Sour Temper and Sour Stom Sour Temper and Sour Stomach.
The stomach is the main organ in keeping up a healthy condition of the body. If
it falls in its duly, the supplies will not go
on and the rest of the members must languish and decay. The stomach may fall
from too menh work; the remedy is, give it
DR. KEYSERS BLOOD SEARCHER until
thas stated a natural condition and

DR. KEYSEN'S BLOOD SEARCHER until
thas stathed a natural condition and it
will go on of itself. If if recovers without
Blood Searcher, or any thing else, so much
the better. We only point out the remedy
if it should be necessary. It cannot do
harm if the directions are followed. It can
do no good when it is not needed.
DR. KEYSEN'S BLOOD SEARCHER; is a great remedy when the blood is disordered and impoverished; when the skin and kid neys need a gentle stimu er breaks out in blotches and erup and is sallow and pale like an ill made tallow candle, and when the latter are torpid and the back aches and drags with indes

and the trace acceptance of the secondary to the secondar

conomy.

'Dr. Ksyser's medicines are sold by most druggists, and he the proprietor's, 140 Wood Ask for Dr. Keyser's Blood Searcher and take no other—\$1 per bottle; six for \$5. Dr. Keysor's consultation rooms for lung examinations No. 120 Penn street, from 8 a.m.

Another Burglary. For weeks past the daily papers have teemed with accounts of burglaries in vari-ous localities, executed with so much skill that the unfortunate recipients of these visthat the unfortunate received with so much skill that the unfortunate recipients of these visits from light-diagoned gentry, know nothing of their loss until the morning attern. A simple and unfailing method of receiving notice of the intended entry has been patented, and may be seen at 103 Third street.

A PROJECT ABLYPONED.

The Military Committee was discharged from the further consideration of the House bill to authorize the construction of a military and post railroad from Washington to New York. In the last week of December, 1805, the number receiving out door parochial relief from the same union was 1,974. In the last week of December, 1866, it was 4,840.

On the left of January, 1867, there were in Popiar slone, 9,496 persons receiving parochial and charitable assistiance; the number now is at least 18,000. If to these are added the poor of Limelouse, Shadwell and Stepney, the total number of poor receiving parochial and other aid will exceed 20,000 persons, as stated in an advertisement recently is suighfrom the Society for the Keliet of Distress. in increase. In the last week of December, 1805,

sund from the Society for the Relief of Distress.

—A party of about one hundred Norwegians, mostly young men's as brought to sames the Atlantic to sugage in the furniture manufacture in Clinton county. New York. They are described as strong and rugged physically, and of great worth of character. The person who went over to Morway to secure the services of these immigrants says that great numbers of Norwegians answered his advertisements, and his chief difficulty was to select the few he decired from the crowd of spiplicants. The Dnited States is highly popular among the laboring classes where a thick was a state of the same of the same of the principle state of the same o

this advertisements, and his chief difficulities divertisements, and his chief difficulity was to select the few he desired from the crowd of applicants. The United States is highly popular among the laboring classes abroad, and the immigration during 1807, it is estimated, will be greater than during any previous year.

It could be a multiced, as they sooned the most receive it. On motion of Mr. WILSON, the resolutive as postponed and the morrow, as particularly as postponed and the morrow.

ASSIGULTURAL COLLEGE LANDS.

R. PATTERSON presented the resolution of the Tennessee Legislature aski Speaking of the efficiency of negro testimony, the Charleston Mercury says that thus far the law admitting negro testimony in the South Carolina courts "has been attended with more than the usual success. The colored witnesses appear to be fully impressed with the obligations placed upon them, and their ovidence has been generally given with and nothing but the truth. There was shill little tendency to product with the curdiveness, and the testimony has, in the late eriminal trials, been clear, in
