SAS FRANCISCO, January 27—Aostralia adveces of November II state that public earlies still remained in a disturbed state. There labers an extensive strike by the workmenon the destern Railrond, but it was quieted down the first and work.

Rain has the commenced to fall doing great benofit to the commenced to fall doing stream the commence from timping the commence of the commenced to fall the commenced to a successful the

Diamond, Gold and Silver Discoveries in Idaho—Flood at Sacramento. Idaho-Flood at Sacramento.

SAF PLARKIECO, JAN. Z.-Humboldt papers zive a glowing account of the discovery of diamonds, gold and say in Idaho.

Amos Phinney and company, extensive lum ber dealers in this city, have failed; liabilities reported at \$400,000 the water in the river at sacramento is nearly twenty-three feet above the low water mark, the lowes still held back the flood. The low lands of the surrounding country are flooded, and familiar et driven from their homes. A change of weather indicates relief from greater damage, and the escape of Sacramento.

Official News From Mexico-Expedition Sent Against Juares. Onicial News From Moxico-Expedition Sent Against Junes.

Washington, Jan. 28.—Official news up to the 20th of December, has been a deviced from El Paso, the present seat of the Mexican Government, that after the occupant of Chinahus by the French, they sent to French that the County of Chinahus by the French, they sent to French the County of Chinahus by the French, they sent to French the County of Chinahus by the French the County of Chinahus by the French the County of Chinahus and made other preparations to resist the Interdest with every chance of success. When the Chinahus the
