Its selection, therefore, as the official ure a law was passed to tax the were anxious to eat them? pocket therefor the snug sum of twentyfive hundred dollars. Why take so
much for so-little, either from the Stockbellose of the State Terranea. The staff of Queen Victoria's kitchen
includes the chief cook three master a scant month's work to do, and will

Che Littsburgh Gracific.

FRIDAT, RAY 10, 1997

The serious dischards of the Propose recommendation of internal supervision indication of internal supervision indicates approximately the supervision in the commendation of the in our mind; but Rev. Senator Laxbos, of Bradford county, was. Is that sufficiently explicit.

NEETRADE REPUBLICANS

An impression has gone abroad that the Republicans of Chicago and of the west and northwest are opposed to the Protection of Domestic Industry. In large part this impression has been created by the course of the Chicago Tribune.

Last autumn that journal imagurated a more more than it now is, and might make it someting was sheld in which an unspect of gentlemen promisently connected; with it participated. Soon it made a surprising change, and came out fercely against Protection. No other journal has been consolation for Free Trade or opposed to the protection of the number of gentlemen promisently connected; with it participated. Soon it made a surprising change, and came out fiercely against Protection. No other journal has been so chamorous for Free Trade or opposed to the protection of the number of gentlemen promisently connected with it participated. Soon it made a surprising change, and came out fiercely against Protection. No other journal has been so chamorous for Free Trade or opposed to the protection of the connection of the civil participated. Soon it made a surprising change, and came out fiercely against Protection. No other journal has been so chamorous for Free Trade or opposed to the protection of the civil participated. Soon it made a surprising change, and came out fiercely against Protection. No other journal has been so chamorous for Free Trade or opposed to the protection of the civil participated. Soon it made a surprising change, and came out fiercely against Protection. No other journal base of control of the civil participated. Soon it made a surprising change, and came out fiercely against Protection. No other journal base of the region in which that the many protection of the control of the protection of the control of the protection of the control of the control of the protection of the control of the protection of the protection of the control of the protection o and ability, is not given to bluster and arrogance, and sustains the doctrine of mains it would be most perilous to abrotection in the broadest acceptation. sorb all Mexico, and run the chances.

sorb all Mexico, and run the chances.

Undoubtedly there is force in what is now urged that our government got the Mexicans into their present proat least, are not enamored of Free Trade, and do not accept as proper exponents of the party those who are.

TANING BANK STOCES.

Some months ago it was judicially decided that National Banks could not be taxed for State purposes. To evade this decision, so far as Pennsy Ivadia is consome months ago it was judicially decided that National Banks could not be less faith in it to day than ever before hossessing themselves of the proper Riemdy, no seems that the less faith in it to day than ever before hossessing themselves of the proper Riemdy, no seems that the seems of the proper Riemdy, no seems that the seems of the proper Riemdy, no seems that the seems of the proper Riemdy, no seems that the seems of the proper Riemdy, no seems that the seems of the proper Riemdy, no seems that the seems of the proper Riemdy, no seems that the seems of the proper Riemdy, no seems that the seems of the proper Riemdy, no seems that the seems of the proper Riemdy, no seems that the s urselves into another about as bad, we like re stocks of such Banks in the hands of might be inclined to consider it, if we the owners thereof, as personal proper-ty. In said law provision is made for are worth bothering with. Of all the ry. In said law provision is made for are worth bothering with. Of all the people on the face of the carth, making pass by the regular Assessors, and create a swarm of new officers? The duties of these new officials do not require more these new officials do not require more The authorities at Washington have delicacy or judgment than those of the been reported for some time as engaged common Assessors. Were places crea- in negotiations with Juanez tor the ted sorely to have places to fill? Were province of Lower California. Agen's nice plums made because certain men have been sent thither to explore and cre anxious to eat them?

Toport, and have doubless performed that duty. On the side towards the Pa-Senate in the form of a bill, the compen- cific this province is mountainous and sation of the Assessors was fixed at ten barren. On the border of the Gulf there and be per cent. of the taxes levice. This gave is some fertility; but back, to the foot of barren. color to the suspicion that a job larked in the plan of creating separate Assessors to do work for which ample force
