

MR. GEORGE LUNT, of Boston, recently published a book on "The Origin of the Slave War," in which he endeavors to maintain the theory that the rebellion was caused by the scruples of Northern men against slavery. Speaking of his probable appointment as Professor of Mental and Moral Philosophy in Washington College, the Richmond Spectator says "It is to be constituted 'Professor of Mental and Moral Philosophy' in Washington College. So much a man gets by unprincipled subserviency."

INFORMATION IS WANTED OF GEORGE L. SUTHERLAND, 7th Regiment, Pa. Vol., who was taken prisoner at Chickamauga, and sent to Andersonville prison, and is supposed to have died there. Any communication to the Editor of the Pittsburgh Gazette, Exchange please copy.
