Newspaper Charoes.—Mr. F. B. Penniman, har of Romeadale, Pennsylvania, mas assumed the editorial conduct of the Pittsburgh Gazette, and we are giad to notice already the beneficial results of this new connection. Mr. P. is one of the ablest tent in the State, and will very soon bring the Gazette up to its old position of indicate and assembless.—Pulled sphin Dady Nator. hero just now. RONJOHO A. BENGHAN ON THE WASIA OF MEPRE One of these marked efforts which have given the Ohio delegation in the House such a high nosition, was made to-day by Hon. John A. Bingham. It attracted universal attention, and has done much to harmonize the views of the party. The following are the main points of the aspech: The public safety demands imperatively, an amendment to the Constitution. The loyal people who saved the republic by arms, must save it by amending its organic laws. If it be not done, we may find, when too lare, that the ballot in the hands of conspirators, is more dangerous to the public safety than the hayoner. The amendment pending leone of several. If we pass but this one is tremble for the future of my country. Others are assential—one prohibiting the payment of the rebel debt by the United States, or any State, and to prevent states from pensioning rebels or paying them damages for suferings in this rebellion. As the censtitution now stands, Congress cannot, prevent this when these States are once restored to power in the emourage for sufferings in the rebelliors as the constitution of the payment of the suffering states are once restored to power in the theory of the suffering states are once restored to power in the change for suffering the payment of the suffering states are once restored to power in the change of the suffering states are once restored to power in the change of the suffering states are once as the suffering suffering states are once as the suffering states are suffering to the suffering states are once as the suffering states and suffering states are suffering to the suffering states are suffering to the suffering states and suffering states are suffering to the suffering states and suffering states are once as the suffering states are suffering states and suffering states are suffering states and suffering states and suffering states are suffering states are suffering states and suffering states and suffering states are suffering states and suffering states are suffering states. turg Tetegreph.

The Pittsbergh Gazette.—We observe that Pittsbergh Gazette.—We observe that P. B. Fenninan has again taken hold of the relitorial cur, and is the principal editor of this pile and indicated journal. After it can be relited and under his management, the Gazette will lose, none of its Jorner popularity and power.—Lancater Etuminer. empower Congress to enforce the guaranties of the constitution and secure equal rights to all citizens of the United States in every State. all citizens of the United States in every State. The amendment pending confors no new power ipon any State, either expressly or impliedly 11 leaves representation where it is now under the Constitution, but seeks to enforce invery. State, respect for the express rights of every citizen of the United States, and imposes a penalty for the denial of those rights by any State, appearance, by restricting to the extent of race or color, by restricting to the extent of such class so denied their rights the political power of such State in the Government of the Union.

Annual Meeting of the Massachusetts
Anti-Slavery Society.

Bostos, January 55. The fifth annual meeting of the Massachusetts Anti-Slavery society was held to-day, Edmand Quincy, the President, in the chair. Among the resolutions of terri was one to dissolve the Society, which have rise to a long discussion, in which William Hoyd Garrison said the nation had decreed, by its organic law, utter extinction of slavery. The public sentiment, was connected with any confirmed in its devotion to freedom, and the feet of war had added its crushing trend to the extinction of slavery. The word anti-slavery has been anti-slavery. The word anti-slavery has no anti-slavery. The word anti-slavery has no anti-slavery. The word anti-slavery has no anti-slavery. The men and when not fill society were fanatics, incendiaries or indices no longer. They had not come up to them. Henceforth, the members of the Society mean to enter on a now work, nor anti-slavery work, but the education, the elevation, the political rights of hepopry, and friendlies to apported by madact with the masses of the American people.

Wendell Phillips and others opposed the proposed to dissolve, and on a yet the resolution-was defeated. New effects of the American people.
