NEBRASKA-THE AMENDMENT. The bill admitting Nebraska as a State has been carried over the President's asylum/for those who were oppressed tance to their heirs.

This must be said of them, moreover sides the day is not far off in which

ed the whole number of States will be thirty-seven; of which twenty-seven will participate in the government. nesota, Missouri, Nevada, New Hamp-Island, Tennessee, Vermont, West Virginia and Wisconsin, making twenty- less. one. The rejecting States will be Alaida, Kentucky, Louisians, Maryland lina, South Carolina, Texas and Virginia, making fourteen.

the amendment is clearly lost, unless a

the continental provinces.

This is farther manifest in the conces-Christians are allowed representation lowed to live only on harsh conditions. which all classes shall be heard, it is compared to do so if the productive industry of the such he feels he cannot help him people shall be hindered so that income from manufactures and net revenues self so well by any other means.

It is thought, moreover, that Russia shall materially fall off.

Russian civilization. With her capital on the Bosphorus, Russia, would become commercial in the full and proper senso. Commerce is the great civiliser of nationa. Her missionaries are ships and steamers, and most successfully do they perform their function. A higher type of learning and improvement than that which prevails, beginning as Constantinople, would spread gradually over the vast empire, quickening its life; canobling its aims, and purifying its religion. But it does not stand to reason that France or England will consent to this aggrandizement of Russia. By herself England would not-dare to move. For some years she has claimed not to medical much in continental affairs, and has measurably dwarfed her importance. But an enterprise of such grand significance as great nautical rival, would arouse her from her apathy, and, pervious greatly and the form this city.

Canada by American Fenians. Where the surferious Stephens? He is reported, by \$65 cable? in London, while the Knew Yorkers believe him to be livered than the first state of the same 'Brocklyn.

Neven was a "Brick" laid better than was Pomercy by a recently published letter Gen. Butter. But "Brick" relative grand is life; canoble state of the chockest blackguardism decounces the old hero as a "line." Homeover widently wants to ride into noticity on the shoulders of the "beast" on the chiral way in the construction.

But it does not stand to reason that France or England will consent to this aggrandizement of Russia. By herself better Gen. But "Brick" relative grand significance to move. For some years she has claimed not to medical material affairs, and has measurably dwarfed her importance, but an enterprise of such grand significance as this, and which might shouly crosses of the character were the state of the character ever with the claim of the character ever with the character ever with will attend from this city. haps, enlist her mightlest efforts. standing with her sword sheathed, but her hand is on the hill She has humiliations to avenge; and while she would be glad to postpone mil-
