MILITARY COMMISSIONS.

intrusive, as some times happens in guber- all offences against the war power of the and the remainder Hellenes, Jews and Janta to legislative government triable militarily, and none other foreigners.

nent, it will be legally carried, and become sassination, therefore, of the President, in o be the true one.

True, there are difficulties attending it.

was properly tried and punished by a Military Commission. If any individuals wish The Supreme Court may take a different to retain the advantanges of what is known view, and hold that three quarters of all as "due process of law," they must resbehind the spirit of the age, and have to be with the penal code. If they do not, they

forced up to it. They are necessarily slow must take the chances.
and conservative, representing antiquity.
It was not by the civil but by the militaand finding wisdom in the graves of the ry law that the nation's life was saved. Soldiers and sailors did many things, and that was the worst that could be said of did them well, for which no warrant can them, with substantial reason, it would be be found in the statutes at large. It does comparatively a small matter. But every not follow from thence that they were ofstudent of history knows full well that fenders. The nation honors them for their Courts have ever been the sturdlest instru-loyalty, courage, and energy. Now that ments of reaction and of despotism. If the crisis is past, doubtless the judges—the there is an old abuse that has vitality men of technicalties and precedents-will enough left in it to marshall a following be upon their track. Such has always been respectable in numbers and in social stand- the case when sharp diseases required

The statistics furnished by the Bureau of There was no other branch of the Govern- Internal Revenue, indicate either a marment; no political organization in the coun- veltous falling off in the production of alcotry; that would have gone so far to serve the devil. The same tendency yet inheres frauds upon the revenue by persons enin that same bench, as is clearly indicated gaged in that pursuit are constant and en in the decision on the Iudiana Conspiracy, mous. Nobody, we apprehend, will main-Even Chief Justice Chase has become so tain that less liquors are consumed than far inequiated with the itch of the bench, formerly. The evidences of drunkeaness in the short time he has had a seat on it, abound throughout society. Indeed, that that he seems to have forgotten his common vice is alarmingly on the increase. Nor is sense. Then, there are sinister whisper- there any apparent diminution in the use

This leads to the inference that vast aind the bench, and is likely frauds are perpetrated on the revenue. to find itself more secure than behind the fortifications of Lee and Johnson.

Every dealer knows that alcohol can be purchased for less than the tax upon it. By existing law the Secretary of State is This was seen when the exorbitant assess. directed to make proclamation of the rati- ment was enacted. It always happens that fication of an amendment. This is in or- when duties are laid on a particular article, der that there may official and formal announcement of so great a fact to all concerned. But nothing in that law meets There seems to be no other course, when inthe present case. When that law was en- ordinate revenue is desired, from any com acted no States had incurred disabilities by modity, entering into general use, but for rebellion; and it was not contemplated that any would. Hence the Secretary was not sale of it into its own hands. Even then the sale of it into its own hands. Even then the sale of it into its own hands. Even then the sale of it into its own hands. Even then the sale of it into its own hands. directed what States to count and what success in suppressing frauds is only par-

to remedy that defect, by passing a law traffic are so many and great that the risks sth. 1867. three quarters of these shall be held to be country for the government to conduct any sufficient; and that the Secretary of State, branch of traffic for the sake of inco or some other official, shall proclaim the The government has no thought of such a atification complete when three-quarters scheme, and the people would not endure of such States shall have actually given it even if it should be urged by officials. There seems, therefore, to be no other course of the Supreme Court. Neither but to reduce the excise on distilled will the action of the Court make any difference in the action of the two Houses. caue can legitimately be derived from this

Congress, in its own sphere, Is independent, and will remain so. Each House will admit to seats, no matter what the Court may say, only such as it shall see fit; for each House is absolute judge of the qualifications of its members,

No. 04 Wille street, Pittsbur dust, but shall bear it on high so that our the revenue laws, a close scrutiny may as triumphant host may gather about it, and well be given to this particular branch. ics, will he challenge THE CRETAN INSURRECTION.

For some time past conflicting reports have reached this country of a revolt in the island of Crete against Turkish rule and in Upon the assassination of President favor of annexation to the Kingdom of Lincoln the question was raised whether Greece. One day it is affirmed that there belifion has been suppressed and liberal terms granted to all concerned in it, and the note of the property be tried by a Military Commission or would have to be arranged be fore a civil tribunal. After a careful examination of the Constitution and the Laws the national authorities decided that the case was properly triable before a capital content of the sar-faction of most loyal people. It is now a nounced that one of the Judges of the Supreme Court of the United States has decided to issue a process for bringing before him the individuals who were convicted by that Commission of participating in the assissination, and sentenced to imprisonment at the Dry Tortugas. The inference is that the Judge holds the trial of these nien to have been illegal.

Article five of Amendments to-the Constitution, adopted in 789, covers this case. It reads:

"No person shall be held to answer for a capital, or otherwise infamous crime, unless on a presentment of indictment of a grand jury, except in care arising in the material facts in the case, and diverting at the constitution, adopted in 789, covers this case. It reads:

"No person shall be held to answer for a capital, or otherwise infamous crime, unless on a presentment or indictment of a grand jury, except in care arising in the solution of the constitution of a capital, or otherwise infamous crime, unless on a presentment or indictment of a grand jury, except in care arising in the solution of the constitution of the constitution in other directions in Mexico, Germany and Italy. He is not in a condition to restat the demands of his pressing is saily compromised by failures in Mexico, germany and Italy. He is not in a condition to indictate the form the Turking grasp, taking the condition of a present of the free of the free of the condition to interpose to wrest Crete from the Turking grasp, taking distribute.
