Che Littsburgh Gazette.

WEDNESDAY, MAY 8, 1867. DISHONESTY IN POLITICS. A time was in this country when jour nalism was at so low an ebb that almost every secular newspaper was a mere ap-

sition towards his party was the same as that of a lawyer towards his client, extion, as he well deserved to do.

to a more useful and honorable position. Against France alone she refused to re knowledged not so much to a party as to the public; to a cause rather than to

felt constrained to expose and rebuke Legislative corruptions. They have

as there was abundant need they should. Other republican journals have been filled with alarm and carnestly entreated them to desist. Their appeal has been, "our friends are in the majority, what is done; if you talk in this way they will be disgraced and the control slip out

burg; and that the Republicans for some rs past have had a majority in the Senate and House of Representatives. If journals of Republican proclivities or, admitting it, labor to palliate its evitably gather at some other point, and the party sanction the rascality. If these urnals speak out against it, in clear and distinct tones, giving the public to unable, the responsibility is shifted from A party that connives at or tolerates cor-

holds and the measures it maintains. Put some of the leading Democratic

not be heard. The truth is, participa-plications of which he did not foresee, tion in plunder begets an infamous brounblushingly that their bad reputation in this particular contributed greatly to ishment from power. It is quite too

late for them to assume a virtuous indignation in matters of this sort; and particularly to base on that indignation an appeal to be taken back into confidence alry in the employments which relate and reinstated in authority. The fact is corruption in public affairs congregated by deputations in Paris, it opening dimensions. It would be an unpardonable breach of DART will open a handsome assortment of has been growing steadily, and reached good manners to break in upon them such a pitch it laughs at exposure and wantonly with the blare of warlike snaps its fingers at consequences. What trumpets and the thunder of hostile is needful is that each party hunt its own cannon. bad men out of public life, and put its | For the last few days the indication best men forward. This is easily said, have been in favor of maintaining peace, but as affairs stand difficult to do. To a Still, military preparations go on with certain extent, and in particular locali- unabated vigor; and this beties, bad men have party organizations Paris as in Berlin the conviction is ab in their hands, and it requires more than solute that the settlement of the question

is better and safer than a good one of the | be no farther delayed. other side. But, beyond this, it is sometimes hard to get the best men to take lative offices never do, and they will not sacrifice private convenience

It is now quite certain that JEFFEI.

SON DAVIS will be tried at the present term of the Circuit Court at Richmond rate of two niles a day, such embank. It is full time he was disposed of. ing is hardly practicable.

EUROPEAN COMPLICATIONS. For weeks past accounts from Europe we presented a vivid picture of the truggle between Prussia and France or supremacy. It would be misleading

o assume that this struggle is confined o the two monarchs and their courts. The time has gone by, when the governnent of a great nation can be exclusively or mainly personal or dynastic pendage of one or other of the political parties. The function of a journalist was then, not to find out the True and the Right and defend and and and the state of the population of the respective countries enter fully into the controversy, the Right and defend and exal, it, but to and are quite as ready as their rulers for ascertain what his party had done or any measures, no matter how extreme, neant to do, and to justify the particular ct by all the dialectic and arguments. The Prussians welcome a rising great-

that of a sawyer towards and the devo-Since then journalism has advanced suddenly acquired power and authority. tion to assert that all journalists feel this, and set fully up to the conviction; but a good many do and the general tendency is in that direction. Of course, there are those who do not partake of this better impulse.

For several months past republican newspapers in this and other States have educated the several months are those with the several months and there is the several months are republican newspapers in this and other States have the consent to parley. Five and retail, at Preming's Drug and Patent Medicina Depo At Fiember's 1970 and Patent Medicina Depo No. 31 Market street, No. 31 Market street, No. 31 Market street, and disputes with France the Corner Diamond, near Fourth street.

