "leaked out," and of course we will be pardoned for publishing them. Many of the old incumbents have been "ousted," as will be seen by the following list: Recording Regulator-Charles Reichspfarr, City Assessor-Gupt R. Nobs, September 10, North-Captain S. Kit-Sort. Market M. K. Isain

Clerk of Markets-M. F. Irwin. Mononrabela Wharf Master-James Ker

Monongancia wharf Master-Jaurs Ken-redy. Allegheny Wharf Master-David Davis. Salt Inspector-Jacob Fedder. City Printers-*Genetic* and Dispates, (English) and Ferebrick Freud, (German). Street Commissioner, First District-John H., Hunter, Street Commissioner, Scend District-John Asserburgt Water Rents, Scend District-John Asserburgt Water Rents, Robert Star

inn, Assessor of Water Rents-Robert King, Superintendent of Water Works-Joseph Tench.

Superintendent of Water Works-Jaseph French. Bark Measurer-John Poliock. 2003 Board Measurer-First Ward, R. Walker: Second, Joseph Wilson; Fourth, Rowan Me-Guure; Fitth, A. McCleiland; Sith, James Me-Masters; Seventh, Robert Donaldson; Eighth, J. A. Welks; Ninth, Samuel Mitcheil; Tonth, Wm. A. McCaushand. Councils will meet this evening, as required by law, for the purpose of electing city officers, but information in the cances nouninations have always been rightly adhered to, the action to-night will amount to nothing more than a coll-fication of the noninations given above. Election of Insature Directors. At dections held by the various Insurance Infanticide Case.—The case of Elizabeth Grim, indicted for homelode, (infanticid...) was called up in the Criminal Lourt yesterday, with a rive to trial, but on motion of the coun-sel for the defense (the defendant not being in readiness for trial,) the case was deferred for a few days.

At elections held by the various Insura

companies for Directors, on Monday, he st nstant, the following were chosen:
