CITY AND SUBURBAN.

(ADDITIONAL LOCAL NEWS ON FIRST PAGE.)

United States Senator.

EDITORS GAZETTE:—The suggestions of "Allegheny," in the GAZETTE of the 13th inst., in regard to the claims of Western Pennsylvania to the Senatorship upon the retirement of Mr. Cowan, are exceedingly appropriate, and should be well considered, before any decided action is taken by Western Representatives in the Legislature on this important subject.

Certainly, upon every principle of equity or common fairness, well as proper regard for the respective interests of the two sections, the West is entitled to the choice of Mr. Cowan's successor.

If anything is needed to establish our rights in this connection, it can be found in the fact that the whole majority in the late struggle for the ascendancy of the Union Republican party in this State was obtained west of the mountains.

Now, unless there should be some distinguished personage, who by reason of great public services, transcendent ability, consummate statesmanship, and incorruptible virtue, should be entitled to a postponement of all local considerations in his favor, there is manifestly no propriety in a departure from the line of safe precedents in selecting the Republican candidate for the United States Senate.

Of the prominent names amongst Eastern men who are proposed for this exalted position, that of Thaddeus Stevens doubtless fulfils the conditions needed to make an exception to the rule; but his great age and feeble health are serious objections in his case.

Have we then a Western man, who is at least the peer of either of the other Eastern aspirants for Senatorial honors? If we have, why should he be thrust aside for their advantage, thus giving the Eastern part of the State our whole representation in the Senate of the United States.

It is no disparagement to the other gentlemen, whose claims are being urged by their friends respectively, to say, that the Hon. Thomas Williams, of Allegheny, will compare favorably with the best of them in all that constitutes fitness for the place. His power as a great constitutional lawyer, and the eloquence with which his views have been enforced in Congress, are subjects of national repute, and in this crisis in our national affairs, when questions of vast importance are to be determined, Mr. Williams in the Senate of the United States would be the "right man in the right place."

Western Pennsylvania, therefore, and Allegheny county especially, should indicate a preference in his favor so distinctly, that our representatives in the Legislature will not feel at liberty to disregard it. If, as Allegheny intimates, there is a clique, a combination in this county, that has undertaken the adjustment of this question, in the interest of either of the eastern candidates, it is a gross usurpation of authority, and an assumption of responsibility, no where confided to them, and should be signally rebuked.

Our representatives in the Legislature should ignore all such dictation, and be guided only by their sense of what is due to the great manufacturing districts represented by them, and by their perfect knowledge of the fact, that we are under no necessity to look beyond our own country for the talent and ability which belong to a Senator of the United States. 23D DISTRICT.

PITTSBURGH, November 15, 1866.

Meeting of the East Birmingham Councils.

A regular meeting of the East Birmingham Councils was held on Tuesday evening last.

Members present: Messrs. Schultz, Erny, Jones, Atkinson, Beck and Burgess Chess.

The minutes of the previous meeting were read and approved.

Mr. Patrick Hughes, of Baldwin township, was exonerated from personal tax, not being a resident of the borough.

On motion of Mr. Schultz, a warrant was ordered to be drawn in favor of Kelley, Williams & Co., for one thousand dollars, on account of paving, and also a warrant in favor of the same party, for five hundred dollars, for paving of crossings.

Mr. S. J. Thomas, Street Commissioner, presented his monthly pay roll, which amounted to one hundred and seventy-six dollars and seventy-five cents.

On motion of Mr. Schultz a warrant was ordered to be drawn for the amount of the bill. Warrants were also ordered to be drawn as follows:

Gotleib Herr, for stone	$35 00
Chess, Smythe & Co., for work	46 80
Grading Meadow street	50 50
Wm. McKnight, paving	23 45
James Atkinson, curb stones	180 00
P. R. Hewley, grading	500 00
G. W. Fennell, services	15 00

On motion of Mr. Jones, the Street Commissioner was authorized to notify the owners of lots on any or all of the paved streets, to have sidewalks paved, and not less than six feet and a half in width, the same to be done immediately.

The Street Regulator reported that the amount of excavation on Joseph street, between Carson and the river, was 2,150 cubic yards.

On motion of Mr. Schultz, it was resolved that the sum of fifty cents be paid to Mr. P. R. Howley per cubic yard for the grading of the streets.

A petition from citizens on Joseph street was presented by Mr. Jones, asking that gas lamps be erected on said street, between Carson and Sidney streets, one on the corner of Sidney, one on the corner of Wharton, and one on Clifton street. The request of the petitioners was granted.

The Treasurer's monthly report was received and accepted.

On motion of Mr. Erny, the Street Commissioner was instructed to have cinders placed on the sidewalks of streets running between Meadow and Joseph streets, above Carson street.

The Burgess was instructed to procure a written opinion on the interpretation of an act of Assembly relative to paving streets, &c.

The Street Commissioner was instructed to have the sidewalk on Sarah street, near Meadow, graded as soon as possible.

Councils then adjourned.

The Only One.

