GENERAL SHERIDAN made military deal with an insurrec tion threatened at New Orleans yester

the normal and powerful but because a numerous and powerful body of voters has been created, the existence of which they dere not ignore, and to insult which would be absolutely artificial needs, should be introduced among the children of the sun destitution.

The derivation of the Southern States trol is in their hands. Certainly, if they | Enter stately cities, and see who inhabit act together, in any one or in all of those the valuees. Here and there you will eleven Brates, it will require the co-oper- find the offspring of rich parents in the

lesaness ensured impunity. From weak-rises out of poverty into wealth. You nees that race has risen into strength. It look for his children and grand-children. has become, to an important extent, a and you find them where he begon. dispenser of honors. It can lift up or There are exceptions to this rule; but onput down. It can gratify the ambitiors by exceptions.

of aspiring democrats, or crush those ambitions into the very raire. The least stant phenomena cannot be found, as is "Polit clans neither lave nor hate."

what means may be necessary. A good deal will have to be ex- la cused on the score of lingering remains millions. In eleven years all that reof the old depravity. Repugnancies mained was in the hands of sous-in-law which have consumed sixty years in en-gendering, cannot be overcome by a ne-three thousand dollars.

cremancer's incantation.

ses of confessed rebels have hand. artists Grown has been made to have a subjects than the South. The old latter is most prolific. So long as these souther the south of the subject to the sub

by the chiefs of the disloyal faction, fear signed to the grave in the same hour.

The Washington Leader mildly thronicles as an acceptance, and cognate considerations, restrained them from independent efforts to take the political power into their own hands. All this is changed. The old leaders are powerless. New men must necessarily take their places.—No fear need be entertained as to their coming forward, and asserting, as best they may, their different pretensions.

If the old party leaders, on both sides, here in Pennsylvania, should be set aside —no mathr how arbitrarily, so that the exclusion was absolute and final—there would be little grief among the individual successarily results of the present pretensions.

If the old party leaders, on both sides, no make problishing the sale of intoxicating liquors, and the town officers are foreign it. All places where liquor is exclusion was absolute and final—there would be little grief among the individual success as assessed against persons stilling liquor thereon.

The town Council of London, Mathritan Pretains and the owners of premises are made liable for fines and the owners of premises are made liable for fines and the owners of premises are made liable for fines and keep the control of the premise are made liable for fines and keep the control of the premise are made liable for fines and keep the control of the premise are made liable for fines and keep the control of the premise are made liable for fines and the control of the premise are made liable for fines and the control of the premise are made liable for fines and the control of the premise are made liable for fines and the premise are made liable for fines and the control of the premise are made liable for fines and the control of the premise are made liable for fines and the control of the premise are made liable for fines and the control of the premise are made liable for fines and the control of the premise are made liable for fines and the control of the premise are made liable for fines and

the new political movements at the South, following account of how far newspation threatened at New Orleans yester day, but the insurrection was avoided by superessing the Charter election out of which it was likely to grow.

In soaversation Gov. Geant strongly denounces the fraud the Republican leaders in the Legislature are practicing upon the people of the Commonwealth, in the matter of the so-called General Railroad Law. He says he will not sign.

DESTRICTION.

The matter of the says he will not sign.

DESTRICTION.

The matter of the says he will not sign.

DESTRICTION.

the metter of the consulted Gener.

Railread Law. He says he will not sign it, if it shall pass both Houses. It is of no consequence what becomes of the bill. But it is essential to the Governor to vindleate his own-character. He stands pledged to the people on this question, and will be judged by whit his guestion, and will be judged by whit his sunds of complicity, however remote it might be, with this swindle.

THE SOUTH.

It has been fashionable for Democratic leaders, while professing to believe in the easternate and vulgarity over the proposition to admit black Americans to the right of suffrage. They so did because they had an interest in profession of the leader profession in the vill passions and projudices of a considerable class of white people, who were nearest the not received by the profession and projudices of a considerable class of white people, who were nearest the not received by the formal projudices of a considerable class of white people, who were nearest the not received by the desire of the possion of the profession of the project of the project project people who were nearest the not represent the months of the project people who were nearest the not represent the months of the project people who were nearest the not represent the months of the project people who were nearest the not represent the place of the control of the project people who were nearest the not represent the project people who were nearest the not represent the project people who were nearest the not represent the project people who were nearest the not represent the project people who were nearest the not represent the project people who were nearest the not represent the project people who were nearest the not represent the project people who were nearest the not represent the project people who were nearest the not represent the project people who were nearest the not represent the project people who were nearest the not represent the project people who were nearest the not represent the project people who were ne

prejudices of a considerable class of the white people, who were nearest the negroes by lack of in elligence, refinement and secial standing. That censurable habit is rapidly going out of use, and soon will be known no more. Not that the aforesaid leaders have become more corruptious or decent than they were; the horizontal properties and powerful but because a rungrous and newerful.

the blacks have ballots in their hends; iton would follow in the train. In Tennessee, by State action, and in the Powerty, like other forms of suffering, lating by law of Concress. In the control of the power in the pow In rennessed, the states by law of Congress.

In some of those States, even is may speechly disclose that the political conception of the world. Look about you, in this country, and see who possess the earth.

ation with them if only a small part of poss ssion of continued wealth; but of-the whites to constitute a formidable maority.

In this new aspect of affairs it is in. poor. Why is this?

In Europe, among the same races, atructive to notice with what earnest whose comminging here, we insist is bindervoto in order vita dana catalar whose commigning nere, we brise in meas the Northern democratic leaders producing the fairest and noblest type of join the Southern rebel leaders in recommendation of the world has seen, it is not nending to their followers the necessity uncommon for wealth, rank and abilities of "courting" the blacks.
