NOTICE.

OFFICE UNITE STATES PRIZE CONCERT, }
WIGGINS, BRADFORD & CO., Proprietors. }

WE WOULD MOST RESPECTFULLY announce that in consideration of the following cogent (as we trust satisfactory) reasons, we have finally concluded that a postponement would be equally advantageous to the public and ourselves, namely, that we prefer to

Dispose of all the Tickets and give the Public all the Prizes,

than to hold a quantity of tickets (as proprietors usually do) and thereby enhance our chances of drawing the large prizes.

The drawn numbers will be published in the city daily papers as soon as drawn, and when the drawing is over each agent will be furnished with a complete list of the drawn numbers.

In view of the above reasons, which we hope will prove eminently satisfactory,

WE HAVE POSTPONED THE DRAWING

UNTIL THE

9th Day of July, 1866.

CITY AND NEIGHBORHOOD.

(ADDITIONAL ON FIRST PAGE.)

A Police Officer in Limbo.

Officer Sarber, one of the police employed to preserve order on Fifth street during business hours, was yesterday brought before Mayor McCarthy, charged with drunkenness and disorderly conduct, on oath of J. C. R. Gardner. Several witnesses were examined, who testified that about four o'clock yesterday afternoon Sarber stopped in front of Mr. Gardner's, in the Opera House building, and began talking in a very boisterous and disorderly manner, which had the effect of attracting a crowd of spectators to the spot. On Mr. Gardner remonstrating with him he ordered that gentleman to leave, and also gave him an interesting piece of information to the effect that he (Gardner) had no business on the pavement whatever, as it belonged to some one else. After this Sarber left, but in the course of half an hour returned and again repeated the disorderly display, whereupon Mr. Gardner had him arrested as stated.

After hearing the evidence, both *pro* and *con*, His Honor gave the accused a severe rebuke for the manner in which he had been acting, stating that in consideration of his being a police officer—whose duty it was to suppress disorder, not create it—he would be compelled to impose a heavier penalty than he would otherwise do, and he therefore ordered Sarber to pay a fine of twenty-five dollars and costs, which he did and was discharged.

In justice to officer Thornburg, who is employed to act with Sarber in Fifth street, we think it proper to state that Mr. Gardner exculpates him from any participation in the disorderly conduct. From the view we take of the whole case we cannot see what new there is for either of the officers mentioned. Beside our regular police force, we have some thirty "specials," who duty it is to keep our thoroughfares free from obstructions and disorders, and we think they are fully competent to discharge those duties.

An Actor in Trouble.

Benjamin Trimble, the proprietor of Trimble's Varieties on Penn street, appeared before Alderman Humbert a few days since and made oath against Gustavus O'Donnell on false pretense. The deponent alleges that O'Donnell rented the Varieties for last Friday night, for the purpose of giving a performance there, for which he was to give Trimble $100.

Before the curtain was raised on the night in question, Trimble demanded the money, and refused to allow the curtain to be rolled up until he was paid.

The presence of several "roughs" behind the scenes, however, altered Benjamin's determination, and the entertainment was proceeded with. Although, as Trimble alleges, there was $100 in the house, the defendant refused to give him a cent further than one half. A warrant was issued for O'Donnell's arrest, but up to this time he is still at large.

"Knock Down" on the Wharf

Tuesday evening, on the Monongahela wharf, John stone and Patrick McCallister, having had a dispute, concluded to settle it in the same by the use of arms. The following was the result: Patrick was knocked down, and his nose mashed, and was otherwise damaged. Failing to obtain "satisfaction" with his muscle, he sought redress under the law, and applied to Alderman Strain to this end, making an information against him superior to the art pugilistic for assault and battery. Stone was arrested yesterday and held in $500 for a hearing. The prosecutor, according to the statement of Wm. Garvey, a looker on, was the aggressor, in striking the first blow, and an information made against him by Isaiah.

Church Festival.

The Girard Bonus has recently got quite a pleasing and enthusiastic "dedication" at the hands of the ladies of the First Baptist Church, who have been holding a festival for several days, in the newly fitted rooms. The festival is in successful operation, and close to-night. A fine dinner will be served to-day, from twelve to three o'clock, and from the satisfaction which everything has here hitherto been served, we shall expect another large delegation to-day. The evening will be given to the disposal of a large assortment of fancy goods, &c., while ice-cream, confectionery and a handsome supper will hardly fail to appeal to the taste of the visitors. The object is a noble one and the ladies deserve every encouragement.

