the use of all the repulsion of this continent, and the use of all the means in their peace.

Mr. Whaley demanded the previous (mestion but the House by a vote of 13 to 35 refused to become it.)

In motion of Mr. Ranks, of Massachusetts the resolutions, were referred to the Comman.

PITTSBURGH, WEDNESDAY, FEBRUARY 14, 1866.

COLLECTION OF SOCTRERN DEBTS.

MAXIMALLIAN CONSUMING HIS LAST RESOURCES.

hetter from President Junrez to a friend in this country. He say that the enemy is consuming his last resources and his toreca are becoming demoralized. He is very hopeful of the republican cause in Mexico, and says that without the necessity of the United States taking any part in the war they will be able to obtain the definite triumph of the cause of intional independence. The attitude statement by the fovernment of the United statements by the Government of the United statements has given a great moral support to the republishing given a great moral surport to the republishing fiven a free independence. The attitude correspondent says that while in the vicinity of Vera Cruz there is an appearance of great commorcial activity, there is little reality in it, nearly all merchandise arriving being for the French portion of the Imperial army. Immense supplies or ordinance and ordnance stores have recently at the recently of the repeting the French to openly condomn the Imperial too-criment.

Frinchto openly condomn the imperial tecrnment.

Irish Version of an Old Fable.

VOLUME LXXX.---NO. 38. PEMALE LECTURERS.

MESSA EDITORS GAZZITI:—"Presbyterian," in the article in this mornings Commercial, uses the following language: "to my mind, it because the following language: "to my mind, it because boot as unnatural for a woman to leeture as for a hen to crow," and yet it will not be denied, I suppose, by any fair minded man, that there are many women, at present, engaged in lecturing that are producing immence geseation—they draw as large and initialigent audiences and are producing as profound impressious as any of our male lecturers. "Presbyterian" adds: "If it is admitted

that that there is no barrier between the sexes, what argument is left to bar them from the

that that there is no barrier between the severwhat argument is loft to bar them from the
polls, the legislature or from any professions
of man's." In reply to this I must say that
my own profound conviction is there should
be no civil barrier. Women should have just
the same equal rights of "life, liberty and the
pursuit of happiness."

Hoes "Presbyterian" pretend to say that
women have "liberty or happines." I denthat littly have in the legal sense of the
that littly have in the legal sense of the
difference of the liberty of the protended the ballot, for the the ballot that
tankers persons free, and there is no freedom
without it.

In a republican government it is supposed
that each individual forms a part of the government. It is that form of government, which
exists in the consent of the government. It is that form of government. Not only
such but shade is taxed without her consent. Not
she is governed without her consent. Not only
such but she is taxed without her consent. I
there justice or deceney, or cherty of the
under a despotism. Our government may be,
and is a republicing government, so far as voters are concerned, because they can protect
to muselves in all their rights by their votes,
but as for women and negroes it is generally
supposed they have no rights we votes are
at all bound to respect—except such as the
low will concelle to the land.

As the proper of the land, and the proper of the first of such were to
find it proved in the death we should
breath a new atmosphere if such were to
find it one thing we intgit be sure, she would
be the shirty down the threat of her habund, son or brother. Doubtless the women
in our Sitte and National touncils would have
a restraining and refining influence.

The day is not so far distant as we are api to
imagine, whom husbands and wives, brothers
and sisters arm in arm, in their best rig. Will
be seen walking to the polis orderly and quicity depositing their boils orderly and as quickly resiring. In his the decided days
will have a
trift fe

GENERAL NEWN. Extraordinary Resurrection.—Four days after the rebels fired on Fort Sumter, a son of Mrs. Duncan, of Mecca, Ohio, enlisted for the war. He joined a Western regiment, and after

yar. He joined a Western regiment, and after being in several battles, was reported killed at the battle of 'Stone' Elver. His body was brought home and interred. Afterwards in reliigance was brought to the parents by returned Union prisoners that their son was not dead, but in a rebel prison in Georgia. Other prisoners, returning from there last spring, brought the sad newsof his dealt it of the sorely distressed family. Then the war closed an opportunity was offered to penetrate the rebel lines! "Art. Dungan sent down and had his son brought home sgain and barden. Having had him buried twice, ha was supposed, it was natural that they should be reconciled to their loss; but a few days ago their son Bob, in spite of wounds, and deaths, and funerals, came 'marching home,' and is now enjoying the hoppitality of the parental root. His case is a strong but, out it is only one of many of the same kind which the history of the war revenue.

blocks, who thought it was an earthquake.

The ense of trichins, in Detroit, proves, on investigation, to have been an earthquake.

