Graduated at West Hill College.

William Brown, Jr., Monroeville, Pa.

Mr. B. B. Chamberlin, as our readers

already know, is running for President

of the Washington and Beaver

district. This district was created last year

and Mr. Chamberlin was appointed judge

by Governor Curtin. Mr. A. W. Ach-

eson, the present Republican candidate, was

his opponent for the place. The contro-

very became quite sharp between them;

two gentlemen and their respective friends

it was finally arranged that the appoint-

ment should go to Mr. Chamberlin, with

the understanding that if he proved

unacceptable to the people inter-

ested, he should not press for the nomi-

nation.

It is manifestly no acceptable

candidate that he failed to obtain the Repub-

lic nomination in any of the many elec-

tions held in this county. He has been

independent of the party, and has not

received the support of the party, and has

not been able to secure the support of

the party, and has not been able to

secure the support of the party, and
