OFFICE DAILY TIMES, NEW YORE.

Enjoying as I now do the blessing of uninterrupted health—after culturing swontoen years of suffering—I ahould be recreated to every sense of justice, to every feeling of gratitude, and to overy consideration of good will toward those who are suffering as I have been, if I remained silent as to the physician, to whose skill and kind attention I am siready indebted under Heaven for so great a blessing as health.

For seventeen years I was the victim of Asthma in its worst form. About twelve months ago. I consulted Dr. Robert Hunter, who put me stone conduct to treatment by the Inhalation of such medicines as he prescribes. A few weeks convinced me that I was in the right hands. I persevered with confidence, gradually and steadily improving under the treatment, until six months had clapsed, when I found myself completely relieved. I have been since, and am now, in the enjoyment of good health, gaining fiesh, and feeling well, although my old medicial advisors could never hold out to me the least hope of such happy results under their treatment. py results under their treatment.

I offered some months since to make a due to Doctor Hunter and the practice indvocates, but he declined, for the reason without the publication of isolated cases. I have reason to know, therefore, that my case although editorially alluded to in the columns of a city daily paper, was never published by Doctor Hunter himself. I shall morely add that my provious suf-fering and present good health are known to hundreds, many of whom daily congratu-late me on the evident and great improvement in my health. GEORGE JONES.

Editor of the Pittsburgh Post, many years ago, speaking of Dz. KEYSER'S PECTORAL SYRUP, spoke as follows. It is as true now as then: INFLUENZA .- One of the best medicines fo INPLUNEA.—One of the best medicines for the ourse of influenza that can be found in the country is Dr. Keyser's Pectoral Syrup. We have tried it, and take great pleasure in bearing testimony to its efficacy. There is no humbug about it. At this season of the year, when one-half of our citizens are sneezing and coughing, it should be known that a few spoonsful of this medicine will, in half a day, work a perfect cure.
