PUBLISHED BY Penniman, Reed & Co., AT GAZETTE BUILDING. No. 86 Fifth Street. F. R. PENNIMAN, Editors. SONIAM KING Business F. RELSON P. REED, Business F. TUESDAY, JANUARY 15, 1967. TO-DAY. made against him. Men deeply skilled in slow. Had the nomination for Senator be all the arts of political management, conspired to compass his banishment to private life, but failed. This city was the theatre of the notable attornet and of his triumple.

During the late political canvass the enthusiasm with which he was welcomed by the loyal masses in the various counties in which he went to attend and address popular assemblies, presented spectacles propular assemblies, presented spectacles allowed from the special of the street of the surface of Camenon to the Legislative should be allowed the constitutions of the state and address popular assemblies, presented spectacles in favor of Curin. In the Legislative should not be surfaced to the constitutions from this scenarios of the state voted, Curing the late political canvass the enthusiasm with which he was welcomed by the loyal masses in the various counties in the waste of the surface of the surfac allel can be found in the history of the Biate. It was abundantly demonstrated that he had a vastly stronger hold upon the masses than any other of his fellow. Citizens.

We do not disguise that in the course of his administration he made m stakes, and On this basis, whatever abatements may ranks of private life with a record of which has, on the whole, given the largest satisbity, and in such a way as to show they fare of the nation will be safe in his hands, owed the selection to their qualifications. Without the multiform learning or the oraeference, and not to the dicta-tion. This would have put him and his preference, and not to the dictain a position to meet, with fairness and impartiality, all factions and individuals that contributed to his election. So far as this policy had a definite tendency it would be to break the force of faction, to draw the Republican party together as a homogeneous mass, and to make his administration the point of a new departure, h succeases could be easily beneficently wielded. This would have

(b) He could have selected which of the two factions, by instinct, by interest, or by obligation, he could most heartily coperate with; and have called about him exclusively men prominently identified therewith, and who could rally their confactionists unitedly to his support. This would involve the risk of alienating the members of the adverse faction and all involve the risk of alienating the members of the adverse faction. year, during the canvass and at the election; to measurably organize future defeat and do much to secure it. Under existing circumstances this would be, not to make the Governor even the head of a faction. much more potential than himself. (c) He could have divided his appointments, equally or otherwise, between the factions, selecting menfully imbued with the only topic of conversation there. The free factions, selecting menfully imbued with the only topic of conversation there. The free factions of the first alms and prejudices of each. This would be to satisfy neither, but to excite each to entercluzen—Washington Bmith, Esq.—asks a prise, in the hope of displacing its rival; divorce from her young husband, who, latter to intrigues, and to keep himself on the strain to prevent being overmastered. At the beginning his judgment seemed to be are not of the most credit-worthy order, made up in favor of the first policy, which the charge will be sustained. was strongly recommended by many conalderations importing his personal ease

and the charge will be sustained. aiderations importing his personal ease and dignity and the welfare of the Republical party of this commonwealth. But the party of this commonwealth. But the brute which took effect, slightly woundthe brute which took effect, slightly wounding it. To terminate the dog's suffering he struck it over the head with a revolver, which discharged a ball into his own body, been made in the interest of one faction; and care has been taken in the method selected for notifying the struck it over the head with a revolver, which discharged a ball into his own body, personal taken in the method selected for notifying the struck it over the head with a revolver, which discharged a ball into his own body, personal taken in the method selected for notifying the struck it over the head with a revolver.

WOOL GROWERS' fying the appointees to signify to them and A Young man named Farnam, blew out to the public that they owe their promotion into to much to the Governor as to a chief in Williamsburg, N. J. He had up to a of faction. This is bad in itself, but the few minutes before the perpetration of the mischief is aggravated by disclosing at the rash doed, participated in the festivities start that the new administration yields to and appeared lively and gay. pressure. This is to invite importunity or requisition and to render remained difficult if not impossible. Mere; it is to adopt the vary method which the faction he has slided with has imputed to Governor Cuations as an unpardonable offense, and for which ar unrelenting warfare has been Vork have been notified that they must varied against him. waged sgainst him.

Sull, we are not without hope that day, as the excise law is to be vigorously enforced. Governor GEARY Will quickly discover the mistake into which he has fallen, and will An invention has just been made in

The Zittsburgh Gazette. dict the myriad whispers that fill the atmosphere, charging that his nomination carry back with her to foreign parts.

Was accomplished by bribery; nor those borne \$100,000 to the was accompli was accomplished by bribery; nor those multitudinous imprecations, suggesting the time has come for the people of the Commonwealth, by a majestic uprising, in virtue of innate sovereignty, after the wholesome example once set in San Francisco, to hang a whole Legislature; and for the people where the wholesome example once set in San Francisco, to hang a whole Legislature; and for the people where the wholesome committees the wholesome commit criminates so much as a solitary individual. stage, is the latest sensation of a New York Not willing that our own reputation should theatro.

A western editor, after stating how be similar to blacken the reputation of another for like unsubstantial fending canine may recover.

A young German lady fell dead in a cause. But, we may remark, that these imputations of bribery were so formidable, waltz at a Turner's ball recently held at Three events will conspire to make this that CAMERON'S friends in the Legislature, Boonville, Mo. day memorable in the civil annals of Penn. and, doubtless, with his approval, asked INCENDIARIES are at work at New Al and obtained a joint committee of investi- bany, Ind. 1. The retirement of ANDREW G. CUR. gation. The scrutiny is conducted by his 1. The retirement of Andrew G. Cur.

Tix from the office of Governor. Six years ago he was elected to that high post, just as the dark cloud of the Rebellion was spreading its gloom over the republic. It was a time of doubt, nucertainty and peril, beyond precedent. For 2 brief space it seemed te discriminating observers that he might prove not equal to the emergency. The confidence of some was temporarily shaken. A few withdrew their countenance and support from him. But as the storm grew louder and fiercer, his capabilities were developed and he settled intelligently and calmy down to the work before him. It soon and fiercer, his capabilities were developed and he sottled intelligently and calmy
down to the work before him. It soon
became apparent that no farther occasion
for apprehension would occur., Faom that
point he steadily graw in the confidence
and respect of the people. His reputation
overflowed the borders of the Common
wealth, and became so magnified that no
other contemporaneous gubernatorial fame
surpassed his.

Near the expiration of his first term a
violent attempt was made to defoat his renomination. A strong combination was
made against him. Men deeply skilled in nomination. A strong combination was demonstrates the exactness of our conclumade against him. Men deeply skilled in sion. Had the nomination for Senator been

his administration he made in stakes, and rather than up to their private commitments, his administration he made m stakes, and rather than up to their private commitments, some of considerable magnitude.
