

CONDITION OF EUROPE

What the German war has done for the continent of Europe, ready to let loose the fiery flood of the coming century, we have a short description of the material resources of the country...

CONCLUSION

In mining and preparing anthracite coal for market, much waste is incurred by the present mode of working. A considerable percentage of the entire mass is broken up into small particles...

GENERAL NEWS

It is proposed to annex the town of Haverhill, Massachusetts, to Boston. A Providence man named Richards has lately invented a combined paper and ink...
