THE QUESTION OF IMPEACHMENT. Randall's Bill Thought to b Losing Ground.

WASHINGTON, January 30, 1867. THE APPAIRS IN TEXAS. Among the documents sent to the House day, was the report of General Wright affairs in Texas. He gets frequent com-aints from the Northeastern frontier, of arbarities towards refugges and freedmen, and suggests an increased force of troo to put a stop thereto. He also suggests t mployment of additional troops to pre-erve the frontier settlements from Indian

THE COLORADO MUDDLE, Governor Cummings publishes a card emphatically controverting the truth of Mr. charles' telegram, in relation to the exclusion of negroes and mulatoes from the jury box in Colorado. He vetoed such a bill ox in Colorado. He vetoed such a bill mid it was passed over his veto. Governor Cummings is here by request if the Commissioners of Indian Affairs, to meet the Superintendent of Indian Affairs, in Kow Mexico, with a view to furnish the notion Bureau with such information as will enable the Commissioner to take efficient steps for the execution of a treaty with the Kick Indian and the Commissioner to take efficient steps for the execution of a treaty

The Diplomatic Correspondence, relating to the American colony at Jappa, was sent to the Senate today. Minister Morris, at Constantinopie, reports the condition of the cononists as very pittable. The sublime Porte will not grant land to foreigners unless they become his subjects. The American Consul at Jappa has bear guspended for alleged misconduct toward the colonists. The GOVERNMENT TELEGRAPH.

Mr. BROWN introduced a bill authorizating the construction of a Government Telegraph from Washington to New York city.

Referred,

through the exorbitant demands of manufacturers. It cannot, at any rate, secure the requisite vote to pass it over a veto, and graph from washington to see Tota city.

The Tariff bill was resumed. Mr. Sunaner's amentiment, reducing the tax on hituminous coat, mined at any point thirty degrees, or less, cast of Washington, to 30 cents per ton, was rejected.

The property and operated bears to 5 cents.

On freestone, except for monumental purposes, 41 per ton.

An old Confidence Game.

The old confinience game of the padicek, which has been lost to public view for some time past, was revived with considerable effect on Tuestay, near this city, on a train on the Pittsburgh, Fort Wayne and Chicago Kailroad. One chap produced a padicek, which he offered to bet any amount could not be milecked by any person of the train in the milecked by any person of the train in the milecked by any person of the train in amount being one hundred and eighty deliars. On examining his treasury he discovered that he had not the requisition amount in fact, he was "strapped." He was equal to the emergency, however, and started through the train to borrow the minory incredible as three years, he succeeded many that the product of a statement was made and he could not open the leek, so the money was forfotted. He gott off at a station where he was "acquainted" to get the money from a "man he knew" on the pistform, and has not been seen appeared, and the we green inners and suppeared, and the we green inners and the product of the succeeding the product of the prod
