(ADDITIONAL LOCAL NEWS ON FIRST PAGE.)

District Court.

The District Court met yesterday morning at the usual hour, Judge Williams on the bench. The following business was disposed of:

The jury in the case of Wm. Parkinson vs. W. H. Brown, which has been on trial since Monday last, found a verdict for the plaintiff. Counsel for defendant made a motion for a new trial and filed reasons therefor.

The next case taken up was that of M. McCullough, Jr., vs. Thomas Kirk. This was an action to recover damages for a breach of a parole contract. The defendant, it is alleged, in November, 1865, contracted to deliver to plaintiff a deed for a lot of ground, situated in the Ninth ward, having a front of Twenty-four feet on Penn street, and running back one hundred and ninety-three feet to an alley, on which were erected three buildings, for the sum of $2,000 in cash. The deed was to be delivered on the first day of December, 1865, and the purchase money was to be paid on the same day. This contract the defendant, as is alleged, failed to perform, and the action was brought to recover damages, last at two thousand dollars, sustained by the plaintiff in consequence of this failure. T. M. Howard, Esq., appeared for the plaintiff, and Messrs. Kirkpatrick and Mellon for defendant. Jury out.

The case of the Montana Oil Refining Co. vs. Wade Hampton, trading as Wade Hampton & Co., was next taken up. This was an action to recover $5,274, the amount of a draft alleged to have been drawn by defendant to the order of David Bly, for balance due the Montana Oil Company. A. M. Watson, Esq., for plaintiff, and Kirkpatrick & Mellon for defendant. On trial.

Amusements.

OPERA HOUSE.—At the Opera House the Three Guardsmen continues to draw splendid houses, and we congratulate Manager Hess upon the success which has thus far attended his efforts to present the theatre-going community with entertainments of a first class character. This afternoon a grand matinee will be held for the benefit of ladies and children who cannot go unattended to the evening performances. A good bill is offered for this evening.

PITTSBURGH THEATRE.—Mr. John Brougham's success at this popular place of amusement continues, and is a new evidence of the discrimination exercised by our amusement loving community. He is a clever actor; a funny fellow who gives dignity to the ch-racter he represents and avoids the nonsensical grimaces and facial contortions which some have recessary to make fun upon the stage. We hope Mr. Brougham will have a crowded house to-night, his last appearance in this city for season at least. A matinee will be held this afternoon.

GERMAN THEATER.—The Academy of Music will be thrown open to-night for the season, under the auspices of a German stock company. The performance will be altogether in the German language.

THE ARABIAN NIGHTS.—Masonic Hall is still drawing thousands upon thousands of visitors, with the grand paintings illustrating the Arabian Nights' Entertainment.

Relics From the Deep.

A cotemporary is responsible for the following: Mrs. E. N. Caldwell writes from "Coast of Florida, twelve miles north of Fernandina," under date of October 21st, that she has in her possession a beautiful box, which was found upon the seashore, containing, besides other valuable articles, the likeness of a lady and gentleman, and five letters. These undoubtedly belonged to one of the unfortunates lost on the ill-fated Evening Star. Two of the letters were written at Nashville, Tenn., one in December, 1865, and the other in January, 1866, another at Cleveland, January 30th, 1866, and the two last at Cleveland, April 25th, and June 20th, 1866. The three former are directed to New Orleans and the other two to Boston, all addressed to "Miss Mary Bell E——." Three are signed "W. C." and two "Willie." If this should meet the eye of the writer, he will be enabled to recover what may be dear to him, by communicating with Mrs. E. N. Caldwell, Her address until January 1st, 1867, will be Fernandina, Florida, and after that date Baltimore, Maryland.

Robbery.

A young man named Anderson James, appeared before Alderman Lynch, yesterday, and made oath against Samuel Drayton, for the larceny of fifty dollars from the residence of Mrs. Young, in Fayette alley, in the Sixth ward. It appears the defendant has been boarding at the house mentioned for some time back, occupying a room contiguous to that of Mr. James. Yesterday morning the latter found his desk broken open, and the money it contained, namely the forty dollars, gone. From the fact that Drayton was seen in the room a few hours previous to the time the robbery is supposed to have taken place, suspicion was fixed upon him, which led to further investigations, resulting in the information being lodged as stated. Drayton was arrested, and in default of $500 bail, was committed to jail to await a hearing, to be had in the case to-day.