Tobacco, Snuff and Cigars.

The attention of our readers is directed to the advertisement in another column of R. B. Jeffries, No. 6 St. Clair street. He manufactures tobacco into all of its numerous forms for use, and his brands of cigars, snuffs, chewing and smoking tobacco will always favorably compare with those of any manufacturer in the city. He sells either wholesale or retail. He has on hand a very superior stock, which he offers at rates which defy competition. A fine assortment of plain and fancy meerschaum pipes and cigar tubes is kept constantly on hand. Mr. Jeffries is a fair dealing business man, and, as such, is worthy and deserving of a large share of the public patronage.

New Base Ball Club.—At a meeting held in this city on May 30th, a new Base Ball club was organized, composed of young men belonging to the legal and medical professions. An election for officers resulted as follows:—President, Henry J. Gourley, Esq.; Vice President, George H. Christy, Esq.; Secretary, Dr. E. S. Tubastein; Treasurer, Joseph M. Buchanan, Esq. Executive Committee—Maj. Gen. A. L. Pearson, W. W. Shaffer, D. Daniel McMeal, Jr., Capt. Samuel Fullwood, Thomas A. Cain, C. S. Ammond, Esq., Dr. W. Snively, J. M. Graham, Dr. W. H. Daly, Col. Thos. Bayne, and S. A. Johnston, Esq. The association intend inaugurating the season by a friendly match game between the legal and medical members.

Ordered to Remove a House.—John McClarran made information before Alderman Morrow yesterday, charging Street Commissioner Flinn with direction of his official duties. McClarran alleges that there is a certain brick house on Second street, in the Eighth ward, built on the street in violation of the city ordinances, and that although he had notified Flinn of the fact some days since the latter had failed to act in the matter. There will be a hearing in the case to-morrow when the problem whether the officer accused has the power to remove a house or not will be legally solved.

Homeopathic Hospital.—To-day the Dispensary Department of the Homeopathic Hospital, No. 146 Second street, will be thrown open for the medical and surgical treatment of the poor, free of charge. The Hospital will soon be formally opened. As it is the first institution of the character ever started here, the public should do all in their power to support and sustain it. We shall again refer to the character and object of this praiseworthy and charitable institution. The Dispensary Department will remain open for the treatment of the poor every day from eleven o'clock till noon.

Trinity M. E. Church.—A series of entertainments are announced to be given in Trinity Methodist Episcopal Church for the benefit of the Sabbath School. On to-morrow evening Prof. J. B. Newell will lecture and give instrumental and vocal illustrations. On Thursday evening of next week a concert by the Sunday School will be given, and on the following Thursday evening, 14th proximo, a lecture will be delivered by Rev. W. B. Watson on the "Queens and Heroines and Royalty of English Words." Tickets for the course, or three entertainments, can be obtained for one dollar. Single tickets, fifty cents.

The "Whisky Court."—Yesterday, the 30th, being the day fixed for the hearing of applications for license to keep taverns, eating houses, and to sell liquor with other goods, Judges Sterrett and Brown were called upon to exercise the duties prescribed under the law. The applications numbered nearly two hundred, in the disposition of which the entire day was occupied. The examination of witnesses was more than usually rigid, and remonstrances were presented in many cases. The judges will be obliged to sit to-day, in order to finish the list.

Coming.—We are glad to announce the fact to our readers that Miss Charlotte Thompson, the great Pittsburgh favorite, will begin a brief engagement at the Opera House, in a few days. Miss Thompson is an actress of ability and a lady in the fullest sense of the word, and during her stay among us, we hope she will receive the reward due to merit.

Alleged Incendiary.—John Osterhuiza has been lodged in the county jail, having been committed for trial on a charge of willfully and maliciously firing a hay-stack, the property of E. C. McCorker, causing the destruction of the same. Justice Joseph Miller, of Snowden township, was the committing magistrate.

Nuisance.—Andrew Fleming and the heirs of Stacey Lloyd were before Alderman Morrow yesterday, charged on oath of Street Commissioner Flinn with maintaining nuisances on their premises. Both were discharged on payment of costs and promising to abate the nuisance.

Surety of the Peace.—Richard Newman yesterday appeared before Alderman Humbert and made oath against Andrew Cline for surety of the peace. A warrant was issued for Cline's arrest.

Large Strike.—By a late dispatch received yesterday in this city, it is announced that a thirty hundred barrel well has been struck at Burning Springs, West Va.

