Analy, Jan. 16. 18.

Tath Assembly.—Shee your last session the charges against certain officers of the municipality of New York have been presented to ne for my action as the Executive, under the prevision of section 3c, chapter 46. Laws of 185, and section), chapter 48, taws of 185, and section), chapter 48, taws of 185. I entired upon the theory one sheat decision to the convention of the my section of the my section of the convention that while up public effect should be irresponsible or free from all proper checks against excess of authority, neither should be irresponsible of free from all proper should be irresponsible of the law be enforced except upon clear and well-established proof of miversation in office. Fully impressed with these considerations, and a sense of the magnitude of the investigation of such the progress of such examination I find

have proceeded with the investigation of such charges.

In the progress of such examination I flud that the proper determination of the question presented will require the examination of voluminous documentary testimony, and a large number of witnesses, which will occupy more time than I am able, in the proper discharge of my official duties to bestow. I have not availed myself of the authority given me by law to direct the District Attorney of the city and county office work representations are such as the discharge of the necessary duties devolving upon that officer wenterfully submit the subject tention.
