social plagues that afflict modern society are certainly attributable to it. What wrecks of body, of mind, of fortune, of character, of domestic ties, does it not scatter all along the shores of Time!—How it stocks almshouses, jails, penitentiaries, and gallows! To this extent candid and sober-minded people to are agreed respecting it. But they divide and stand apart directly when measures for dealing with the evil are properance exerts a more powerful sway to. day than at any former period. These are facts often ignored in considering It is a graceful and fitting compliment te facts often ignored in considering

against to the students and the devastating carrent back, to force it first into a narrow channel, and then to dry it up forever. Much good was done, and is still doing, by this method; enough abundantly to compensationally, and the motives of amity and kindly feeling which have induced. sate for all the labor bestowed, and to him In coming to this conclusion we do not mean to be understood as touching the deeper question of the abstract potentiality of Truth and Right, or to ex I press or imply a doubt but they will ultitely win the mastery of the world. All we mean to say is that the battle of those two elements with Falsehood and is constitutional. Wrong has been going on a long while, and that even now the aspect of the field is decidedly mixed. In many places the better powers seem to get the worst of it. for some years, with gratifying individual cases, but with very little effect on the general sweep of affairs; it was proput the traffic in intoxicating liquors as in Chicago. a beverage into the category of crimes

sort of Suasion, the new scheme proved taining the Philadelphians. to be measurably a success, but with the dense utban populations the scheme has at best, operated indifferently. Under at best, operated indifferently. Under \_\_The health of Alexander II. Steph-popular governments, so long as a ma-ens is again reported to be failing rapopium traffic, but has found unlimited power too short for its purpose. Among a people of a sturdier race, like the Caucagian, it may reasonable because

cisewhere, but the fact must stand as we have stated it.

There are temperance people here who ange the Frenhittion of the Liquor Traffic, except for mechanical and medicinal purioses. It is one thing to prohibit; quite another to stop. The majorhity of our people do not incline to that extreme measure; and in the absence of a local sentiment demanding w, and in an uninsignificable manner, there is no probability the Legislature will action? We take it, the License system will be continued in some form. In that event, —Haydon's oratorio of "The Crea-

We take it, the License system will be treen that event, the best thing to be done is, so to adjust the best thing to be done is, so to adjust the details as to sweep out, as nearly as possible, all the dens in which the sale of liquors is not the main thing, but is subsidiary to gambling, prostitution, and other species of immorality. Bring the other species of immorality. Bring the sale of the species of t other species of immorality. Bring the whole traffic into conspicuity, so that the police and the citizens cannet fail to see who prosecute it, and in what manwill have an important stake in seeing that his legal domain is not posched cupon. In this way many of the cvils of that traffic will be sensibly abridged. Indeed, fewer mischiefs will attend the business in this form, than under an induction under the Peabody Fund. All applications must wait until a plan for distribution. Respectable men, distribution of the fund has been agreed either in the manufacture or the fund has been agreed strain.

\*\*TORE STOCK OF BLACK SILRAD, LARGE STOCK OF BLACK SILRAD, and any of the fund has been agreed strain. The control of the fund has been agreed strain.

on the President the conviction that he is not the only power in the government. His means of corrupting men by appeals either to their ambution or cupidity are effectually taken away.

It skems probable that, a Ganeral Railread Law will be passed before the adjournment of the Legislature, but that it will be loaded with limitations and exit actions never yet embraced in an actor special incorporation. The Republican members origin to bear in mind that the party, by the action of its last State Convention, stands pledged to enact a General Railread Law, and that it will be quite as honorable to ignore that promise altogether, as to keep it in a way as to imply deceit and treachery.

LICENSE OR PROHIBITION.

That the Still is the real Pandora's box, out of which flows all imaginable and inimaginable forms of misery and mischief, is attested by universal observation and experience. One-half of the social plagues that afflict modern, society are certainly attributable to it. What

drinks, and all have signally failed Individual instances of reclamation have, indeed, been produced under each of the plans suggested; considerable abatements have been made, at times, in the use of the plans suggested; the sum of the sum of the sum of the plans suggested; considerable abatements have been made, at times, in the use of the sum of th have been made, at times, in the use of stimulating beverages; but as permanent remedial agencies all have proved unated by the providing the remedial agencies all have proved unated by the providing the remedial agencies all have proved unated by the providing the removal of several collaboration and received with no little evidence of enthusiasm.

In closing its report of several collaboration would be more than doubled. In closing its report of several columas lemuth of the ball, the Montreal

It is a graceful and fitting compliment to the memory of the great chief, the problems involved in the prevalence of drunkenness; but so long as they are denied their due weight no safe or beneficial conclusion can be reached.

For awhile Moral Sussion was regarded as the infallible panacea. It was in sisted that by appeals to pride, to reason, and to conscience, it was possible not only to set up effectual barriers against the symbles of the special content of the strength hand of fellowship to the Canada and proposed to the strength hand of fellowship to the Canada and proposed to the strength hand of fellowship to the Canada and proposed the special content of the strength hand of fellowship to the Canada and proposed to extend the strength hand of fellowship to the Canada and proposed to the strength hand of fellowship to the Canada and proposed to the strength hand of fellowship to the Canada and proposed to the strength hand of fellowship to the Canada and proposed to the strength hand of fellowship to the Canada and proposed to the strength hand of fellowship to the Canada and proposed to the strength hand of fellowship to the Canada and proposed to the strength hand of fellowship to the Canada and proposed to the strength hand of fellowship to the Canada and proposed to the strength hand of fellowship to the Canada and proposed to the strength hand of fellowship to the Canada and proposed to the strength hand of fellowship to the Canada and proposed to the strength hand of fellowship to the Canada and proposed to the strength hand of fellowship to the Canada and Dysected for the speedy care of any strength and of fellowship to the Canada and Dysected for the strength hand of fellowship to the Canada and Dysected for the speedy care of any strength and of fellowship to the Canada and Dysected for the strength hand of fellowship to the Canada and Dysected for the speedy care of any strength and of fellowship to the Canada and Dysected for the speedy care of any strength and of fellowship to the Canada any swelling tide of intemper- ed an effectual mode to secure success.