Probably the only person now alive, who witnessed the surrender of Cornwallis is a genuine Guinea negro, called Tom, now living at Hamilton, Ohio. He was brought to this country in a slaver some time near the close of the last century, and says he "spects he must be about five hundred year old." His real age is probably about one hundred.

The chief interest attaching to Tom is the fact that he was present at the historical event above named, where he saw General Washington, of whom his recollection is quite distinct and his admiration intense. He is duly sensible that there are few, if, indeed, a single person now surviving who witnessed that scene, and it confers upon him no small sense of importance. He was owned at that time by a planter living in the vicinity of Yorktown, whither he had been brought soon after landing from the slaver at some point on the Carolina coast. As might be expected from the nature and character of the African the imposing display attendant upon the surrender made a deep impression upon his memory, and he relates with considerable minuteness the details of the affair. The red coats of the British particularly struck his fancy, and he describes with much gusto and satisfaction the ceremony of "grounding arms," giving an illustration of the ceremony with his iron pointed walking staff. Washington passed near where Tom was standing on the occasion, mounted, he says, on a white horse, and looking "mighty grand." From his earnestness and minuteness of description, it is clear Tom is a truthful witness, and, perhaps the only one left in the land. He is still stout, considering his advanced years, and bids fair to live out another decade of winters. In pleasant weather he passes much of his time sunning himself in front of a saloon on High street, whose friendly proprietor provides him with a comfortable arm chair. He has a highly developed taste for whisky.

A Valuable Gift.—Allegheny College has received four boxes of casts of ancient sculptures as a gift from the Royal Museum of Berlin. They contain a full length copy of the celebrated "Colonna Dian" in the Museum at Berlin, a bust of Alexander the Great, one of the philosopher Zeno, one of the Infant Bacchus, the beautiful memorial medal to Wieckenrober, a monument from the rock temples of India, one Assyrian bas-relief, a number of bas-reliefs, and several choice specimens of Greek and Roman tombstone ornaments; another box, also a donation from the Royal Museum of Berlin, and containing, among other works of art, some genuine ancient Greek vases, and some old German antiquities has been forwarded.

What a Yarn!—The Erie *Dispatch* is responsible for the following story: A citizen of Erie went to the dock the other day with his fishing tackle, and while lazily waiting for a bite he took out his watch, whereupon some monster of the deep tugged at the bait with such violence as to jerk the watch out of the fisherman's hand and finally snap the line. Soon afterwards the unlucky angler bought an eight-pound bass of a boatman who had just hauled him out, and upon cutting him open the buyer found not only his lost tackle, but his lost watch, which had not yet stopped ticking.

Another Kidnapped Child in Cincinnati.—A child which was kidnapped in England, two years ago, at the instance of a relative, who was to receive considerable property in case of its death, has just been discovered in Cincinnati, Ohio. It was first taken to Switzerland by a servant, during the temporary absence of its mother, and thence to the servant's home. Here, by reason of the advertisements, suspicion was directed toward him, and he fled to America, but detectives followed him, and at last discovered the child.

Hearing.—Yesterday morning Mayor McCarthy gave a hearing in the case of the negroes, Thompson and Cady, charged with the larceny of a coat, pair of gloves, and pocket handkerchief, the property of E. M. Burghan, from Coursin's tavern, on Water street, which resulted in the committal of Thompson for trial, in default of bail, and the discharge of Cady. Thompson admitted to having sold the coat, but averred that Cady stole it. There was no such evidence before the Mayor, hence Cady was discharged.

Peat.—The Titusville *Herald* says: Peat is said to exist in this county in inexhaustible quantities. It is found to abound in Conneaut marsh and Pymatuning swamp. In many places it is said the deposit is twenty or thirty feet deep. The land has hitherto been considered worthless. Peat is cheaper than coal or wood, and as there are no coal deposits hereabouts, and wood for fuel is becoming scarce, these peat bogs may yet become a mine of wealth to their owners.

The Penny Robbery.—Yesterday morning Noah Jackson, employed on the steam tug Whale, was before Mayor McCarthy, charged with stealing two hundred pennies from Mrs. Little, proprietress of a boarding-house, No. 1 Water street, was discharged for want of sufficient evidence.

Sudden Death.—Mrs. Cecilia Pigman, a resident of Wheeling, W. Va., while on a steamboat, on her way to this city, was seized with hemorrhage of the lungs and died in fifteen minutes.

Important Decision.

NEW YORK, November 15.—Judge Barnard, in the general term of the Supreme Court, decided that the late act of the Legislature, taxing broker's sales is unconstitutional and void. He bases his decision mainly upon the ground that the Constitution of the United States gives to Congress the power to collect taxes on imports and exports, and denies such power to the States.

Meteoric Shower in England.

NEW YORK, Nov. 15.—The *Herald* has a special from the Greenwich Observatory, England, detailing showers of meteors seen on the morning of the 11th, described to be of great beauty and brilliancy. Five thousand were counted in one hour, and nearly twelve thousand in all.

FOR SALE.

