THE TRUE POLICY.

The surrender of Lee and his auxiliaries brought veit from horrid war; but peace for the last difficulties and the substance of the peace of the and his auxiliaries brought veit from horrid war; but peace of the peace of new dangers and unlooks of the peace of the dark brought had sund the profession of this waves, the dark brought had sund of the peace of new dangers and unlooks of the peace of new dangers and unlooks of the peace of the

reason which was triumphant in 1856— where is it to-day? In the South, its lead-ers and the remnant of its mighty host are where is it to-day? In the South, its leaders and the remnant of its mighty host are
all congarder repleach changs under the bit,
and the most of them, notwithstanding
readily taken caths, willing and anxious residuant of other things
any favorable moment, to upset and destroy
the government: In the North, the bulk of
it is now, charposed of those who, in 1856,
supported the Kentucky traitor, and who
during the war, opposed, thwarted and
maligned the loyal Congress and administration. What is pretty alliance these two
wings are making! What fraternal embraces are given and received!. What mutual apologies and explanations! Of course
both wings were right, for were they not
faithfully following the 'maxims of Teffer
son, as annotated by Buchanan and Breckemitigs! But let the people of the North
bewere how and when they take the hot
right hand of the South. It is as yet stain,
ed with blood.

Aftife Charlesion, Balthmore and Rich
mond Conventions the popular will was
letted if third disarded. Democracy was

At the Charleston, Ratimora and Ron-mord Conventions the popular will was jested at and discarded. Democracy was publicly and rudely thrown overboard, and a faction minority tried to userp the con-rol at his barty. Such men as Buchman, Bigler, Buckalew and Andrew Johnson-not Democrats, but crawling sycophanis of the slave power—were among the fore-

Bryslo, June 12—A large meeting of the Fenians was held at 8. James Hall to-night. A competitive the Fenians was held at 8. James Hall to-night. A competitive for the Fenians is town until the action of Congress on the recent resolution is known. The Fenians, generally, will not accept transportation to their homes from the government, campled with a pledge-not to again take arms to invade Cunsula. They think the government has no right to demand such a sacrifice of their principles, which is tantamount to asking them to give up Fenianism. It is feared stringent steps will have to be taken by the government to compel them to leave this vicinity.