Accident on the Pennsylvania Central Railroad—Governor Geary in Harrisburg—Serious Accident to a Young Lady.

GREENSBURG, Pa., Nov. 2, 1866.—A western bound freight train on the Pennsylvania Railroad, was thrown from the track on Friday morning, near George's station, causing a general smash up and blockade. The Johnstown accommodation had to pass down on the Pennsylvania track, which threw it behind considerably. No lives lost.

General John W. Geary is in town, stopping at the Girl Exchange. He is looking well.

A young lady, Mamie Evans, residing near Latrobe, was caught in the "combing wheel" of a threshing machine at Jacob George's yesterday, and most shockingly mangled. Her recovery is despaired of.

ANAWAN.

Supreme Court.

Court met at the usual hour yesterday morning, a full bench being present.

Fitzgerald vs. Stewart; Armstrong county. Argument closed by Barclay for defendant in error.

Chas. W. McHenry, of Pittsburgh, on motion of S. H. Guyer, Esq., was duly admitted and qualified to practice in the Supreme Court.

Goorleys vs. Tinsabigler. Reargument by Goldsan for defendant in error, and by Purviance contra.

Cambria Iron Company vs. Tornb: Indiana county. Argued by Silas M. Clark for plaintiff in error, and Joseph M. Thompson contra.

Revenue Seizure.

The United States Collector of Internal Revenue, of the Twenty-third District, a short time since seized upon the distillery of Bernard Coll, located in Butler county, on account of alleged failure to make proper returns under the revenue laws. On the 12th ult., a libel was filed in the United States Court, by District Attorney Carnahan, against the distillery, eight barrels of whisky, one barrel of spirits, and the machinery and appurtenances of the establishment. Yesterday a monition was ordered to issue directing the proprietors to appear on the 14th inst. and make answer in the premises and intervene in behalf of his property.

Held to Bail.

A tentonic individual named Conrad Schramm, appeared before Justice Ammon, of East Birmingham, yesterday, and made an information against a fellow countryman named Herman Schiedam, for aggravated assault and battery. The parties reside in close proximity to each other in the village of Mansfield, but notwithstanding this fact, there is no affinity between them, but on the contrary, their compositions are so moulded that they are always in direct antagonism. A few days since they indulged in one of their periodical quarrels, which resulted in Schramm being knocked down and severely beaten. Officer Field succeeded in arresting the accused who was made to give bail in the sum of $500, for his appearance at court.

Robbery.

Aggravated Assault.—Elizabeth Comhoafford appeared before Alderman Taylor, yesterday, and instituted proceedings against Allen Morton for aggravated assault. The deponent alleges that on Wednesday evening the defendant met her on Wood street and after using some very insulting language he spit in her face and shoved her off the sidewalk into the gutter where she slipped and fell cutting her face and otherwise injuring herself. Morton was arrested but was released on giving bail for his appearance at a hearing to be had in the case to-day.

Accident.—A man named Mayberry, a little girl of twelve years old, was bitten by a large dog while playing on the steps of her father's residence, in Overhill street, in the Seventh ward, yesterday afternoon between four and five o'clock. The right shoulder of the little girl was terribly lacerated, the teeth of the animal having been buried several inches in the flesh. The dog belonged to a gentleman named McCay.

Bronchitis.—This terrible affliction may in most cases be prevented by a timely recourse to Dr. Keyzers Pectoral Syrup, which is the most efficient remedy known for the cure of coughs, colds, and all affections of the throat and lungs. Sold at 140 Wood street.

Coughs and colds if not attended to promptly, often produce fatal results. Dr. Keysers Pectoral Syrup will cure any cough or cold, no matter how severe, in from one to two days. Sold at 140 Wood street.