The ense of trichins, in Detroit, proves, on investigation, to have been an extent. The victim was a German woman who had been investigation, to have been an extended in proving, beyond a doubt, that the disease was trichins. A small portion of fissh, about the size of a pinhead, was examined through the microscope, and found, to fontain large numbers of animal-ould, would remain the size of a pinhead was examined through the microscope, and found, to fontain large, numbers of animal-ould, would remain the interest of the trichina spirals. In Explant AxD False Collins spirals. In Explant AxD False Collins and the forest the trichina spirals. In Explant AxD False Collins, the spirals of the cast-less of the case-has not been without results. From a recently, issued report on the subject, it appears that during December, that, while in Great Britain 72500 animals were attacked, and in Holland 1,500 were selected, only forty-times been single of the cast-less than the whole French Emples were victims to the raviers, stongarde localities, had the control that the subject, it appears that during December, there are the collisions of the control of the first december of the subject of the control of the control

and eighteen remain in the institution.

'Inx citizens of Michigan City, Ind., at the head of Lake Michigan, are still "agitating" the subject of making a good harbor at that place. Of the \$20,000 that will be needed to have the success of the enterprise, and the citizens are sanguine of their ability to raise the remainder.

remainder. In a traveler by railway wishes to know the rate of specia at which he is going, he has only to take out his watch and count tie telegraph poles as the passes. The number of special poles as the passes. The number of special poles as the passes, and fifty seconds will indicate the number of miles per hour the train is moving. This, of course, is based on the assumption that the posts are piaced at terrods interval which is commonly the case. cas interval which is commonly the case.

Ar a meeting of the Board of Trade of Deroit a memorial was adopted asking Congress to increase the duty on copper in order to protect, the copper interests of the State.

Che present duty on copper from from foreign increasely contained the recent of the state of the copper producers of pound; consequently the copper producers of pound; consequently the copper producers of

products.

The Sandusky Register says the lowest depth of deprovity we over heard of being reached is that of walking four miles on the loe, after that deteiling cannon halls to sell for old from this is no fittion either. The cannon halls in the fort on Johnson's Island were disappearing so explicitly of nights that it has been pecessary to lock them up.

Methodist Delegation with the Prest dent-Lecture by Fed. Douglass.

Massistore, Fed. 18.—To-day the delegat'on appointed by the Conforence of the listil' robranch of she Methodist Episopal Ci. ch, South, in session at Alexandria, waited ... on Fresident Johnson. It consisted of Hev. Samuel Register and Rev. St. Bussell, presiding defensal Rev. Dr. Bond of Baltimore. there was a basel of the President Rev. Dr. Bond of Baltimore. Hev. Mr. Wilson addressed the President, saying they had waited upon him to assure him of the hearty co-operation of their body in all matters coming within its legitimate sphere of operations, in so far as that may be necessary to secure and maintain the peace and quiptness of the country. He said they copresented one hundred numbiers and find, with a membership of twelve non-sund and double that number of hearts.

The President received the delegation courteously, such member being introduced to this personally; and after a pleasant interview the party willdrew and returned to the Conference at Alexandria.

At Dr. kunderland's church to-night, Chief Janton Chase introduced Frederick Douglass to a dense and the second received to the member of the incident of the incidence of the presentatives, responded to the general call, and placed himself squarely on the platform of the protectures own race. He was applianded throughout. Judge Kelley, of the House of Representatives, responded to the general call, and placed himself squarely on the platform of the protecture of the protecture of the protecture of the platform of the pro New York, Feb. 13.—The Fortress Monroe correspondence of the Herald states that Willard, a banker of Norfolk, has defaulted, and departed with \$40,000.

The steamer Star of the Union, from New

at one end while the savil was going at the other.

Mr. Sumner said that did not apply to him. It must be meant that the democracy were immering at this end.

Mr. Henderson assured Mr. Sumner that he was the man whom the President meant.

Referring again to the interview between the Virginia delegation and the President, he was interrupted by Mr. Wilson who said! I want to ask the Senator if he has any antherty whatever in regard to the opinions of Mr. Salvin or any men in the country who sympathize with them, that they will be able to infuence affairs in any of the States that in 1861 whether of Mr. Lincoln for Fresident. I ask if he does not believe that hesses State by a declaive might by a declair of the same of Mr. Henderson then discussed the right of Congress to disfranchise the rebels. He believed that the right existed and pught to be exercised.

On motion of Mr. Doolittie, the Senate, at 3:15, went into executive session, Mr. Henderson not having concluded his speech, and soon after adjourned.

HOUSE.

tion.

Mr. Henderson addressed the sensie at length in favor of the amendment offered by him recently, prohibiting any State from withdrawing the decident franchise any state from withdrawing the decident franchise on account of once, and said the President in his speech to the Virginia delegation had said that he regarded that was known as the indicate party as the system of the president and the sensity supported the President and the administration almos his accession to the executive chair. His object was to restore, if possible, at the earliest possible imment the union of these States.