OUR EARLY TELEGRAMS.

FROM WASHINGTON.

Santa Anna's Commission—Interview with the Mexican Minister—Circular to National Bank Depositories—Assistant Secretary of the Navy—Action of Steedman and Fullerton—Commencing Telegraph with the Postoffice Department—Colorado Admission Bill—Jefferson Davis Ill—Charges Against Bureau Officers.

NEW YORK, May 30.—The morning papers have the following special dispatches from Washington: The results of the Commission that is here in behalf of General Santa Anna, may be summed up in a few words. Col. Vidal Y. Rivas, Col Mazura, and Baiz, arrived in the city on Wednesday evening. On Thursday they called in a body upon the Mexican Minister, Senor Romero, and had a somewhat protracted though unofficial interview. On the following day they presented their compliments to Secretary Seward. In the forenoon of Saturday they had another interview with Senor Romero. On the afternoon of the same day Colonel Rivas called on the Mexican Minister alone. He visited him again yesterday and to-day, remaining an hour or more upon each occasion. What transpired at these interviews had not been allowed to be made public. It is known, however, that they called on Romero as Mexican citizens, and that they were received by him in his individual capacity. It is generally believed that they desired his permission to proceed to Mexico in the interest of the liberal government, and it is also believed that General Romero declined to commit himself or the government he represents in any official manner until he has had an opportunity of communicating with its head and learning his wishes. All the statements are mere speculations. Mr. Baiz returned to New York yesterday, and Col. Rivas and Mazura will probably leave to-morrow.

Mr. Hooper, the acting chairman of the Committee on Banking and Currency, now engaged in investigating the condition of the National Banks, has caused the following circular to be addressed to each of the National Bank depositaries as Government Depositories:—By authority of a resolution of the House of Representatives, you are hereby required to prepare and forward to the Committee on Banking and Currency a statement showing the amount of money standing to the credit of the United States in the Treasury thereof. Also, all sums standing to the credit of any disbursing officer or of any officer or agent of the United States, stating the name of the officer or agent, and the amount to the credit of each, as appears by your books on the first day of May, inst.

Wm. Faxon, Chief Clerk of the Navy Department, has been nominated as Assistant secretary of the Navy, vice G. V. Fox, whose name is sent to the Senate as Assistant Secretary, under the act passed on the 24th inst., with limits the period of his office six months, and will enable him to visit Europe in his official capacity.

The *Times'* special says: There is the best authority for denying the report in some of the papers that the proceeds of the recent sale of gold by the secretary of the Treasury have been applied to the purchase of Government bonds.

The congressional committee appointed to follow up the case of Steadman and Fullerton is being made up and will leave for the Southern first of the week.

The Postmaster General will send to the Senate in a day or two a reply to the Senate resolution of inquiry as to the expediency of connecting telegraph with the postal system, under the direction of the Postoffice Department. He will show that in his judgment the telegraph system cannot be connected with the postal service with advantage to the government, and will give at length the reasons why it would be unwise, at present, to connect the two systems together.

It is believed that the Colorado Admission Bill can command the necessary two-thirds vote.

Hon. Jeff. Davis left this morning for Fortress Monroe, called thither by a letter from Dr. Cooper, stating that her husband was ill. The letter also charges sealed letter envelopes. Special Treasury Agent Bureau officers in North Carolina have been appointed, but the Commission as yet has not been appointed. They are to meet in Raleigh, June 15th.

Election in Albert County, N. B.

ST. JOHN, N. B., May 28.—The election in Albert county was held to-day, and resulted in the return of Messrs. Steeves and Wallace, elected by a large majority, so far the elections have resulted in favor of eight Confederates and no antis.

There is intense excitement here over the death of the Confederate Humbert, killed on Friday morning. The murderer has been arrested.

The New York Fire Alarm Telegraph Declared to be Unreliable.

NEW YORK, May 30.—The Telegraph Committee of the Board of Fire Commissioners have decided against the present telegraph system, which is very unreliable, and the call box system is considered more preferable.

Arrival of Supposed Fenians at Buffalo

BUFFALO, May 30. Several hundred men, said to be Fenians, arrived here this morning, and are in session now with the Irish Republican Council. Its decisions shall be by ballot, and in the township by delegates.

By order of the Committee.
W. J. SHUMAKER, Chairman.
A. ANDERSON, Secretary. my24:6t6-d3

No bogus papers favorable to the cause will give intromission at the door.

A. E. PARKIN, Pres't of C. C.
