

THURSDAY, JULY 26, 1866.

The President recently said some pleasant words to a delegation of colored men from New Orleans who called upon him to ascertain his views in reference to the education of their race. He expressed great anxiety to have them acquire knowledge, and said he was not at all opposed to their receiving a liberal education. He said he was not at all opposed to their receiving a liberal education. He said he was not at all opposed to their receiving a liberal education.

During the recess of the democratic party in Pennsylvania, there were many words, to say the least, that were thrown out by the members of the party. Some of these were of a very derogatory nature, and were intended to reflect upon the administration of the President. It is not surprising, therefore, that the members of the party should be so much incensed by the President's recent remarks.

The House in passing the Diplomatic Appropriation Bill, did a good thing. It is not surprising that the members of the party should be so much incensed by the President's recent remarks.
