Seven were for Europe and the rest for, Cuba and South-Liberals to March 22d, and San Luis to the 25th, contain details of the recent engagement at Leisyal. The complete route of the temperalise again confirmed. Sweet, all routes for escape are still open for Maximilian, and the people of Queretare aid him liberally with supplies. The besieging army is also suffering for food, and the contest turns on the question which army will be starved out first. Escobedo is considered incompetent for his position. A portion of Cohabita is again in robellion sidered incompetent for a spain in rebellion under the leadership of Gen. Herrers, who proposes to erect the Seguans district into a separate State. Trouble is apprehended from this moment, as the insurgents might easily move on Saltillo. and from this moment. as the insurgence might easily move on Sathillo.
