

FOR GOVERNOR. MAJ. GEN. JOHN W. CEAR, OF CUMBERLAND COUNTY.

Notice to voters that the names of the candidates for Governor and other officers are on file at the county clerk's office.

ENGLISH REFORM BILL.

The British Parliament and People, as well as the Congress and People of the United States, are agitated at the present time by propositions to extend the right of suffrage.

The British aristocracy is essentially conservative, and all aristocratic families have been in the habit, ever since Parliament was first called, of electing members of the House of Commons to sit with their own class.

Mr. Fowler, one of the applying Senators from Tennessee, and Mr. Hancock, a member of the Senate from Virginia, are the only ones who are not in favor of the bill.

Mr. WARD H. JAMES, who was nominated for the United States Marshal of the District of Columbia during Mr. Lincoln's administration, has published a letter in which he pretends to give Mr. Lincoln's latest ideas on the majority of the Republican party.

THE CONNECTICUT ELECTION.

Up to within a few days of the Connecticut Election, President James was Englishly glibly, but the indications were most unmistakable, towards the fact that HAWLEY would be elected.

There can be no mistake in this. I presume it is known, or can be ascertained, that candidates for Congress my policy or measures, as promulgated to the country.
