they have not the means wherewith to re-

The controversy in the noted "Moore sim," at San Francisco, has recently as-

The controversy in the noted "Moore of Claim," at San Francisco, has recently assigned a new phase, which promises to cloud the title to one half the property in that city. This claim is made by J. K. Moore, and comprises the territory bounded by a line stretching from "a little island in the Mission Creek," on the south, "to the shore of the bay," on the north, "in a line with Aleatraz Island," and as far west as "the shore of the ocean," and "along said lass" shore a distance of two miles."

It has been before the courts of San Francisco for twelve months pass, and is soon to

The following abover was immediately given:
