Mr. Thomas Costantino In

A FREE RAILROAD SAW.

the present construction matters of pixelists

\*\*PRES. NATEGORD 6.W\*\*

\*\*OPERIOR NATEGORD 6 confidently be relied upon to oppose either the granting of special charters to conflict with their interests, or, which is the same thing, a Free Railroad Law in this respect the conduct of the Pennsylvania Railroad Company is not exceptional, but in accordance with the uniform rule. The Reading Railroad Company, the Delaware, Lacka wanna and Western, the Pittsburgh, Fort Wayne and Chicago, and the Atlantic and Great Western. Company, are her all in the same category. There is a good deal of human nature in railroad managers. No private in arrivable business, is likely to invite competition, or to allow it if in his power to prevent it.

Moreover, opposition to a Free Railroad Law is to be anticipated not simply from the sure of the sure of the same of Austria would rise in revoit. The latest accounts put a different face on the result has been entained and interest for the gratified on the coast has made shrimps of the French oysters.

A DALIV line of Concord coaches be been established between Omaha and Sail Like, and a triw weekly last treight in the company are here all in the same category. There is a good deal of human nature in railroad managers. No private individual, having a profitable business, is likely to invite competition, or to allow it if in his power to prevent it.

Moreover, opposition to a Free Railroad Law is to be anticipated not simply from the sure return shall be made under the menace offered to the invite of the sure of the substraint of the sure of the control of the c

Men are not ordinarily so disinterested as ever may happen when the millennium

bers who are indifferent to the issue. These are the men who live in districts already sufficiently supplied with railroad facilities. By sympathy and neighborhood they are likely to incline to the restrictive policy. Having obtained under that policy all they for the South, in explanation of the Press. The sum of the South, in explanation of the Press. The sum of the South in explanation is a district of the South in explanation in the sum of the South in explanation is a district of the South in explanation in the South in explanation is a district of the South in explanation in the South in explanation is a district of the South in explanation in the Sout Beyond these, there are still larger num should be fully inaugurated, would be like-

desire they are naturally content with it, and fail to see why other people should not be.

Then there are the inhabitants of districts who are looking confidently, and not without cause, to one or other existing corporations to develop their sections through the construction of branches. Nothing is more natural than that they should either

of the South, in explanation of the Presidents of the procedure of the propose proclamation. They are informed that it does not discontinue martial law, and does not restore the privilege of the writ of habeas corpus. It was also stated to them that the roops are not in the withdrawn at present, that more will be sent to any place they are needed, and that the duties and prerogatives of the matural than that they should either

Will any admirer of the Presidents their property for the purpose funds to proceed with the develop Daniel William, Tennessee, has been arrested. Nashville and committed to jail the sent to any place they are needed, and that the duties and prerogatives of the matural law, and one previous their property for the purpose funds to proceed with the develop Daniel William, Tennessee, has been arrested in Te

be apathetic on the question of free railroading or actually in opposition thereto. Now, let any man take a map of Penn-sylvania, which addition to geo-graphical configurations the various railmmenced and in operation, and he will be able to compute, with approxi sentative districts are likely to feel a special interest in opening railroad construction to free commetition : and what districts

tricts from which they are spiointed. As cans

creating did not carry it for the Republicatives from which they are appointed. As Gov. Joses for is not a resident of the Twenty-third district, his appointment as Collector of that district is consequently it legal.

Aside from this, however, the people of the Twenty-second and Twenty third district many as well be notified that they have this matter in their own hands. The appointment of Gov. Johnston is put forward as a mere experiment—a feeler to test the temporal of the people. If they submit quietly to such appointments every one now holding office under the Government will be removed; but if they prove residye and resist such an encroachment, the cr-

the two Rouses of Congress. These same Democrats arged the Southern leaders on to rebellion with promiles of support, but arry, which states that the winter there falled when the hour of trial came.

If, when Lee and Johnson surrendered, Congress had been assembled in special of the coming of a shap load heard of the coming of a shap load of Estern of Courses had been assembled in special of the coming of a shap load of Estern of the coming of the shape of the coming of a shap load of Estern of the coming of the shape of the coming of the coming of the shape of the shape of the coming of th

ALSTRUA AND PRESSIA.

part of the Empire to draw together in a closer and more efficient union than now obtains, the Germanic powers are nealons.

IN one of Brigains Y or any other control of thinks to graph channels now thinks to graph channels now the bas, however, changes are

gary, as during the fierce trials of Maria
THEREA, will stand fast by the Austrian
throne, and will put a force of 150,000 mcn
into the field for that object.

By the rules of the Germanic Confederatory, the contingent of Austria, in case of a war is 160,000 mcn
when it follows that of Prussia 180. count on men undermining themselves war, is 160,000 men; that of Prussia 130, 000; and of the smaller States 200,000; this in order to give their neighbors a better chance.

Here are interested, numerous and powerful classes, who will be certain to thwart, if possible, all efforts for the obtainment of the law in question.

Beyond these, there are still larger num.

Cy, 'the contingent of Austria, in case of war, is 160,000 men; that of Prussia 130, 000; and of the smaller States 200,000; this ship Porter was destroyed by fire at Apalia chicola recently. She had 1,400 bales of cotton on board, half of which was saved in a damaged condition.

MR. DICKINSON'S SUCCESSOR.—Judge Charles A. Peabody is spoken of as the probable successor of Daniel S. Dickinson as United States Attorney for the Northern District of New York.

MOUNTARY has alreaded by Mountary has alreaded by the country of the smaller States 200,000; this should be fully inaugurated, would be like-

Will any admirer of the President's Policy explain what sort of Peace this is which ubjects the Civil to Military Law?

POLITICAL FEMS. THE VETO POWER baving been much liscussed of late, the following record of discussed of late, the following record of instances of its being wielded will be interesting to the general reader: By George Washington, 2; James Madison, 0; James Monroe, 1; Andrew Jackson, 9; John Tyler, 4; James K. Polk, 3; James Buchanan, 1; Andrew Johnson, 2.

will be apt to hold their members to nigid accountability if they oppose that proposition. We suspect there are more districts likely either to side with the monopolists, written a letter denouncing the whole movement, and demanding the wildrawal of his name. Mr. Willard is an opponent of his name of one of the eagles kept at the State capitol from "Andy" to "Thinothy. Thus while the presty sure to be at agreement and to act in concert.

The conclusion we arrive at is this: If the friends of a Free Rallread Law mean to succeed, they must resert to a thorough

the friends of a Free Rollread Law mean to succeed, they must resort to a thorough organization, device a just, impartial and comprehensive plan of operations, and pursue it with unflagging energy.

The Law regulating the appointment of United States Assessors and Collectors are quires that they shall be residented its and at they further say he would be appointed to the state of the Comparison of the Com

will be removed; but if they prove restlye and resist such an encroachment, the experiment will not be pushed any further; at least in such strong Republican districts as thas:

It is for the people; therefore, to express their disapprobation of the contemplated changes at once and emphasically. Every body, here knows that the geople of the Twenty-third district do not want Gov. Jounero's in the office to which he has been marked, but that fact must be made apparent at Washington to give it the desired effect.

The extreme Democratic journals still urge the President to resort to violence to give the Southern members alore; seats in two Rouses of Congress. These same Democratic street in Southern members alore; seats in two Rouses of Congress. These same Democratic street in Spothern headers on the Twenty allowed the firm; was a Major in the Union army.

We have seen a private letter from Wash.