Mills The ming's Drug and Patent Medicina Depo No. 31 Market street, N

lenges admiration and enlists support. All Germany rally to her side. Heredspoken with great plainness and fidelity, litary jealousies and alienations are atifled and appeased in her presence. Nor has she need to hurry preparations. She is ready. For a score of years she has been planning to meet this crisis, which is of her own creation She has fully comprehended that Fran would not consent to be overtoppe without exhausting all the means preservation within her reach.

The retention or abandonment of the Every man of ordinary intelligence in Pennsylvania, for instance, knows that such fortresses and no such provinces th controversy would remain the same in essense; only its immaterial neces liarities would be altered. If not brought to a head here, and submitted to the

admitting it, labor to palliate its run its predestined course. France is in a dilemma. Her Emperor feels the embarrassments by which he is environed. He is not ready. He destand what is wrong, and who are concerned therein, so far as they are ned therein, so far as they are If that was the rub, he would not care. the party to the backs of the individual Success is dearer to him than honor; offenders, where it properly belongs. If the case was otherwise, the duty of honorable journalists would not be altered. A party that complete a track of the complete a track of the complete at the complete ruption in its public men, does not deraption in as punic men, does not deserve confidence and support, no matter how excellent may be the doctrines it holds and the measures it maintains.

sions and been exposed as a charlatan; he has no need to be sensitive on a point of honor. Besides, if he had only half of honor. Besides, if lie had only half the wisdom he claims for himself and his knet had been enougher parts of the Ne knet and states, and is also found in the elevant adulators claim for him, he must have

ournals take another view, by which perceived that it was useless to raise a of Boston. journals take another view, by which they just as clearly dishonor themselves and their party in the judgments of all discriminating and fair-minded observers. They say, "beyond doubt great corruptions exist in the Legislatures, and the Republican journals who cryout against it do well. But, then, as the Regular and the Republican successions and the Regular and t out against it do well. But, then, as the aggrieved by the secondary part she is Republicans have more men in the Legislatures than the Democrats, they are exclusively responsible. Put them out and put more of our men in, and see search in the recessity admits of question. A and put more of our men in, and see time was when Leuis Naroleon was how admirably affairs will be managed." is not to expose dishonesty and make it odious, but to gain a party advantage.

They care more for suppressing Republicans than for suppressing corrupt legis-lation.

A succession of important events ran in dispensable to its tranquility. He had the gift of silence which has imparted to many a common man a

Democrats who chance to have seats had a further essential advantage in the in General Assemblies are no more scru-pulous than Republicans. Nay, if we were to republish all the divisions made past their prime or were naturally inously involving plumler, it would be tered upon the scene-some of whom Acc, 54 Fish Greet, it an authorized Age seen that ratably to aggregate numbers more Democrats than Republicans voted on the wrong side. It seemed as perior to Napoleon, and their achievements cast him into the shade. In every minority to work all manner of nasting negotiation in which they were matched ness. What Democratic member of the against him their superiority was pro-

therhood more potent than party obliga-tions and interests. What care the integrity of his empire. lobby or their tools and accomplices in- While Napoleon protests his anxiety side for party, except as means for obtaining elections? But, in time past most gigantic efforts for meeting it if it most gigantic efforts for meeting it is in a subject to subject to a the Democrats were tried as thoroughly shall occur. The security of his dynas-

in majorities as they have latterly been in minorities, and were found as abso in majorities as they have found as absolutely wanting. They invented and brought to perfection the whole system least of all now, when success is definitionally and the system least of all now, when success is described by the system least of all now, when success is described by the system least of all now, when success is described by the system least of all now, when success is described by the system least of all now, when success is described by the system least of all now, when success is described by the system least of all now, when success is described by the system least of all now, when success is described by the system least of all now, when success is described by the system least of all now, when success is described by the system least of all now, when success is described by the system least of all now, when success is described by the system least of all now, when success is described by the system least of all now, when success is described by the system least of all now in the system lea manded not simply by her vanity, or her ambition, but by her interests and necessities. It happens unfortunately for France that while such is her international con-

dition she is holding the World's Expo-sition of Art and Industry in her capital. She summoned the nations to riv primarily to peace. Now that they are