Bitten by a Dog.—Mary Ellen Mayberry, a

Assault and Battery.—Margaret Lynch came to the office of Alderman Strain yesterday and made oath, charging August Eddie with assault and battery. The parties reside in the borough of East Birmingham, whese the offence is alleged to have taken place. A warrant has been issued for the arrest of August.

Home Again.—Joseph Able, Esq., and C. Ludewig, Esq., have just returned from an extended and highly interesting tour through the principal countries of Europe. They are in the enjoyment of excellent health and express themselves much pleased with their visit.

Special Caution.—Mrs. Winslow's Soothing Syrup has become so popular that various parties have put out articles calling them Mrs. Winslow's. Please take notice that the Mrs. Winslow of the Soothing Syrup is not connected with any other article.

EARLY TELEGRAMS.

FROM MEXICO.

The Surrender of Matamoras—Cornales Determined to Hold the City—A New Campaign Inaugurated.

NEW YORK, November 2.—The *Herald's* Matamoras dispatch of the 16th ult. says: It is thought here that Mejia will occupy this border. It could only be done at a large expense of blood and treasure, and with no corresponding advantage. Canales is still in possession of the town, and Tapia is about three leagues with 1,500 men.

Negotiations for the surrender of the city have been in progress the past few days. They closed yesterday without any practical results.

Col. Fennin, of Ortega's staff, arrived in Brownsville yesterday. He has been closeted with prominent Mexicans, who are friends of Canales and supporters of Ortega. Canales, this morning, expressed his determination to hold the city at all hazzards against Tapia and Cortinas. This is probably the result of the arrival of Col. Fennin, and it is generally believed here that he will shortly pronounce in favor of Ortega.

The forces of Tapia and Cortinas will be combined for another attack, which will be delayed some days on account of the bad condition of the roads.

Advices from Monterey state the important fact that General Corvine was at El Capital, in the State of San Luis Potosi, on the 16th instant, and on that day issued a proclamation to the people of that State. It is thought he will be able to organize an insurrection which can bring against him.

General Sapia has issued a proclamation to the people of Tamaulipas, in which he announces himself as the representative of the constitution of attacking Matamoras at an early day.

From a private letter, dated October 16th, I learn that Donny is in Matamoras with 1,500 men. He has offered for sale his carriages and horses, and is packing up for a journey to the City of Mexico. It is said the retreat from that place would commence on the 18th of October.

The Liberal forces have left Saltillo.

Under Fermin and Navarro a new campaign has been inaugurated.

An intercepted dispatch from San Luis Potosi to Matiwehl, showed that Jennings's report on the 14th of September that he was marching on Oneretaro, leaving Romy at San Luis, and that later, Romy started to join them.

Arrested for Perjury.

NEW YORK, November 2.—Sandie Conover, alias Charles A. Duncan, who was implicated in the forgery and passing of counterfeit Jeff. Davis bonds, was arrested to-day on the testimony of President Lincoln by means of subborned witnesses, was arraigned in this city yesterday and taken to Washington. The arrest was made on affidavits of Wm. H. Roberts, J. A. Hoare and L. C. Turner, charging Conover with perjury.

Movements of Gen. Sherman—Death of the Famous Horse Speed.

NEW YORK, Nov. 2.—The *Herald's* Washington special says: Gen. Sherman has left for his headquarters at St. Louis.

John M. Speed, of Lynchburg, a leading lawyer of Virginia, and cousin of the late Attorney General Speed, died yesterday.

Race.

NEW YORK, Nov. 2.—The race between the keel boat Hirondelle and the centre board schooner Vim, from Sandy Hook lightship twenty miles to the Seawanhaka and return, took place on Wednesday. Hirondelle was victorious, making the distance in five hours twenty-eight minutes and fifty-seven seconds.

Trotting on the Fashion Course.

NEW YORK, Nov. 2.—In the race yesterday on the Fashion Course, between Lady Thorn, Lady Emma and Lady Maud, Lady Thorn was victorious. Time, 2:23, 2:27.

Trial of Indian Prisoners.

NEW YORK, Nov. 2.—The Fort Montrial special says: The Fenian prisoners in jail here, numbering 150, will shortly be tried the first week in December.