FOR SALE.—A Farm of about 58 acres in Union Township, Allegheny county, Pa., situate about four miles from the city on the Washington Pike. The improvements are a large two story brick dwelling House with 12 rooms, a two-story Spring House, a Carriage House, a large Lumber Room, a No. 1 Frame Bank Barn, with stabling sufficient for 30 head of cattle. There is a fine Young Orchard, comprising about 12 acres, stocked with the best varieties of fruit trees. It is all underlaid with coal. The land is in a high state of cultivation, well watered, fences good, and would suit admirably for dairy or gardening purposes.

Also, 17½ acres adjoining the above, with a good Frame House, Carriage House, good Spring House and other out-buildings; with a good Orchard in fine bearing condition. This piece is also all underlaid with coal.

Also, 12 acres adjoining the above, unimproved, for sale low. This piece is also all underlaid with coal.

The above three pieces of property lie between the Little Saw Mill Run and Steubenville Railroads, and the coal can be reached easily from either road. The coal alone is worth all that is asked for the entire property.

Also, Farm of 173 acres, situate in St. Clair township, Westmoreland county, Pa., immediately on the line of the Penna. Railroad. The improvements are a two-story Frame House with five rooms and good cellar, a Frame Bank Barn, [illegible] feet, and other out-buildings. JOHN D. BAILEY,

Stock and Real Estate Broker,

FOR SALE—400 Acres of Coal Land, lying immediately upon the Ohio River, 20 miles below Gallapolis, and 180 miles above Cincinnati. On the above tract is a four foot vein of Coal, which, for general purposes, is not surpassed. It is entirely different from the Southern Ohio Coal; contains but little sulphur, forges and cokes well, and for making steam cannot be excelled. The location being about midway from Pomeroy and Hanging Rock, must make it valuable for coaling boats. There is a water front of ¾ of a mile, with a good landing at all stages of the river. An entrance has been run in the hill about 400 feet, track finished to river, together with the necessary fixtures for mining and delivering coal afloat. On said tract is first-class double Portable Circular Saw Mill together with a Portable Grist Mill, all in good running order, and plenty of the very best oak, ash and poplar timber. Would sell one-half interest if desired, to a party with experience and capital for working same.

JOHN D. BAILEY,
Stock and Real Estate Broker,
oc19 No. 102 Fourth street.

FOR SALE—231 acres Coal, including 51 acres Surface, on the East side of the Ohio River, three miles above Wheeling, with right of way to river. The close proximity to a good market at Wheeling, together with the fact that the coal crops out high enough in the hill to be used profitably for rolling mill purposes, makes this a good investment.

PURE CALIFORNIA WINES.

GURNER & CO.,

No. 80 Cedar St., New York,

Offer for sale these valuable Wines, which are gaining public favor with astonishing rapidity, and whose unprecedented and unrivalled popularity is not without merit. They have only to be fairly tested to give them the preference over all others. As a purifier of blood they excel all other Wines, and the numerous certificates which have voluntarily been tendered from the most eminent physicians, as well as gentlemen in every position in life, are proof conclusive that these Wines are useful in all cases for which they are recommended.

The following brands are now offered by us. They comprise all the varieties now grown in the State suitable for sale:

WHITE, or HOCK WINE—Of a light straw color, very delicate and fine flavored.

CLARET—A superior wine for table use.

ANGELICA—A rich and naturally sweet wine, much admired by ladies, and valuable in the sick chamber, as it makes fine wheys and jellies. It is a fine dessert wine, and well adapted for Communion purposes.

MUSCATEL—A light colored, highly aromatic wine. Very similar to the celebrated Tokay.

PORT—Deep red color, fine flavor, and in many respects similar to the old wines of Lisbon.

GRAPE BRANDY—The pure distillation of our wines.

WINE BITTERS—A very agreeable tonic and a sure remedy for the diarrhea.

This is one of the most valuable combinations of a useful and an agreeable beverage that has ever been offered to the public. Millions of bottles were sold throughout the North during the last four years, and wherever introduced it has proved a welcome addition to the invalid table, the family circle, and the bachelor's sideboard.

Ladies who have lost strength and appetite, and suffer from nausea, vomiting and vertigo; gentlemen who "don't feel very well" just before breakfast or dinner, whose stomachs are out of order and whose systems are generally deranged; mothers weaning children and suffering from general debility; children of sickly nature and sour, dyspeptic constitutions; travelers who have occasion to change their water; and all who live in malarious districts and are subject to miasmatic influences, will find it one of the most valuable invigorators that can be taken.

It was used very extensively in 1861, with such general satisfaction that in offering it to the public now we deem it unnecessary to publish any of the many certificates that we have received, testifying in the very strongest terms in its favor. All that we can say is to guarantee that we will pledge ourselves to furnish an article PURE AND UNADULTERATED.

It has been given to little children suffering from weakness and weak lungs with most happy effect. One little girl in particular, with pains in her head, loss of appetite and daily wasting consumption, on whom all medical skill has been exhausted, has been entirely restored. She began with but a teaspoonful a day.—Her appetite and strength rapidly increased and she is now well.