Heferring to the Amnesty Proclamation of Air. Johnson, hedenied the right of the President of grant amnesty to rebeloxcept on conditions prunised by the set of July lim, which requires that an oath must be taken before amnesty, can be granted. Adverting to the proclamation be denied into the table to the president of rotars as he had done in that proclamation. He believed the State governments in the bouth must be organized before there could be a perfect union of the States; but if the State governments were turned back to the mon who had been in rebellion was it not reasonable to expect that they would rebelagatal He would ask ask the Senate if Congressed out the same and that the control of the capture of the state growth to be done. The men who went into the rebellion output to be distranched and prevented from taking part in the work of roorgastration. He read from the address from the Virginia delegation to the President, and comparison of the same and the varies of the rebellion output to be done. The men who went into the rebellion output to be distranched and prevented from taking part in the work of roorgastration. He read from the address from the Virginia delegation to the President, and remarked the mone was a mombur of the loce for Governor of the same and the same and the same show the loce for Governor of the same and the loce for Governor of the same and the loce for Governor of the same and the same and t

Virginia delegation. He refers to such man as
the Senstor from Massachusetts. He is the
most dangerous man I know of. He is always
making whitewashing speeches and doing
other dangerous things. The President alloded to him whon he talks about hammering
at one end while the savil was going at the
other. HOUSE.

Mr. Whaley, of West Virgima, submitted the following presmitte and resolutions, namely:

"Whereas, The sentiment of the American interpreting of the Solution and the American interpreting of the Government towards the republics of this continent, and representing in unmistakable language, the erection of a meanarby upon the rules of the neighboring republic of floxice.

"Wheneas, A flagrant infraction of this American continental policy occurred whith institution was in a conflict for its own unity, which conflict is now happly ended; therefore. which conflict is now happing ontout; techorers, Resolved, let. That this House do hereby remitted the resolution of the last session, and iteration to the last session, and iteration for the last session, and the introduction of a scheme or policy which arrives with it a right to interfere in our own as well as the affairs of all the republics of this continent, is a measure to which this constant continent, is a measure to which this constant continent. The measure of the last continent of the last continent of the last continent of the last continent of the last continent.

flow, Hamilton was notified of the organiza-Convecticut Republican Convention

Mr. Bingham, at the suggested of Mr. Ster-ms, Huyed to recommit the resolution, and

the same was conferred and that the names on the army register shall be similarly defignated.

The House proceeded to the consideration of the much contected election case of hand of the much contected election case of hand of the contected process of the context. By the act of the Logislature, a large number of votes were east by a clidier outside of the limits of the State. If there works can be lawfully counted, Mr. Trowbridge has a majority of the whole and is elected to the east. If not, Mr. Buldwin having a majority of the home work is entitled by the constitution of the state. If the work is a majority of the whole and is elected to the east. If not, Mr. Buldwin having a majority of the home work is entitled by the constitution of the State, taking the Committee any that the elector is probibited by the constitution of its Supreme Court as correct, from voting outside of the township or ward in which he resident but in the probability of the constitution probability approach to the country, to wote even outside the state. There is an unistakable conflict of authority. The country, to wote even outside the state. There is an unistakable conflict of authority. The constitution probability what the Left at all in the presence of the constitution of the United States. They conclude their argument by eaping the power to preserve the place whether, called a quilification illustration of the United States. They conclude their argument by eaping the spower to preserve the place whether, called a quilification illustration or condition, is sail vested in what the constitution calls the logistature, and there it must remain the context of the major of the Committee, therefore, report a resolution that slowland illustrated of mathority of the Committee, therefore, report a resolution that slowland illustrated of Michigan.

Mr. Marchail, of the minority of the Country in the constitution is the constitution of the Country of th

gress from the rate of the Michigan.
Mr. Marchall, of the minority of the Committee, awa in his statement that having care in the statement that having care

Mr. Marchall, of the minority of the Conmire and the statement that having reacrifly readdered the questions of law involved
in this case, he has come to the conclusion that
Mr. Raidwin was duly elected. Marchall comhats at some length the positions assumed by
the majority, and concludes by a rasolution
that Augustus C. Baldwin is entitled to a seat.
Mr. Bennam addressed the House on behalf
of Mr. Trowbridge, and was followed by Mr.
Mr. Baldwin, the contestant, being too ill to
speak obtained concent to print his argument.
The House adjourned.

ingur, Hamilton was notified of the organization and sent a message, recommending
among other things, the reputilation of the
religible state debt.
The Convention appointed Committees on
the condition of the State, executive and legisintive departments and judiciary.
Induced the secession convention, is Chairman of the Committee on the general provisions of the constitution.
Judge Hancock is Chairman of the Committees on elections, printing, education, public
fants, Indian affair, edg.
The constitution of the President's
Amnesty Proclamation are entitled to a saa,
and a substitute, to refer all credentials to the
Committee on Elections, were referred. Recolutions to adjust debts contracted on a basis
of Confederate money, to inquire after the
records, library and farniture of the Supreme
Court, to extend relief to parties owing debts
prior to the war, and to establish separate
Criminal Courts, were all referred to appropriate Committees.
